## LYNX FACE MILLSAPS TOMORROW

### LYNX DEBATERS TO MEET TEAM FROM IRELAND

Foreigners To Be Met December 5

### ARGUE IN HARDIE

Forensic Club To Elect New Members

The Southwestern Forensic Society will open its season's activities with a debate against Trinity College of Dublin, Ireland, on Dec. 5. As this will be the feature debate of the year, the Lynx will put their strongest men on the platform in the hope of subduing the "Fighting Irish."

#### LYNX PRIVILEGED

Trinity College is being brought to the U. S. under the auspices of the National Student Federation, the same organization that brought the Oxford debaters over last year. As yet no question has been decided on, but five are being considered. Southwestern is very fortunate in being hosts to these debaters as they are one of a limited number of colleges in America that will have the privilege of hearing these boys.

#### CLUB MEETS

At the first meeting of the club fifteen members were present. It was decided to have intra-mural debates among the members, the first of which will be held on October 19. The question is "Resolved: That the Republican Party should be returned to power in 1932." Robert Walker and Morys Hines will uphold the affirmative, while Dickie Dunlap and Earl Christian will defend the other side of the question.

### FROSH TO BURN HATS SATURDAY

To Be Destroyed During Halftime

"Believe it or not," the day long awaited by the freshmen will arrive tomorrow. During the half of the Millsaps game, the first year men will burn their straw hats beneath the Majors' goal post. This ceremony will end a three weeks period during which the freshmen were forced to wear the tokens of submission. Fred Bearden, High Priest of the San Hedrin, warns every freshman to have a hat to burn.

After the pile has been lighted, the eds will proceed to the center of the field where they will take off their shoes and then go to the opposite end of the field under the Southwestern goal post. They will wait here for a signal which will send them flying down the white lines to the shoe pile. The last man to recover his shoes and get to the Millsaps goal post will get a tally.

### "Exclusive" Group To Have Breakfast

The A. P. O. "exclusive" society will have a breakfast at the lodge of the Alpha Omicron Pi sorority tomorrow morning at 7:30 a.m. The affair will honor the new members of the group.

### NEW TRI-DELTA LODGE

The above is an architect's drawing of the new Tri-Delta house which will grace the bonds of sorority row within the near future. Contracts have been let and the structure will be started very shortly.

The house will cost \$10,000 and will be built next to the Chi Omega lodge. It will be of Gothic design and will be two stories. The living room, pledge room, kitchen and bath will occupy the first floor, and the chapter room will be on the second floor. The house will be built of rubble stone and sandstone.

### UNION PLANS PARSON'S CLUB BIG STEAK FRY PLAN ANNUAL

Students To Roast Beef Tuesday, Oct. 18

The Southwestern Christian Union will sponsor a steak roast that will be held Tuesday evening Oct. 18. The roast will be held at a cabin at Raleigh, Tenn.

The Christian Union decided to limit the number of students attending the roast to 50, as more than this number can't be accommodated. Tickets for the affair will be 50 cents per person.

#### LEAVE AT 5 P. M.

The students will leave the college after assembling at Robb Hall at 5 p.m. Tuesday. They will go in transportation furnished by the Union to Raleigh. The steak fry will be over at 8 p.m.

Russell Cross has been appointed chairman of the ticket sales committee, and he announced this morning that the tickets will go on sale Monday morning.

The transportation is in charge of Russell Perry, and all students who are contemplating taking their cars on the outing are asked to see him as soon as possible.

The steak roasts are always one of the biggest things sponsored by the Union each year. Last year, the Union had more desiring to go than they could accommodate. Students are asked to purchase their tickets early and be sure of going.

Cross Is Editor; Andrew Edington Manager

The Ministerial Club has decided to have a year book, which will take the place of the "Lynx" for the club members. Russell Cross has been elected editor with Andrew Edington as his assistant and business manager.

#### PLANS MADE

Plans have been made, and work will be started immediately. Cross has already conferred with several printers, and contracts will be let in the very near future.

#### LARGE BOOKLET

The book will be composed of pictures of each member, a list of his activities, and several pages of articles and snap shots. The book will be about fifty or seventy-five pages, with a flexible leather back. It has not as yet been named.

