ELECT HAROLD HIGH PRESIDENT

CAMPAIGN MEN WILL CONTINUE COLLEGE DRIVE

Will Not Stop Until Full Amount Is Secured

TOTAL \$43,000 NOW

May Have to Keep Going All Thru Summer

Pledges received by solicitors in the Southwestern campaign had swelled the total fund to almost \$43,000 by Tuesday of this week, though the least remunerative day of the drive was experienced on Monday. Leaders stated that they were not discouraged by the "blue Monday" and expected the fund to increase much more during the week. That the drive will be continued until the goal of \$135,000 is reached was made practically sure when the vice-chairman of the committee stated that efforts would not cease until the desired amount had been reached if the drive had to be continued all summer.

Divisions have been made in the citizens' committee and the divisions separated into teams in order to facilitate the work of soliciting contributions. Meetings are held for reports of the teams and divisions and talks are made by the leaders outlining the work and giving selling points for the campaigners. The work of members of the faculty in assisting local civic clubs and speaking to art and literary groups was highly praised in a talk given Monday to the committee-men.

Ladies working in a committee of their own under the direction of the executives of the campaign have proved themselves highly competent in the obtaining of pledges and have been responsible for a large part of the contributions made to date.

On Monday the students agreed to underwrite the play to be given for the purpose of raising \$1000 to be contributed to the fund.

Butch Love Will Be Councilor At Camp

Claude "Butch" Love will serve as Athletic Director at the Memphis Y. M. C. A. Camp Napoleon Hill at Mammoth Springs, Arkansas, this summer from June 13 to July 25. Announcement of the appointment of Love to this position appeared in the Commercial Appeal Wednesday morning, the first news Butch received of his successful application.

Camp Napoleon Hill is located in the foothills of the Ozarks about two miles from Mammoth Springs, the largest spring in the world. Butch's duties will be many and varied. Most of the boys with whom he will come in contact are under sixteen years of age. Love will leave for camp a few days before June 13 to get the place in order for the opening day.

Men Drop Plan For Political Conclave

Due to the inability of some of the prospective pseudo-candidates to devote the time necessary for preparation for the occasion, the political rally planned by the Nitist Club has been called off. Plans had been made to run off an election with students acting the part of leading national political figures in the approaching presidential election. It was hoped that this would benefit the students by acquainting them with the issues prominent in the political situation now existing.

Nuts Meet Nuts

Prof. Atkinson has tattooed "Southwestern" on the left arms of his abnormal psychology pupils who will take a trip to Bolivar next Wednesday to study the inmates. The good Doctor didn't want to lose any of his brilliant scholars on the trip so he marked each and every one of them.

The gang will leave early Wednesday and spend the entire day at the asylum. Examples of each form of insanity will be shown the students and the idiosyncrasies of the patients explained. The trip is an annual event and is looked forward to each year by the class.

Prof. Atkinson reported that his wife was going along to chaperone him and to see that the keepers didn't get him.

TICKET TEAMS SET FOR DRIVE

Over 100 Students Ready To Open Sales

Tickets went on sale Monday for the play to be given by Southwestern students in an attempt to raise \$1000 to add to the fund being solicited in the city to keep the college open. A special section has been reserved for the students in the orchestra section of the Ellis Auditorium for Saturday night, May 14, at a price of one dollar each. Other tickets will be sold to non-students in prices of 50c and a dollar. Every member agreed to buy a ticket when plans for the play were first made. James Hamilton, head of the ticket committee, requested that any student, other than those who have already volunteered, who thinks that he can sell one ticket, see him and get one as there are not enough students selling them at present.

Rehearsals for the play are being held under the direction of Miss Frederica Magnus with only a week more in which to iron out the fine points. Many students have volunteered to serve in aiding the production in the publicity and other important phases of the work. Efforts will be increased next week in the sale of tickets as the time grows short. A full hall will guarantee the clearing of sufficient funds to make up the amount promised to the campaign fund.

Lily Visits

Eldridge Lily, former member of the class of 1932, visited the campus this week.

INITIATE FOUR MEN IN O. D. K.

