Beta Sigs Meet Pi K. A.  
A.T.O. vs. T.N.E. In  
Twin Bill

The first round debates in the interfraternity tournament will be completed tonight when the A. T. O. team meets the representatives from T. N. E., and the Beta Sigma orators match wits with the Pi K. A. The first debate will begin at 7:30 p. m. with Dick Dunlap and Andrew Edington, representing A. T. The T. N. E. team composed of Harvey Creech and Maurice Carlson will have the negative side of the question. The time set for the second encounter is 8:30 p. m., which will bring together Dick Mays and Ed Hutchinson of Beta Sigma and Beverly Buckingham and Charles Crump who will represent Pi. K. A. Judges for the night will be J. B. Breazeale, John Fishbach, and Alvan Tate.

The first of these debates was held last night when James Gregory and Ken Eddins of the Non-Frat group, opposed the K. A. representatives, Wm. Walker and John Gaither, in the first debate of the evening with the Kappa Sigma team of George Hymers and Herman Bass clashing with Lucius Cook and John Jordan, the S. A. E. team. The judges were Benton, Jenkins, and Porteous. The semi-finals and the finals will be run off next week.

## STUDENTS GIVE TO XMAS FUND

Money To Be Given To  
Goodfellows

The Ministerial Club announced this morning that it will assist the Goodfellows in their attempt to bring cheer and comfort to several poor homes this Christmas. Each morning next week the chapel ushers will have boxes in which it is hoped students will drop coins to be applied to this fund.

The money will be turned over to the Goodfellow fund, through the Evening Appeal, Saturday morning, December 9. A box will also be placed in the supply store for the collection of funds.

## GROUP DISCUSSES CHRISTIAN'S PLACE

Unemployment! Low Wages! Idle Rich! Scoundery employers! Depression! These and other such terms filled the air enclosed by the four walls of the Men's Social room in Palmer Hall, Monday evening, when a group of students met with Professor George McLean and discussed the present situation, and tried to answer the question, "What is the Christian's place in this modern world, and what should he do to help humanity?"

The meeting was the first of a series to be held bi-monthly in Palmer Hall, growing out of some discussions held in the Southwestern Christian Union Cabinet Meetings. The meetings will be open to any interested students. The first meeting was attended by ten interested discussionists,

## Lynx Sophomores Make High Marks On National Intelligence Tests

S'western Sophs Rank Far Above Average Student  
In Other Colleges. Boys Lead Girls

The Southwestern sophs of last year, according to a nation-wide intelligence test given to sophomores in 138 colleges and universities, have a higher ranking in intelligence and general culture than do the average students tested. Southwestern placed in the upper 10%, and tied with another college for eleventh place. Out of the 16,411 students who took the 1746 question test, only 2% answered more than 750 questions correctly, as compared with 6% of the Southwestern students.

Of the 22 Southwestern students placed in the upper 10% of the 16,411, 14 were men and 8 women. The two highest scores were made by Henry Oliver, Union City, and John Fischbach, Maryville, Tenn., who answered more than 1,000 questions correctly. Next in order came Louis Nicholas, Trimble, Tenn.; James Breazeale, Memphis; Mary Powell Abbay, Tunica, Miss., and Chloe Burch, Memphis.

The movement, known as the Sophomore Testing Program, is carried on by the American Council on Education from Washington, D. C. Two years were spent in preparing the questions and making arrangements so that the various colleges and universities might give the same test at the same time under conditions as nearly similar as possible. The cost of the work is defrayed by the American Education Board, which has set aside \$500,000 to be used over a period of years in this manner.

### ALL FIELDS

Almost all fields of human knowledge were covered in the test. The

English test, for which two hours were allowed, consisted of 450 items, some concerned with literature, some with spelling, grammar, punctuation and vocabulary.

The general culture test was given in four hours, and covered foreign literature, fine arts, history and social studies, and general science. A short intelligence test of 75 items was also given. The women surpassed the men in general culture and English; the men surpassed the women in science; but they were tied on the intelligence test.

Probably the most valuable result of the test will be that colleges will know how they rate scholastically with other colleges and how their various departments compare with each other.

## Eva Gene Bruce New Pi Member

## MANY ENTRIES ARE READY FOR BIG MARATHON

Boosters Club Sponsors  
Annual Three Mile  
Race

The annual intra-mural cross country run will be held tomorrow at 2:30 P. M. The run is sponsored by the Boosters Club. It is a high spot in the career of every freshman, as the Sanhedrin Council requires all of the first year men to run.