### "Y.W." To Convene Thursday At 2:30

Malline Lyon, president of the Y. W. C. A., announced yesterday that the Y. W. would meet Thursday afternoon at 2:30 p. m in Hardie auditorium to transact some business.

Miss Lyon urges that all members of the organization be present for the meeting, as urgent matters are to be brought up for discussion.

### CO-EDS SPEAK LIGHTLY OF LOVE

Co-eds are certainly peculiar—especially Southwestern co-eds. Out of thirteen interviewed four confessed that they haven't the slightest idea of what love is. Ella Kate Malone, Peggy Walker, Ann Sullens, and Kathryn Harris just don't know.

#### CAN'T DESCRIBE IT

Kathryn claims that it is a serious thing, but she don't know how to describe it. She was probably holding out on us, because if anyone knows what it is Kathryn should.

#### A MEAL TICKET

The rest of the thirteen have different ideas regarding this most important (to women) subject. Sara Gemmil thinks that it is something that makes a man want to be a woman's mealticket.

#### LOVE A FIRE

Dixie Hess says that love is a fire on which no one has any insurance. Julia Marie Schwinn states that it is one fool chasing another. Grace Braun is sure that love is something that twists you in a knot and fails to untie you.

#### CONDEMNS LOVE

Southwestern's freshettes, as freshettes usually do, differ from the other co-eds in their ideas pertaining to this most important subject. The freshettes know what love is, and they don't mind admitting it. Freshette Davis condemns love heartily—she says that it's a lotta baloney. Don't take it so hard, Marjorie, maybe you will have better luck next time.

#### A FUNNY THING

Freshette Taylor says that love is a funny thing, but it hasn't tickled her yet. Just be patient, Anne Brown, just be patient. Freshette McSpadden says that love is a little sighing, a little crying, and a h— of a lot of lying.

#### ANOTHER ANGLE

Freshette Watson says that love can be contrasted with life, because life is just one thing after another and love is just two things after each other.

Freshette Painter is not sure what it is, but she thinks that it is a feeling that hurts. A few seconds later she sighed and said, "But, Oh, what a hurt!"

### LYNX PLAYERS MEET MAJORS SELECT THIRTY TWO MEMBERS

Seventy Aspirants Try For Membership

Thirty-two Lynx students were admitted to the Southwestern Players at the tryouts held last Monday. Those who were chosen were selected from a group of 70 aspirants. The Players have an unusually large number of active members this year, and within the next month will present three one-act plays.

#### TECHNICAL STAFF

The club is fortunate this year in having a technical staff to aid in the actual production of the plays. Adelia McConnell, and Mary McDonald Edkins were selected to have charge of the "make up," while Thomas Mills and Tom Woods will take care of the stage arrangements.

#### NEW MEMBERS

The freshmen selected for membership were: John Jordan, Richard Thomas, John Hines, Douglas Grymes, H. S. George, Pat Duffee, George Hymers, Herman Bass, Richard Alexander, Maurice Carlson, John Farley, Leslie McKee, Clark Porteous, Robert Neil, Gordon Fox, Marjorie Davis, Savilla Martin, Gladys Jane Caughlin, Boyce Leigh Sadler, Edna Barker, Corinne Hughes, Frances McDaniel, Therese Canale, Dorothy Schoofield, Margaret Clay Faulhaber, Kate Galbreath, Priscilla Painter, Sally Griffin, Eleanor Trezevant, Virginia Watson, Frances May Weatherall, Cornelia Henning.

### NITISTS MEET WED. AT 8 P. M.

Oliver To Read Paper On Third Party

The Nitist club meets for the first time at 8 P. M. Wednesday, Oct. 12, in the Bell Room. Dinner will be served, and a paper read by Henry Oliver on the subject, "The Third Party Movement In the United States." Popular interest centers around this topic because of the advance of new parties which are making their presence felt in the coming presidential election.

Ordinarily the Club limits its refreshment to coffee, the food of thinkers, but the philosophers are making a special occasion of the first meeting.

In the future, the club will meet at 7:30 P. M. on Wednesday instead of the hour on Thursday night, as in former years.