Dine In Bell Room Prior To Formal Ceremony

Omicron Delta Kappa initiated four new men into the order Tuesday night in the Directors Room in Palmer Hall. The initiation was preceded by a banquet in the private dining room at which the neophytes and the chapter planned activities for the forthcoming college year.

Each year O. D. K. gives a cup to the alumnus rendering the most conspicuous service to the institution during the year. This cup is presented during Commencement by the newly elected President of the chapter. Although the most active alumnus was selected and plans made for presenting the trophy his name will not be announced until Commencement.

New men initiated were Harold High, James Daimwood, Louis Bornman, and Goodlet Bornman.

William Berson, James Hughes, James Hamilton, Paul Jones, John Hughes, Albert Erskine, and William Walker will be lost to the chapter by graduation.

Boosters Elect New President

At a meeting of the Boosters Club Tuesday afternoon in the Bell Room, Franklin Kimbrough was elected President of the Club for next year. He has served this year as Vice-President. Guy Mitchell was chosen Vice-President; Julia Marie Schwinn Secretary; and Eugenia Weeks, Treasurer.

At the luncheon the club discussed plans for track, swimming, golf, and tennis tournaments to be run off before the close of the college this year. A cup will be given to the fraternity winning each of the tournaments.

The Boosters Club consists of one member from each sorority and one member from each fraternity on the campus. The non-fraternity boys and the non-sorority girls are represented also.

Kimbrough succeeds Harvey Drake as President.

A. O. Pi's Dance

The alumnae of A. O. Pi will entertain the active chapter with a semi-formal dance tonight at the Colonial Country Club from 9 to 12 o'clock. Coley Stokes and his orchestra will furnish the music. The officers and their dates are: Elizabeth Ann Mahan with J. P. Hollifield; Mary Laughlin with Dabney Crump; Katherine Harris with Lip Reid; Charline Tucker with Bill Cobb; and Anita Wadlington with escort.

CO-EDS PUT ON MERRY EV'NING

Girls' Gridiron Banquet a Howling Success

The annual Y. W. C. A. banquet, the girls' equivalent of the notorious Gridiron banquet, was enjoyed by a large number of pleasure-seeking co-eds Wednesday night. Good eats and good entertainment rounded off a merry evening.

The election of "Dumbdora" and "Greta Gabbo" headed the bill. Edith Graff's candidature for the "Dumbdora" honor was zealously forwarded by her manager, Ruth Billings. A spirited fight for the "Greta Gabbo" title was waged by "T" Hudson, Olga Hartman, and Virginia Reynolds, whose campaigns were managed by Louise Nichols, Malline Lyon and Nell Jones, respectively.

When excitement over the election had subsided, an amusing pantomime, "Lord Ullen's Daughter," was presented under the direction of Sarah Elizabeth Gemmill and Jim Gautier. Olivia Reames, Pud Mahan, Jimmie Kate Johnson, Ruth McLain, Helen Gordon, Nina Stansell, Minnie Byrd Lockhart, Katherine Stratton, Jessie Richmond, Olive Black, Rosalie Keenon, Olga Hartman, and Malline Lyon had parts in the skit.

As is the custom, the installation of Y. W. C. A.'s new officers was held in Hardie Auditorium before the banquet. In the official Candle Service the torch of leadership was passed from the old officers to the new. The new officers are Malline Lyon, president; Mary Kennedy Hubbard, Vice-President; Harriet Storms, Secretary; and Thelma Worthington, Treasurer. Members of the Advisory Board, who were present at the banquet and were introduced to the girls, were Mrs. Diehl, Mrs. Rhodes, Mrs. Kelso, Mrs. Hartley and Mrs. Haden.

Bill Taylor's orchestra played for the banquet and added the finishing touch of pleasure to the evening.

Chi Omegas Dine

The active chapter of the Chi Omega sorority entertained with an informal supper Wednesday night at 6 o'clock in the lodge on the campus. Among the alumnae present were: Virginia Hawk, Marjorie Raymond, Martha McFadden, Cordelia Jones and Dorothy Baldwin.

Volunteers to Meet

The Student Volunteer Group will elect officers at their bi-monthly meeting, Sunday. The time is 3 o'clock; the place, 101 Palmer Hall. Bob Pfrangle will conduct the devotional, and Harry Champlin is to give a summary of the missionary work in South Africa.