The big race will start on University Blvd. at the Snowden St. entrance to the campus. The runners will then proceed north on Univ. to Jackson; then they will return south on Univ. to Tutwiler (Evergreen Hall corner); the runners will then continue west on Tutwiler to McLean; they then will proceed south to Parkway; then east on the left side of Parkway to University; then north on the right side of University to Jackson, they will come back south on University, and a few of the more hardy will finish in front of Stewart Hall.

The race is an old tradition at Southwestern. Roger Wright, "The Flying Scotchman," won the first revival of the race in Memphis. Riley McGaughran, present-day Lynx cinder ace, won the race in 1930. Clark Porteous was the next to win the miniature gold track shoe, the emblem of the winner. Phil O'Donnell won last year.

All varsity track letter men are ineligible. The competition will be both inter-class and inter-fraternity. The scoring will be one point for first place, two points for second, three for third, etc. The sum total for the first five men in each fraternity and class will count, and the frat or class with the lowest score will be the winner. Five men must finish in order for a fraternity or class to place.

### AWARDS

Medals will be given to the individuals who win first, second, and third places. A cup will be presented to the winning fraternity.

Many runners have been training daily for this race. Scudder Smith, who placed last year will bear watching. Other runners who have looked good in practice included Dickie Dunlap, Young Wallace, Harte Thomas, Rogers Laurence, Ed Hutchinson, Herbert Williams, and James Jusserley.

## PRE-MEDS TO BE TESTED

Take Exams On Friday,  
Dec. 9

All pre-medical students will be required to take the tests which are to be given Friday afternoon, December 9, in room 203, Science Building.

Professor Francis Huber is in charge of the tests. Also, the "pre-meds" must not overlook the fact that a fee of \$1.00 will be charged for taking the tests. The examinations are intelligence tests which will determine which Southwestern students will be good doctors and which will be "quacks."

## Ministerial Club Holds Deputation

The Ministerial club will hold a deputation service at Campbell's Clinic, Wednesday evening at 7:30 o'clock. The Lookout committee will have charge, and the chairman will preside. Francis Benton will speak to the patients. Charles Beecher will sing a solo, and other musical numbers are being arranged. This is the fourth service to be held at Campbell's this year.

### Just a Bit of Dorm Life

#### EVERGREEN HALL

"The Terror of Evergreen Hall" that nightly came around last year has been seen again. This time he has not hesitated to make his appearance known. In fact, he quite boldly announced himself last week, everyone had just about forgotten him and now he's back.

Thanksgiving brought many visitors to our campus. Margaret Ashley and Miriam Heidelberg were visiting old friends here. Louise Taylor and Thelma Worthington were fortunate enough to have Thanksgiving dinner with their parents.

Flu is getting more down every day and it seems that new cases are appearing in rapid succession. Half the girls are down and the other half carrying their trays. More girls are having their breakfast served in bed than ever expected this privilege while living in a dormitory.

#### ROBB HALL

There are eight cases of influenza in Robb, making it look more like an infirmary than the domicile of Southwestern men. Those who are afflicted are Julius Klaus, Willie Gammage, Reed Brock, Gene Stewart, Frank Oliver Goodlett, Tom Mills, Hi Lumpkin and Charlie Powell.

This malady not only affects individuals, but also has a depressing effect on the personality of the hall. Bill Gammage has ceased entertaining us with his truly beautiful soprano voice, which never fails to delight when he is taking his shower. If he doesn't overcome his timidity and start singing before the public, the world will never know that his is the greatest bathroom voice of all time.

The inmates miss the ear-splitting shrieks of pleasure that Julius Klaus made while tearing up his own room; the witty literary criticisms of Frank Goodlett; and the intellectual speeches given occasionally by Charlie Powell. These men, who were jolly and noisy, seem to have lost spirit, and they just sit, talk in monotone and gaze soulfully out the windows.

Soon those of our number, who are ill will be up and the old spirit will be revived anew.

#### CALVIN HALL

Whether the Calvin Hall residents are excited over the idea of Christmas holidays drawing near, or whether they are just naturally mischievous is a mystery. But nevertheless, one of these ideas prompted them to raise the roof in Calvin Tuesday night.

No doubt, after the occurrence, they are evading Dr. Bassett. It all began on the third floor. Hearing an unearthly noise, the assistant dean hurried, two steps at a time, to the top floor. But by the time he had reached there, the noise had subsided but was raging on the second corridor.