### MEET MAJORS IN OPENING OF LOCAL GAMES

Strong Purple and White Team Coming

### BIG CROWD EXPECTED

Initial Dixie Foe For Southwestern

Southwestern pigskinners will have their initial Dixie Conference clash tomorrow afternoon when they meet the strong Millsaps College team of Jackson, Miss. The game, which marks the opening of the home schedule of the Lynx, promises to be one of the best games of the season and a large crowd is anticipated.

#### MILLSAPS STRONG

The Millsaps team by virtue of a smashing 27 to 0 victory over the Mississippi State Teachers last week comes to Memphis with a good chance to give the Lynx team a drubbing. The two teams are very evenly matched, and all indications point to a real clash when the two meet.

The Majors have an excellent backfield and the Lynx will have a job stopping the off tackle slants and reverses that the visitors specialize in their attack. Frank Davis, who played excellent basketball against the Lynx last winter, is one of the main cogs of the Major backfield. He is very fast and shifty.

#### MATCHED LINES

The line of the Millsaps aggregation is practically the same weight as the Lynx team and a real battle between the forwards seems to be in the offing. However, the difference between victory and defeat will be told in the one who has the best offense, as both teams haven't such excellent defensive powers.

Probable lineup:

Lynx	Pos.	Majors
Barnes	LE	Stone
McCollum	LT	Richardson
Fox	LG	Tynes
McCormick	C	Pierce
Bearden	RG	Morrison
Hebert	RT	Womack
Perrette	RE	D. Davis
High	QB	Holloman
Newton	HB	F. Davis
Pickens or Womble	HB	Felder
Knight	FB	Anderson

### CROSS ELECTED TO. S. C. UNION

Perry Elected From Staff Of Sou'wester

The Southwestern Christian Union held a meeting Monday at which time they elected Russell Cross to membership. The Christian Union has in the past sponsored entertainments for the student body, and plans are being made by Robert Pfrangle, president, for bigger and better times this year.

From the Sou'wester staff Russell Perry has been elected to membership in the Union.

#### MAKE PROGRESS

Pfrangle states that the work for the coming year planned at the recent retreat has been progressing rapidly. They are looking forward to a very successful year in the Union and hopes that the students will take as much interest this year as they did last.

**KAMPUS KRAX**

Bright Guy (to carpenter nursing thumb): "Don't you know how to keep from hitting your finger?"  
Carpenter: "No, how?"  
Bright Guy: "Why not hold the hammer in both hands?"

"Well, Freddie," said his mother, "did you learn anything new at school today?"

"Yessum, I got on to a new way o' 'gettin' out o' school fer an hour, by snuffin' red ink up me nose."

Telegram from wife to hubby: "Dead broke, landlord insistent. Wire me money."  
Answer: "Am short myself. Will send check in a few days. A thousand kisses."

Reply from exasperated wife. "Never mind money. The landlord is more than satisfied. I gave him one of the kisses."

"How much for dose collars?"  
"Two for a quarter."  
"How much for vum?"  
"Fifteen cents."  
"Giff me de odder vum."

Mistress—"Mary, your young man has such an air of braggadocio about him."

Mary—"Yis, pore lad, he worruks in a livery stable."

Teacher: "Grace, why were you not in school yesterday?"  
Grace: "Pleath, Mith, Mother wath thick, and I had to thay at home."

Teacher (afraid of contagious diseases): "Mercy, what was the matter? What did the doctor say it is?"  
Grace: "He thayth itth a boy."

Stranger in Arkansas — "What do you call that?"

Native—"Razorback hawg, suh."  
Stranger—"But why is he rubbing himself against that tree?"  
Native—"He's stropping hisself, suh, just stropping hisself."

Dressed in her Father's trousers, A silly maid one day

Went and eloped with a fellow:  
What will the papers say?

Read then the startling headline  
(Such are the whims of chance)  
That sprang next day from the presses,  
"FLEES IN PAPA'S PANTS."

Walter to Bob Walker, who is rather particular about the way his steak is cooked—"And how did you find your steak, sir?"

Bob—"I just rolled over the potato, and there it was."

Mistress—"Liza, I hear that you gave your new daughter an unusual name. What was it?"  
Liza—"Well, you see her pappy's name am Ferdinand and mine is Liza so we just named her Fertilizer."