The public is cordially invited.

Co-Eds Dissertate On Favorite Sports

Now that the boys' sports are about over for the year, the girls have begun to be athletic and have stepped into the lime light. The track meet, which took place last Wednesday, held the center of the stage for almost a month, and necessitated strenuous workouts almost every afternoon. At present, it is the tennis tournament that is causing most of the excitement. Although several girls are as yet undefeated, Grace Braun heads the list and bids fair to be the champion, unless there is some unforeseen upset.

However, opinion is divided among the other girls on the campus as to what are their favorite sports. Tuddy West said with a groan that she preferred taking intelligence quizzes to any other form of recreation. Isn't

it odd that most of the other sophomore girls feel the same way? Helen Gordon spoke up for basketball, first, last, and all the time. She says that it is worth all the others put together. Nina Stansell shyly admitted that she still liked to play jacks and tiddledewinks, but that she was afraid that she was getting a little too old for them. Charlotte Stange had rather swim, and Margaret Tallichet also likes to gambol in rippling waves.

Among the swifter lassies who race around the track and like it, are Helen Moore, who was manager of the freshman track team; Jimmie Kate Johnson, and Jane Barker. High jumpers are Margaret McNichol and Mary Fay. For both of these, the sky is the limit. Ethel Mae Rives has a powerful kick; to see her boot

a soccer ball is an education in itself. Baseball has risen to prominence in all the gym classes, but so far no one has tried to organize a team to play it in their off hours, as the great American sport is not very well liked.

Tennis ranks first according to all statistics. Dorothy Schoolfield, Sarah E. Gemmill, Red Veasey, and Hortense Louckes haunt the courts at all hours of the day. Ping Pong, tennis's little brother, goes on merrily in the score. Among its luminaries are Chrystine Gilmore, K. Stratton and Olga Hartmann. They play as often as they can get someone to buy a ball for them.

Jim Gautier is a tumbling Flash, and has practically signed a contract to join Loew's Vaudeville Circuit as the featured performer in an adagio act.

WINS ELECTION OVER FIELD OF FOUR NOMINEES

Chick Polls 187 Votes To Booth's 135

RUN-OFF NECESSARY

Bornman, Brown, Booth, and High Nominated

Thursday morning in chapel Harold High was elected President of the Southwestern Student Body for next year, by a vote of 187 to 135 in a run off with Ralph Booth.

In accordance with the new rule of the Student Council stating that defeated Presidential nominees may run for Vice-President, the President was elected before nominations were in order for Vice-President. Tuesday morning in chapel Harold High, Ralph Booth, Louis Bornman and Goodlet Brown were nominated for President.

In the first ballot taken Wednesday morning in chapel High received 116, Booth 98, Bornman 64 and Brown 55. The highest two in the voting, High and Booth, remained in the race, with a run off necessitated.

High has taken a widespread interest in activities on the Southwestern campus. He is a member of the Honor Council, the Student Council, and the "S" Club. Tuesday night he was initiated into O. D. K. He is the Captain-Elect of next year's football team and has made a name for himself in this section as one of the greatest athletes ever developed at Southwestern. He is a mainstay and star in football, basketball, and track, and was picked for the All-S. I. A. A. football team last fall. He is a member of Pi Kappa Alpha fraternity.

Nominations for Vice-President were held this morning in chapel.

Frat Cinder Meet Scheduled May 14

Southwestern's fourth annual intramural track meet will be held on Saturday afternoon, May 14, under the direction of the Boosters Club. A silver loving cup presented to the Boosters Club by Theta Nu Epsilon fraternity will be given to the winning frat team. No cup will be awarded to the winning class team.

The number of events have been cut down from the regular 14 to 11 in order that there may be more spirited competition in all of the events. There will be no javelin or discus throw or the two mile race. The order of events includes 100, 220, 440 and 880 yard dashes; broad and high jump; the mile; the low hurdles; shot put; the pole vault, and the half-mile relay.

Points will be given for the first four places won in any event. First place will count five points; second, three; third, two; and fourth place, one.