Dr. Bassett then betook himself to that point only to find quiet and hear the same noise on the first floor. Was he disgusted? Well, he should have

been. The boys must have perceived the professor's impatience, for they soon restored order and peace.

John Jordon, Raford Herbert, and Berry Holt are still not feeling well enough to report to classes but promise to be back within the next day or so.

#### STEWART HALL

Stewart has turned into a veritable Flu Hospital. No less than eight Stewartites are down or have been down with the deadly malady. First there was the case of Cotton Perrette, who, pretty well satisfied that he had spread the germs copiously, is up and about again. Another football star, Butch Love, has also had a pretty bad time of it. The other ailing members are Cole Henry, Toxey Fortenberry, John Barnes, Dan Ross, Dean McKendrick, and Knox Tate.

The boys have been recovering pretty rapidly these last couple of days. Dr. Drake has two cures that seem to be working wonders. Under no circumstances, he assures his patients, will the school close down for the holidays before December 21.

In addition to this he is nourishing the boys on a starvation diet. It is surprising how quickly they respond to this treatment. The reporter has had experience; he knows whereof he talks.

Ned Wright and Herb Newton, the irreconcilables, have sworn not to succumb to the ravages of old Man Influenza, come what may. Ned says this flu stuff is a lot of baloney. That it is the loafer's long sought for excuse to sleep late of mornings. Stewart is justly proud of such sons as Ned.

### COLLEGE CLUB DISCONTINUED

#### Dances To Be Resumed After Xmas

The Saturday night dances of the College Club which have been so successful have been discontinued until after Christmas. Bill Taylor declares that since there are so many parties from now until Christmas and since he is playing at so many of the Christmas dances he and his orchestra would like a little rest from the College Club.

This Saturday the Chi O's are giving a Pirate Party. The following Saturday the Kappa Sigs are entertaining, the next Saturday is the Panhellenic and then Christmas.

Not only is Bill's orchestra popular at Southwestern, but all over Memphis. He is signing contract after contract for big prep school fraternity and sorority dances. Among those that he is planning to play for are the Phi Sigma, S. O. S., Tau Delta Sigma, Delta Beta Sigma, and many others. In February, Bill is seriously considering a contract with the German Club at Sewanee to play for the Pre-Lenten dances there.

### This 'n That On Campus

The ranks are considerably depleted this week, what with flu and bad colds. So much so, that, as writer of the bull section, we advocate closing the school before it gets worse.

Word has got round, as words will do, that a certain blonde in our midst has annexed the pin of a lad from Mississippi. This spells bad luck for a certain swain we know, and if we don't look out, we'll be naming names, which isn't fair.

People are still talking about what a good dance the "S" club gave. Saw Mary Fay, whom we miss a lot this year. Dixie Mae doing tricky steps with Joe Moss, in her usual nonchalant manner, Virginia Reynolds with

# LYNX WIN IN FINAL GAME

## Defeat Spring Hill By Score 41-0

An infuriated Lynx made up for several unlucky losses by trampling Spring Hill into the mud at Fargason Field Thanksgiving Day. The final score was 41 to 0. Ten of the Lynx gridders sang their swan song in this game.

Capt. High finished in a blaze of glory. He scored three touchdowns, two of them being on the first two times he carried the ball and being for 46 and 51 yards. Herb Newton did everything. He punted superbly, blocked, tackled, and made many brilliant runs.

The field was very muddy, but this did not seem to hamper Southwestern. All of the boys played remarkably well, and the score could have been much larger. The coaches let every man on the squad play.

# Psychology Class Discusses Causes And Significance Of Their Dreams

## Dr. Atkinson's Class Tells Of The Pleasant And Unhappy Thoughts That Have Been Experienced

It seems that Freud was all wrong when he said "tell me your dreams and I will explain your psychological nature." According to Atkinson, dreams are relatively unimportant and are merely the result of some past or present incident or the hope for a future happening. For instance, you dream that you are Eliza crossing the ice with a pack of blood hounds after you, and you wake up to find that the cover has all come off your feet and the cold north wind is howling through a window.

It is absolutely safe to tell your most bloodcurdling nightmare before breakfast without fear of its coming true. It is equally hopeless to tell the family, before you drink the morning orange juice, that nice dream about the boy who sits next to you in chapel asking you for a date. He won't ask you, at least not because you dreamed it.

### SUPPRESSED DESIRES

Lots of suppressed desires come out in dreams. The substitute, who invariably warms the bench all through the big games, dreams that the coach slaps him on the back and sends him in to save dear old—. He gets the ball and simply runs wild with it when there are two minutes to play and the score is 20-14.