Frosh Dinwiddie says he wishes he were half Irish and half Jew because an Irishman is always wantin' a half a dollar and a Jew always has one.

Davidson—"And so the legion of demons entered into the swine."

Hinky Jones—"And was that where they got the first deviled ham?"

**PEALING BELLES**

Two maids by the river were kneeling, To disrobe for the swim they were stealing.

Said the owl in the tree,  
"How'd you like to be me?  
When the belles of the village are peeling."

Mother—"Now Billy, say grace after your breakfast."

Billy—"Fanks for my b'ekfast."

Mother—"But Billy, that wasn't much of a grace."

Billy: "Not much of a b'ekfast."

**THE SHORT, SHORT STORY OF THE WEEK**

A man named Elijah had some bears and lived in a cave. Some boys tormented him. He said, "If you keep on throwing stones at me I'll turn my bears on you and they'll eat you up." And they did and he did and the bears did."

The Editor says these jokes have been favorites of his for some time. The first time he heard them he laughed so hard he kicked the football off his crib.

Lawyer—Rastus, I find that I can get you a divorce.

Rastus—How's dat, sir?

Lawyer—Well, I found out that your wife's father didn't have a permit to carry a gun.

**OUR PEP BAND**

The Southwestern pep band will make its first appearance Saturday at the Millsaps game. The college has long needed an organization of this kind, and an earnest effort is being made on the part of Bill Taylor and the thirty men to complete this vacant link in the school's well-rounded chain of student activities.

Numerous attempts have been made in the past to develop a band of real merit, but due to caustic criticism or lack of interest on the part of the students, these trials have terminated in failure. If the student body will lend its support and applause to the efforts of these men, it will only be a matter of several weeks before a band, snappy both in appearance and performance, will be the feature of the Southwestern cheering section.

The Purple and White Band of Millsaps will take part in the Main Street parade Saturday. This group is a good example of what can be attained by the band in a college the size of Southwestern. Lend your support so that we may send a band to Jackson next year that will surpass that of the Millsaps Majors.

**Just a Bit of Dorm Life**

**Calvin Hall**

It was "all quiet on the Calvin front" Monday afternoon; but Monday night it was a different story. It seems that a certain freshman in the dormitory became mechanically inclined, and decided that he would experiment with a victrola.

Said freshman began by removing a spring from the apparatus and then a dam broke loose. Sad to relate, whenever the spring was put back in place, it retaliated by freeing itself from its original position with an unearthly sound.

Charles Hamilton said things would not have been so bad had not Professor Bassett appeared on the scene. Naturally the "dear prof" restored order.

**PLAY CHECKERS**

Chancing to be in the social room yesterday and discovered Berry Holt and Clarke Thomas engaged in the time-worn game of checkers; however Coca-Cola tops served in the place of checkers. So interested were the boys in the game that they were reluctant to talk of the news of the dormitory.

Happened to see Banks Christian, and asked him what the boys did in the evenings to amuse themselves. "Bull sessions" was his reply. This type of discourse is taking the college by storm.

The Calvin habitues are preferring to stand this week instead of sitting. Why? That's simple; there has been "tallying." If a freshman is so ignorant as to displease an upper-classman, there is always the paddle to settle scores.

Nevertheless, the boys have something to be thankful for, since High Priest Bearden resides in Robb Hall. Of course Robb is next to Calvin but a strong nine inch wall separates the two buildings, and even Bearden cannot burst through a nine inch wall.

**Evergreen Hall**

The Dormitory was well represented at the Union game and great was the rejoicing over being allowed out on Friday night.

The radio has been fixed—that is, enough to be heard—but oh, those awful noises! Won't someone please do something to the "radio bugs" that insist it should be played no matter how it sounds?

**MONOPOLY**

Susie-Ellen and "Dean" (who found out it's a free phone) have just about gotten a monopoly on our telephone and here the others voice their complaint and beg for a chance at it too.

'Tis said that nothing can make a girl as happy as being in love and since last Sunday night the girls in the dorm all believe it to be true. This belief is founded on fact and if you want proof just be around next time "THE" boy friend from THE home town comes to Memphis unexpectedly.

Mary Merhle, Margaret Schied and Thelma Worthington were lucky enough to find rides and spent the week-end in their home towns.