No man who has ever won a varsity letter in track or is on the varsity team this year will be eligible to compete. All freshmen who compete in the meet with Union this afternoon will be ruled ineligible.

Members of the Lynx Club will serve with certain of the faculty as officials.

Instead of the regular mile relay the Boosters Club has decided to cut the race down to a half mile, with each man running 220 yards instead of the regular quarter.

"Now!" said Dr. McCorkle, "pass all the papers to one end of the row; have a carbon paper under each sheet, and I can correct all the mistakes at once."

Irate Player—I wasn't out!
Sarcastic Umpire—Ob, you weren't!
Well, you just look at the newspaper tomorrow.

The school inspector prepared to give the students an intelligence test.
 "Now close your eyes, children."
 The inspector made a noise like a bird twittering.
 "Now open your eyes and tell me what I was doing," he said.
 "Kissing teacher," came back the reply in a chorus.

 Frank—And I wonder if I could borrow your waxes to wax our floors.

Judge to Prisoner—Say, when were you born?
No reply.
"I say when were you born? When is your birthday?"
Prisoner (sullenly)—Wot do you care? You ain't gonna give me nothin'.

A small crowd of boys was gathered about the entrance of a circus tent in one of the small cities one day, trying to get a glimpse of the interior. A man standing nearby watched them for a few minutes, then walking to the ticket taker said:
 "Let all these boys in, and count them as they pass by."
 The man did as requested, and when the last one had entered, he turned and said, "Twenty-eight."
 "Good!" said the man. "I guessed just right," and walked off.

Photographer—Your son ordered these photos from me.
 Father—They certainly are like him all right. Has he paid for them yet?
 Photographer—No, sir.
 Father—That's still more like him.

Dear Lou:
 You don't know what a break you almost got! I came very near getting to write to you I have been so excited over nominations, ballots and things. The elections went off as usual. "All hail the new president," sez me.
 I saw Charlie Crump out on the campus with the big silver cup he got for being so grand. It's really something. He ought to wear it on his watch chain, I would.
 While hastening to a class a few minutes ago I noted Frances Mitchner and Jinx strolling hither and yon over the green grass. Katy Reid and Goodlet, not far away, were engaged in earnest conversation. Fine weather we are having, isn't it?

POLITICS

Election time has come around again and the student body will be busy for the next week or two selecting all of its officers. Already the President has been picked and the Election Committee will soon announce the schedule for the other elections.

Sad to say, this campus has seen some pretty dirty politics in the years that the college has been at Memphis as well as when it was at Clarksville. When seven fraternities and five sororities exist in a school as small as this there is bound to be keen competition for the offices. There always has been this rivalry and there always will be. There is no getting around the fact that the various groups on this campus would like to dominate it if they could.

If a fraternity comes out in the open and supports its own candidates there should be no objections raised from any sources. It is natural for a fraternity to want to lead. But when three or four groups get together before the election and swap offices, when they pledge votes for your candidate if you will support their's for another office, then is the time for the student body to rise up and protect itself from being over run.

The writer of this editorial hasn't heard many rumors of a combine this year. He may be as blind as a bat but he doesn't believe that a big combine, at any rate, exists for these elections. But if during the elections such an unfair union of groups is discovered, it is the duty of every thinking student to stamp it out without a moment's hesitation.

When groups begin to swap offices the student body suffers. No candidate can be very strong if he depends for his election on pledged votes rather than on his own abilities. And the student body has no place for weak men. The men who take their chances in an open election and keep their hands out of dirty politics deserve the support of the students.

DO YOUR SHARE

Tickets are on sale for "Lady Windemere's Fan," the play sponsored by the student body to raise \$1,000 for the Campaign Fund. If you haven't bought yours, buy it immediately. You will never regret spending a dollar for such a good cause. If the entire student body buys one ticket a piece and sells one the play will go over financially. Over a hundred students have volunteered their services to sell the tickets downtown. They will have to give up three or four afternoons of valuable time. Those who are not serving on these ticket teams can speed up matters a great deal and make it easier on the ticket sellers by purchasing their tickets today. The plan of ticket sales calls for all student tickets to be bought and sold not later than tomorrow. Any delay longer than that will slow up the work of selling to the downtown people.