One of Southwestern's most outstanding seniors of last year had the prize dream of all. He was floating down the Mississippi on a piano, shooting at the bull frogs on the bank with an air rifle. A dorm student dreamed that his roomy, who was blessed with a very prominent nose, got this same member caught in a mouse trap while he was on his hands and knees looking for a collar button.

### PINK ELEPHANTS

One of the more timid co-eds dreamed that Southwestern was besieged by a group of pink elephants who had just started up the steps to the library when she woke and saved herself from probable trappings.

In conclusion, Prof. Atkinson said that although there is a continuous series of dreams throughout the night, only the last one is remembered on waking. What an unlucky break for all the people who go in for the "I'll Never Have to Dream Again" kind of sleep.

# Y.W.C.A. HOLDS BIG MEETING

## Group Gives Basket To Angelo

The Y. W. C. A. met at 6 P. M. Wednesday at the K. D. lodge. Judge Kelly of the Juvenile Court was the speaker for the evening. The members enjoyed a delicious buffet supper. The intended music and reading program was cut short so as to allow those present to attend the debate.

Malline Lyon said that "We took Angelo a big Thanksgiving dinner, and he was awfully happy about it." Ask Malline about the "gift" Angelo offered the donors. "Some of the girls are making clothes to be given to the poor. Quite a few have brought in some real cute dresses. We are anxious to get the rest of them in and want any old clothes that anyone can bring us."

# Touchball Games Get Under Way

## Finals To Be Played On Tuesday

"Believe it or not," the Junior class scored a touchdown and made the extra point only to be tied by the Seniors 0 to 0 in the first round of the inter-class touchball tournament Tuesday. It all happened after the Juniors had pushed the ball over for seven points and trotted back into position, when it was discovered that they had twelve men playing in the game. Coach Miller ruled the touchdown illegal and despite the efforts of both teams, the game ended in a 0 to 0 deadlock.

The Freshman evidently decided that the period of Sophomore superiority was over for in the first game they proceeded to smother the second year men's attempted passes and won easily by a 12 to 0 score. The playoff between the Juniors and Seniors will take place today with the winner taking on the freshmen for the championship Tuesday.

# Journal To Be Out Before Xmas

According to Henry Oliver, the Journal, Southwestern's literary magazine, will be sent to press sometime next week and will appear the following week. Oliver says that the Journal will be no larger than it formerly was, but will be better, he hopes.

Some of the campus notables whose articles will appear in this issue are Margaret Tallichet, Julia Marie Schwinn, and Dan Ross.

# Ex-Lynx Gridder Wins High Honor

Hiram Gerrard, former Lynx gridder, and captain of the Delta State Teachers' eleven the past year, has been selected on the All-Mississippi Valley Conference team at halfback.

Gerrard played with the Lynx three years ago before enrolling at the Cleveland, Miss., institution. The transfer rule was not then in force in the M. V. C.

# Creole Literature Studied By Group

There was a meeting of the Chi Delta in the chapel at 1:30 p. m. Wednesday afternoon. The subject discussed was the literature of the Creoles. The stories taken from "Ole Creole Days" by George Cable were "Madame Delicieuse" and "Posson Jone." Margaret Tallichet and Chloe Burch were on the program.

# PREXY ATTENDS ANNUAL MEETING

President Charles E. Diehl is attending the annual meeting of the Association of Colleges and Secondary Schools of the southern states that is being held in New Orleans all this week. Dr. Diehl will return tomorrow.

# MUSIC CLUB Lynx Freshies End MEETS SUNDAY Successful Season

## Mozart and Haydn To Be Studied

The Southwestern Music club will hold a regular meeting Sunday in Hardie Auditorium at 3 P. M. The program will consist of a sketch of Haydn's life, given by Virginia Allen and a group of five numbers by that composer. Trio, to be played by Drs Strickler and Davis, and Rodney Baine, Sonata in C Major, played by Louis Nichols, Trio Capriccetto in E and Finale from Symphonie 13, both played by Hope Brewster.

The second part of the program will begin with a sketch of the life of Mozart, also given by Virginia Allen and will be followed by a group of four Mozart compositions: Sonata in C Major, and Fantasie in C minor, both played by Louis Nicholas, Trio. The concluding number will be a Bach Double Concerto, played by Hope Brewster and Rodney Baine.

## Win Three; Tie One; And Lose One

Taken as a whole, the Bobcat grid season was a success. Out of five games, the freshmen won three, tied one and lost one. The yearling team was light but fast. The backfield was fast and versatile, while the line was fast-charging and scrappy, although rather shy as to brawn.