**Robb Hall**

Robb Hall has been teeming with activity. The Frosh decided that they didn't like the way they were being treated and decided to emulate the fair freshettes by revolting. The trouble was that they couldn't gain sympathy as readily as members of the fair sex can.

The boys of '36 were surprised in the Social Room burning their hats in the grate. Needless to say, they were properly attended to. Rumors are out that "Burly Fred" Bearden is on the spot, but as this goes to press he has managed to elude the frosh "He-men."

Robb Hall resembles a hospital as well as a battlefield. Reed Brock, Rodney Baine, and Ed Turner are on the sick list. Robbites are wearing broad smiles because they are getting a rest from the bane of their existence—Rodney's fiddle. However, the rest of the school hopes that these boys will soon absorb enough pills to be on their feet again.

**Honor Council To Hold Frosh Election**

The Honor Council will hold a meeting on October 17 to nominate four freshmen, two girls and two boys, for membership. From this number, the Freshmen Class will elect two.

The Freshmen are the only class which may not make nominations from the floor.

**Campus Candle**

Right about now we are feeling very footballish. Ever since the varsity went up to Jackson and took 'em down (this last in honor of Cheerleader Tate) and the Bobcats ran skewiff over Tech, we point with pride to our teams. Come on, Millsaps!

At the Chi Omega party the other night, a crowd gathered around to watch Boyce Leigh Sadler and an unidentified freshman go through an intricate routine of dance steps. That little girl can evermore trot. It must be that Louisiana climate, because Bearden has long been one of our nominations for a suh-well dancer.

*We like the way Alec "Violets" Gilliam plays the piano. More soon and often! I hope you like it!*

The Pi's, bless their hearts, brought out two new members Tuesday. Weetie Coppedge and Kate Galbreath were the lucky gals to don the green and white. Very excellent taste on the part of the Pi's and if that sounds remotely like a pun, we beg your pardon.

Bill Taylor's College Club was lots of fun and everybody was there, but will someone please tell us why Virginia Watson, right in the middle of the soft lights and sweet music, not to mention a crowded floor, let out that awful yelp?

We promptly stuck our newsy nose in to discover the whyfore, but to no avail. Very mysterious, my dear Watson, have you no explanation?

### Haygood, Porter, Naill Are Elected

The freshmen class elected all three of its officers from Memphis this week. Jimmy Haygood, Jr., is the president; Jerry Porter, vice-president; and Sarah Naill, secretary and treasurer.

### Lab Assistants Are Appointed By Profs

The science department announced the list of laboratory assistants this week. The assistants for the chemistry students are Raymond Brown, Charles Maxey, and Riley McGaughran. Maxey is serving as storeroom clerk.

Two aides have been named by the biology department. Vernon Pettit and William Hunt are the biology assistants. Hunt served as an aide last year, as did McGaughran and Brown.

### Athletic Books

Students will have until 12 o'clock Saturday to get their Student Activity Books. Those who do not have their books will have to pay to get in the Millsaps-Southwestern game.

"Miss Grey, would it be proper to kiss a young lady's hand?"

"It would be decidedly out of place."

## June Graduates Scatter Far And Wide Taking Up Life's Pursuits

### Some Labor, Some Take Up Graduate Work, While Others Do Varied Jobs

After we emerge from the portals of this honorable institution, what then? Most of the graduates of last year have settled on something to do. A number of the masculine members of the class are continuing their studies.

Among them are Albert Erskine and John McFerrin. John has gone to the University of North Carolina and Albert to Vanderbilt. Jimmy and Johnny Hughes are still nearby, as they are enrolled in the Medical school of the University of Tennessee. Joe Wells is at Tulane studying to be a doctor also.

### WALKER COACHES

Bill Walker will spend this winter coaching football and teaching school at Leland, Miss. Two of the girls of the class are also teaching, Miriam Heidelberg at Webb, Miss, and Elise McDaniel somewhere in Arkansas.

### A HOSTESS

Mary Pond has a position as hostess in a museum in Atlanta, Ga. Three of the girls have gone into the real business world. Nell Jones is working in an office after enjoying a trip to Europe this summer.