When the student body voted practically unanimously in chapel to give \$1,000 to the campaign fund the plan of a direct student campaign for the money was advanced. If that plan had gone through every student in this college would have been called on to make an out and out gift of about \$3.00 to the fund. By buying a dollar ticket the Southwestern student will not only help the college but will get more than his money's worth in good entertainment.

The cast has been working long and hard on this production and it is almost ready for presentation. When you buy a ticket you will be sure of seeing a well directed, skilfully acted play, not a slipshod, listless performance. It is safe to predict that this play will be as good, if not better, than anything of its kind produced by amateur talent in this city. It would be a fatal blow to Southwestern's prestige and Campaign Fund if the student body didn't turn out 100% behind its own production.

The sophomores look like they are tired and weary. One of them told me that the Exam Dr. Atkinson gave they was awful, and that they were all wondering what they had done to incur such wrath.

The girls' gridiron banquet came off in great style last night. Every one was there. Dumbdora and Greta Gabba, especially, were enjoying themselves.

I must go as I am anxious to get back to selling tickets for the play. I'll write you as usual every week.

TRACK MEN DO WELL AT BAMA

Porteous And High Score In A.A.U. Meet

Two of Southwestern's representatives in the Southeastern A. A. U. meet last Saturday made quite a creditable showing. Clarke Porteous, sophomore flash, finished second in the mile, run and Harold High came up third in the 880 yard dash.

The Lynx team scored five points to finish fourth in the competition. The meet was won by Alabama Polytechnic Institute, Auburn, which scored 49½ points. Other teams who scored were Georgia, 31; Alabama, 27½; Presbyterian College and Tennessee, 8; Georgia Tech, 5; Vanderbilt, 3; Birmingham Athletic Club, and Lincoln Memorial, 1.

The Lynx had four representatives in the meet. They were High, Porteous, Cloor, and McGaughran. Other Lynx representatives failed to score points. Smith, Alabama 100 yard dash expert, covered the course in 9.9 seconds to tie the Southeastern A. A. U. records for the century.

One of the stars of the meet was Osman, Presbyterian College sprinter, who performed in the S. I. A. A. track meet here last spring. He finished second in the 440, an event he won here last spring. The winner of the two furlongs ran the distance in 50.7, which is only a few seconds short of the southern track records.

The high scorer for the meet was Richey of Auburn. He finished first in the 220 low hurdles and the 120 high hurdles, covering the latter distance in 15.5, and he also tied for first place in the high jump. He made 14 points for individual honors.

Tri Deltas Have Tea

The active chapter of the Tri Delt sorority was entertained with a tea Thursday afternoon at the home of Mrs. Curtis Parham on Court Avenue, from 3 to 5 o'clock. The sorority colors, silver, blue and gold, were used in the decorations and spring flowers adorned the center of the tea table. Charlese Pepper and Ida Banks assisted in serving.

Announce Engagement

An engagement of great interest to students on the campus is that of Virginia Hawk, former Southwestern student and member of the Chi Omega Sorority, to Harry Walton, S. A. E. and former Lynx Captain. The wedding will be solemnized some time in the early part of June.

What a Man!

Joe Wells, Southwestern's miniature giant, who spends his leisure time wrestling, showed his prowess to a field of wrestlers in the Commercial Appeal-Catholic Club tournament by winning the title in the middle-weight division. Wells defeated a Memphian by the name of Oliver to win the title in the finals of the tourney.

Little Joe did not throw his opponent but gained a judges' decision over the Memphis lad. Wells also was given a vote for the best all-around wrestler in the tournament. He tied with three other wrestlers for the award.

Will Sponsor Golf

Inter-fraternity golf will start May 16 with representatives of each group who have been entered. The meet is being sponsored by the Boosters Club.

The schedule for the meet is Kappa Alpha vs. Non-frat; Kappa Sigma vs. Theta Nu Epsilon; Beta Sigma vs. Alpha Tau Omega; Sigma Alpha Epsilon vs. Pi Kappa Alpha. First round matches will start on the afternoon of May 16. All frosh golf players are ineligible. Also all men who have earned letters in varsity golf are ineligible.