In the first game of the season, the Bobcats defeated Tech High, leading Memphis prep team, 12 to 0.

In their next encounter, the young Lynx disposed of Tupelo Military Academy, their traditional rivals, by the score of 7 to 0. Harwood crashed over center for the touchdown and Jordan kicked for the point.

The Bobcats tied a fighting Holmes county team 6 to 6. The heavy Mississippi boys scored on a pass in the waning minutes of the game to tie the freshmen.

The first year men showed to best advantage when they trounced a good Southwest Junior College team from Senatobia 13 to 6. Dick Whittaker ran 92 yards for one of the touchdowns. Harwood, Mays, Hammond, Rasberry, Lloyd, and Tapp were impressive in this game.

The least said about the final game of the season the better. The Bobcats journeyed down to Clarksdale, Miss. and lost to a powerhouse team of Ole Miss frosh. The score was 45 to 6. The bright spot of the game for Southwestern was Tapp's long run for a touchdown with an intercepted lateral pass.

"Did you sound the family about our marriage?"  
"Yes, and dad sounded the worst."

# Southern Wins Dixie Title

Birmingham-Southern College, with five victories and one defeat, won the Dixie Conference football championship this year. Mercer University finished its three loop games without defeat but the conference prohibits a team from claiming a title unless it has played four circuit contests.

The final standing:

Team	W.	L.	T.	Pct.
Mercer	3	0	0	1.000
Birmingham-Southern	5	1	0	.833
Centre	2	1	0	.667

### Four Wins and Six Losses During Season

Another football season has become history at Southwestern. Although not as successful as some of the previous Lynx teams, the 1932 edition always put up a good scrap and were feared by all of their opponents. Coaches Haygood and Miller can only point to four victories and six defeats, but in four of the other games it was simply a matter of not getting the breaks.

Three games were lost in the closing minutes of play. Howard, Swannee, and Ole Miss all scored very late to win. In the Ole Miss game, there were only 20 seconds left when Rounsaville caught a long pass.

#### SCORE 152 POINTS

The Lynx scored 52 points and held their opponents to an even 100. When it is remembered that the powerful Crimson Tide of Alabama scored 45 of these points, the Lynx defensive record is excellent.

Southwestern dropped the first contest to Bama 45 to 6. The Lynx then had their best streak, defeating Union 41 to 0 and Millsaps 20 to 0. They next lost a heart-breaking game to their arch-rivals, Swannee, 8 to 6. The Mountain Tigers scored on an intercepted pass in the waning moments of the game.

#### DIXIE LOSSES

The Lynx trounced Miss. Teachers 19 to 0. They then lost a hard luck game to Howard 14 to 13. The Bulldogs scored all of their points in the last quarter. Capt. High and the boys lost to another Alabama team the following week. Birmingham-Southern, the Dixie Conference champs, beat Southwestern 20 to 6.

Mississippi State and Ole Miss beat Southwestern on successive week-ends 6 to 0 and 7 to 0, respectively. The Lynx put up their best fight of the season in the Ole Miss game, and held Coach Walker's powerful crew except for a pass as the game ended.

Southwestern played a good game to trample Spring Hill in the mud to the tune of 41 to 0 to end the season.

## Lynx Captain Has Namesake

Capt. Harold High certainly attracts the ladies. Patty Knothe, 649 University Place, has long been a fan. "Chicken" High is her particular favorite.

Recently, Patty was presented with a swell wire-haired terrier. She promptly named him "Chicken" High. Whenever her social engagements permitted, Patty and "Young Chicken" would come out to Fargason Field to watch the "Bessemer Blast" practice. They never missed a home game.

Your reporter caught Patty, who incidentally is quite pretty, telling the dog to look at "Big Chicken" run. Patty is nine years old.

## Girl Swimmers Postpone Meet

The girls' swimming meet, which was originally scheduled for this afternoon at the Nineteenth Century Club pool, has been postponed.

Miss Louise Stratmann, director of girls' athletics, announced that the meet would be held later, due to the number of girls who would be prevented from participating owing to the flu epidemic.

## Pi Initiates Eight Members

Pi initiation was held Tuesday night, Nov. 29, at the A. O. Pi house. Those who were initiated were Sara Naill, Dixie Mae Jennings, Kate Galbreath, Eva Gene Bruce, Priscilla Painter, Virginia McCaslin, Mary Allie Taylor, and Grace Braun. Louise Coppedge and Cornelia Henning were unable to attend on account of illness.