Virginia Richmond is working in a downtown store selling things, and

Frances Durham is working on a newspaper. Marian Pape plans to spend her time this winter knitting.

Most of the boys have gone to work. J. P. Hollifield is with Standard Oil, and Dabney Crump is with a cotton firm. Bob Sanders has been the object of much envy this summer, as he has been driving a swanky ambulance. Hinky Hinson has also been working here, but Jimmy Hamilton plans to trip off to New York soon. The class of 1932 will soon be scattered all over the country.

### Misses Cleveland and Smith Sponsors

Kate Cleveland and Dorothy Smith have been named sponsors for the Southwestern-Millsaps game. They will take a prominent part in the parade and occupy seats of honor at the game.

## PARADE WILL BE TOMORROW

### Will Start At Ellis Auditorium At 12

Lynx students will make the Main St. "drag" Saturday morning when the entire student body will turn out in honor of the Southwestern-Millsaps football game. The faculty consented to drop the 11 and 12 o'clock classes on that day so that everybody may attend.

The parade will start at Ellis Auditorium and will proceed down Main street, stopping at Main and Madison to spell "Southwestern."

### WEAR PAJAMAS

The Freshmen will take an active part in the ceremony. Clad in pajamas of every color in the rainbow and some not in the rainbow, the freshmen will lead the procession.

The Southwestern band will provide music for the occasion. Numerous stunts and floats have been planned and a big turnout is expected.

## Chi O's Celebrate On Founders' Day

### Alumns Hold Big Event Tomorrow

The Chi Omega alums are very enthusiastic over their plans for a Founders' Day celebration tomorrow. They are going to start a custom that is new not only to their own sorority, but to all other fraternities and sororities on the campus.

The new idea consists in having a genuine old-fashioned Homecoming. Many former Southwestern co-eds, both from Memphis and out-of-town are expected to be present at the celebration.

### ATTEND GAME

They will attend the Southwestern-Millsaps game, and later will go to the Chi Omega lodge for supper. There is a possibility that their very famous alum, Dorothy Jordan, may be down as rumor has it that she is in Tennessee right now. If she does come, the Chi O's will certainly have a big celebration.

## Wadlington Is New T. N. E. President

### Pledges Elect Wiley Jones Leader

Since Robert King, president of T. N. E. last year, did not return to Southwestern this fall the presidency of the fraternity has fallen to Jim Wadlington.

The other officers are: Scudder Smith vice-president; Robert Orr, secretary, and Harvey Creech treasurer. The pledges have elected Wiley Jones, president and Berry Holt secretary.

## FOUR NAMED ON ADV. STAFF

### Assistant Manager To Be Named Later

Tom Holloway, business manager of the Sou'wester, announced yesterday the members of the advertising staff. They are Joe Moss, Herman Baker, Tom Underwood, and Ed Turner.

There are several more places open for those who are interested in getting on the staff. During the next six weeks the assistant business manager will be selected. This position will be given to the one who has gotten the most advertisements and has done the best work.

## Dr. Harris Talks To Ministers' Club

Dr. C. J. Harris talked to the Ministerial Club at its regular weekly meeting in the private dining hall of Neely Hall, Tuesday evening.

James Gregory presided over the business meeting, which was taken up with the reading of the minutes of the last meeting, a discussion of a year book, the program which was given Wednesday evening at Campbell's Clinic, and the program for next week, at which time Dr. McCaslin, the new pastor of Second Presbyterian church will address the club members.

## UNION GROUP WILL SPONSOR FOUR VESPERS

### Each Class To Have Charge of Service

### COMMITTEE IS NAMED

### Dates Selected, But Not Speakers

The Southwestern Christian Union is planning to hold four vesper services this year, Robert Pfrangle, president, announced yesterday. A committee has been appointed to have charge of vespers. It is composed of Nell Davis, Louis Nicholas, James Gregory, and Russell Perry.

The Christian Union will try a new plan in conducting the service this year. Each of the four classes will have charge of one vesper. The Christian Union is composed of all the students in the college and at each service the members of one class or another will have particular responsibility of seeing about the service.

The senior class will have charge of the first service which will be held Oct. 23. The second service will be in charge of the junior class, and it will be held Dec. 18, the Christmas vesper. The third vesper will be in charge of the sophomore group and will be held Feb. 26. The last service will be under the direction of the freshman class. It will be held April 9, and will be the Easter vesper service.