Bill Taylor And His Collegians Soar To New Heights Over Station W.R.E.C.

Sobbing Saxes and Harmony Hounds Make Local Lads the Talk Of the Critical College Crowd

"If you don't like my peaches, don't you shake my tree." At least so say Bill Taylor and his Collegians, with moaning trumpets and sobbing saxes.

These tantalizing toe ticklers are plenty hot. They can toot their own horns, too, and if ye writer didn't have to pound out this infernal copy, he would let it go at that.

Every Saturday night these boys keep time at the Fifteen Club dance, and, gentle reader, if you're going to keep time with these harmony hounds, you gotta move fast.

Every Tuesday night, from 7:00 to 7:30, the Collegians go on the air over WREC. This Tuesday they introduced another one of their originals, "Laughing to Hide My Tears." Bill Taylor himself is the composer, and the orchestration has been done by Armistead Brown, formerly of Tupelo, banjoist and arranger wuxtraordinary.

This is only the beginning. The Collegians are always booked several weeks ahead of time for dances throughout the village, and Saturday isn't the only day Louis Nicholas yawns through the Doxology.

This summer the Collegians are going on a tour through the Mississippi Valley. They already have a heavy booking for the trip. They are going to play at the Casino, too.

Fraternity Racquet Meet opens Monday

The annual inter-fraternity tennis meet sponsored by the Boosters Club will start Monday. Representatives of the various frats and the non-frat group will be entered. All students having made a varsity letter or who are members of the freshman tennis squad are ineligible.

Franklin Kimbrough, president of the club, announced the schedule yesterday. First round pairings are Kappa Sigma vs. Theta Nu Epsilon; Alpha Tau Omega vs. Non-frat; Kappa Alpha vs. Pi Kappa Alpha; Sigma Alpha Epsilon vs. Beta Sigma.

The winner of the tournament will receive a silver loving cup. Each match will consist of two singles and one doubles match. Each match will be two out of three sets.

Lynx Cinder Men Take On Ole Miss

FROSH TAKE ON UNION BULLPUP

Meet This Afternoon At 3 O'clock On Fargason

The Bobcats will have their first track meet of the year when they meet the freshman team of Union University this afternoon on Fargason Field at 3 o'clock.

The first event of the meet will be the 100 yard dash which is scheduled to start at 3 o'clock.

Seven men will compete in the meet for the Bobcats. All have been in training for more than six weeks in preparation for the meet this afternoon. Union's strength is unknown as they have not engaged in any meets so far this year.

Mack Givens will run the 440 yard dash and the high hurdles for the frosh. The two "Reds," Forman and Smith, will run the 100 yard dash and the 220. John Barnes is scheduled to run the low hurdles, do the pole vaulting and the high jumping. Harold Thomas and Phil O'Donnell will take care of the distance races, with Thomas running the mile and possibly the two mile and O'Donnell running the half mile. In the weights,

LYNXCATS BEAT OLE MISS MEN

Local Racquet Stars Put Skids To Opponents

Southwestern tennis players defeated the netmen of the University of Mississippi last Saturday on the Beauregard courts by the score of three matches to two. The matches were originally scheduled for the Southwestern courts but the rain caused the change of scenery.

The Ole Miss team won both of the doubles encounters but did not score in the singles matches. The Lynx team of Daimwood and Jones were defeated by the Ole Miss duet of Noblin and Marsalis after a very hard fought match. The scores were 6-2 and 6-4. The other Mississippi doubles team of Green and Faulkner defeated the Lynx team of Hines and Oliver by the score of 7-5, 2-6, and 9-7.

Givens will put the shot and Paul Strong will throw the javelin.

Coach John Miller stated this week that he had not been able to line up any more meets for his charges, but is making an effort to schedule at least one more this year for the frosh.

The Bullpups arrived this morning by auto from Jackson, Tenn.

LYNX NET MEN PLAY LAMBUTH

Will Journey To Jackson For Racquet Battle

Southwestern netmen will meet the netters of Lambuth College at Jackson, Tenn., tomorrow afternoon. The meet will be the second between the two colleges in the past two years. Last year the Lynx met the Eagles net team on the Southwestern courts.