## Girls Play Hockey This Afternoon

One of the most important athletic events of the year will be held this afternoon when the "Kittens" play the "Kitty Kats" a game of hockey at 3.30 on Fargason field. The "Kittens" are captained by Sara Naill, and the "Kitty Kats" by Elizabeth Pearce. Admission is free.

## Senior Lettermen Of Lynx Select All-Dixie Conference Grid Team

### Four Southwestern Opponents Furnish Material For Strong Eleven. Lynx Land Four Men On Mythical Aggregation

## Sou'wester's All-Dixie Eleven

**FNDS**—Owens, Birmingham-Southern; Perrette, Southwestern  
**TACKLES**—Fisher, Birmingham-Southern; Scifres, Howard  
**GUARDS**—Tyne, Millsaps; Fox, Southwestern  
**CENTER**—Spafford, Spring Hill  
**QUARTERBACK**—Sweeney, Howard  
**HALFBACKS**—High, Southwestern; Newton, Southwestern  
**FULLBACK**—Dase Davis, Millsaps

The Seniors on the 1932 Lynx team have picked an All-Dixie Conference team from their opponents and teammates. Birmingham-Southern, Howard, Millsaps, Spring Hill, and Southwestern are the teams from whom the selection was made.

"Cotton" Perrette, Southwestern Alt. Capt., received the most votes, with 9. He was closely followed by Capt. Harry Sweeney, Howard triple-threat star, who garnered 8 votes.

#### FOUR LYNX

The Lynx thought four Southwestern men good enough for their team. These are "Cotton" Perrette, Capt. High, Herbert Newton, and Gordon

Fox. Two other Lynx stalwarts, Toxe Fortenberry and Claude McCormick, received several votes.

Southwestern led with four men on the mythical team. Birmingham-Southern, Howard, and Millsaps each had two men, while Spring Hill had a lone representative in Spafford, stellar center.

Although this team has no representatives from the undefeated Mercer eleven; nor Mississippi College, Chattanooga or Centre, it could undoubtedly give a good account of itself against any team that could be picked from the other conference members.

## Tie Winners In Final Contest

In a contest featuring the games of colleges in the hinterlands that no one had ever heard of, Joe Moss and Toxe Fortenberry tied for first place with 22 victories apiece. Some were picked as few right as nine.

The lowest average of any of the "Sou'wester" guessing games. This was the third straight week that tie-winners have been named.

## T.N.E.'s WILL HOLD BANQUET

### To Celebrate Founders' Day

The Theta Nu Epsilon Fraternity has completed plans for its formal banquet which will celebrate Founders' Day. This is an annual affair, and this year will be held on Monday evening, December 5, at the Hotel Peabody. Maurice Carlson will act as toastmaster. Dr. Raymond Cooper and Dr. John H. Davis will be invited guests.

## PLAYERS WORK ON NEW PLAY

### Stable Playhouse Scene Of Production

The Southwestern Players are to present a three-act play at the Stable Playhouse on Dec. 14, 15 and 16. The play will be "The Government Inspector" by Gogol, and will be directed by D. Kingsbury Fentress, Jr. The play will be given under the auspices of the Dramatic Art class of the James Lee Memorial. Margaret Tallichet is chairman, and Russell Cross is assistant chairman.

The cast includes Russell Cross, Garrett Ratcliffe, Alvan Tate, Margaret Clay Faulhaber, Kate Galbreath, and nearly twenty other players.

Garrett Ratcliffe is quite well known, for he played an important role in the Little Theatre's first presentation of the season. Russell Cross had a part in "The Play's the Thing," given at the Stable Playhouse last year. Alvan Tate is again playing the part of a butler, a characterization for which his fame is increasing. Last year he played a butler in "The Play's the Thing," and "Lady Windemere's Fan." The two leading women are new to Memphis audiences, but it is said that they are very promising young actresses.

YOU would be astonished too, if you could see this machine that turns out 750 Chesterfields a minute... and every one as near perfect as cigarettes can be made.

But please bear this in mind. It is what happens *before* the tobacco goes into this machine that matters most. Rolling and packaging are important, but not nearly as important as the selection, blending and treatment of the tobacco.

That's why we keep telling you about the tobaccos used in Chesterfields. They're fine, mild, and pure tobaccos. We tell you about ageing and curing the tobaccos... about blending and cross-blending them... because they are things that count.

Chesterfields are milder. They taste better. Prove it for yourself... Just try a package.