Five tennis players will make the trip to Jackson to engage the Lambuth team. Those making the trip will be Capt. Jimmy Daimwood, Paul Jones, Lee Hines, Dan Ross, and Henry Oliver. Four singles and two doubles matches will be played.

The doubles teams will be composed of Hines and Oliver on Lynx team No. 1, and Jones and Daimwood on Team No. 2. The singles entries will be Jones, Daimwood, Hines and Ross.

The Lambuth team is quite a formidable aggregation and will have the Lynx running to all corners of the court. The Lynx have had a very successful season so far. They have defeated the teams of Ole Miss, Millsaps, Mississippi College, and the Bobcats.

I'm The Gink

I'm the Gink who can't take a joke. I like to sit back and grin when the toastmaster makes a crack about some other professor but when he tries to kid me I can't stand the gaff. I don't know why I'm that way. You wouldn't think it of me since I'm still in my twenties and like to be with the boys. I went to that Gridiron Banquet expecting a good meal and a few little funny talks. I got the meal all right and a pain in the neck. Why the jokes weren't even nice.

But I sure got back on that gang of roughnecks in chapel one morning. Although I was supposed to be conducting the religious services in a reverent manner I prefaced my scripture reading with a raw touch of sarcasm about the banquet that really got under their skins. Those naughty boys really ought to be spanked, they are such meanies. Oh, dear, I never heard such language.

JUDGE—ARE YOU GUILTY?

Jack Burnett Expected To Burn Up Track

Southwestern's final home stand against foreign track teams will be made tomorrow afternoon at 2 o'clock, when the Lynx thinclads meet the track team of the University of Mississippi at Fargason.

The Lynx team will depend for a large part of its showing on whether or not Herbert Newton, Amite flash, is able to compete. It is still doubtful whether or not he will be able to run. However, if Newton can compete, the Lynx stand a good chance of defeating the Red and Blue aggregation.

The meet will be by far the biggest engagement of the year for the Lynx. It will be the second Southern Conference foe that the Lynx have met this year. They were recently defeated by the strong Vanderbilt track team.

The coming of Ole Miss means the showing of Jack Burnett, sophomore flash of the visitors. Burnett last year tied the world's record for the 100 yard dash twice and once this year he has come within one-tenth of a second of tying it. Last Saturday he ran in the Drake Relays at Des Moines, Iowa, and won his heat in the trials and finished fourth in the final competition.

The Lynx are not without their stars. They will have Chicken High to run the 100, 440, and 880. High last week finished third in the Southeastern A. A. U. meet in the 880. Carol Cloar will probably be teamed with Newton in the 220 and the broad jump.

The middle distances are the places where the real battles for supremacy will be waged. Clarke Porteous and Riley McLaughan are a very formidable pair of runners and no doubt they will give the Ole Miss runners something to think about during the afternoon. The Ole Miss team also has some excellent distance men.

The Red and Blue will have the advantage over the Lynx in the field events. They have a whole crew of excellent field men to throw into the fray. However, if Newton, Knight, Bearden, Hebert, and Scott are right, they will stand good chances of winning.

It was 2 a. m. The car had been parked in the farmer's driveway for several hours. Finally, a voice called: "Hey! What's the trouble out there? Got a flat tire?"

"Heck no," came a muffled reply. "You think I would still be here if she was."

DO YOU INHALE?

Why is this vital question so much avoided by other cigarettes?

EVER since Lucky Strike created that special process for purifying fine tobacco and told the full facts about cigarette smoking—the industry has been in an uproar. For Lucky Strike has dared to mention things that were considered "taboo" in the cigarette trade.

You may have noticed a striking avoidance generally of the word "inhale" in cigarette advertising. Why? Goodness only knows! For everybody inhales—knowingly or unknowingly! Every smoker breathes in some part of the smoke he or she draws out of a cigarette.

That's why it's all-important to be certain that your cigarette smoke is pure and clean—to be sure you don't inhale certain impurities.

Do you inhale? Lucky Strike has dared to raise this vital question—for it gives you the protection you want... because certain impurities concealed in even the finest, mildest tobacco leaves are removed by Luckies' famous purifying process. Luckies created that process. Only Luckies have it!