The speakers for the services haven't been selected. They will not be chosen until the time for each service draws near. The Y. W. C. A. will have charge of the decorations for the vespers, and Louis Nicholas will have charge of the musical part of the services, assisted by the college choir.

## HIKING CLUB HOLDS OUTING

### Olive Black Winner Of Treasure Hunt

Last Wednesday afternoon, a group of Southwestern co-eds, who are members of the Hiking Club enjoyed a Treasure Hunt in Overton Park. Olive Black found the valuable treasure in a stump in a bridle path. After the hunt, the girls returned to school where a contest was played which Margaret Newton won.

Next week a hike is planned to be held in Riverside Park when a wienie roast will also be enjoyed. Grace Braun will be in charge of one division, and Olive Black of the other. All girls are invited to attend.

## Overholser To Lead Bible Class Sunday

James Overholser, chairman of the program committee, will have charge of the program at the meeting of the Men's Bible Class Sunday morning, in the Lecture Room in Science Building.

The program is to be a continued discussion of the Presbyterian church, using as its basic text Dr. Walter Lingle's book, "Presbyterians, their History and Beliefs." The following program has been arranged for Sunday:

Song Service—led by Louis Nicholas.

Scripture Reading—Bob Pfrangle.

Prayer.

Introduction to Lesson—By Leader.

The Presbyterian Church in Scotland—Mr. Silcock.

The Presbyterian Church in France—Young Wallace.

The Presbyterian Church in United States—Scudder Smith.

Of especial interest is the discussion by Mr. Silcock, who came to Southwestern this year from Scotland. His talk will be interspersed with various references from his own experiences.

## Literary Club To Meet Next Week

Chi Delta Phi, national literary society, will meet next week at the home of Julia Marie Schwinn to decide on new members. All aspirants for membership will be required to submit some original composition, a short story, or poem by Monday. The active members of Chi Delta will judge these efforts and admit new members accordingly.

## LYNX DEFEAT UNION TO GAIN FIRST VICTORY

Score Six Touchdowns and Five Conversions

### TEAM PLAYS WELL

Union Unable To Cross Lynx Goal Line

The Southwestern Lynx clawed the Union Bulldog rather badly last Friday night at Jackson Tenn. The final score was 41 to 0, but the varsity only played part of the first and third quarters, scoring six touchdowns and five goals. They were never forced to punt, scoring every time they gained possession of the ball.

The Lynx reserves also looked good. They withstood the Union attack and managed to keep them scoreless despite the able work of the two stellar Bulldog backs, Marshall and Moore.

### TWO LONG RUNS

Newton scored three touchdowns, High two, and Womble caught a pass for the other. The longest run of the game was an 80 yard jaunt by Herbert Newton. Newton went right through the line and sidestepped the Union safety men. High returned a punt for 65 yards to score once.

Both the first and second string lines looked good. The varsity backfield was invincible, and Butch Love handled the second string backs with rare judgment.

## TRACKMEN GET FALL TRAINING

### Porteous In Charge Of Thinclads

Southwestern tracksters have started out for the cinder path early this year. Numerous students, some in order to get out of gym, have been working out five times a week in training for a place on the Lynx team next spring.

Clark Porteous, erstwhile Lynx thinclad, has been taking charge of the aspirants, and he reports that they are doing well. The runners will workout each afternoon except Saturday.

College authorities have given their approval to those going out for the track outfit, so that the boys will not be given cuts from gym. This is the first year that the plan has been used and so far it has proven very efficient.

## Girls Sports Take On Extra Activity

Four outside activities in girls' sports have been started this week, and the girls participating seem to be enjoying the extra athletic work very much.

In the tennis matches the first round has been completed; Grace Braun took the hikers out on Thursday; archery met on Tuesday, and the swimming class had its first lesson at the Nineteenth Century Club last Wednesday.

## BOBCATS WIN OPENING GAME FROM TECH 11

Freshmen Score Twice To Win 12 to 0

### IMPRESSIVE SHOWING

Harwood Makes Both Touchdowns

Southwestern's Bobcat football team made an impressive debut last Saturday by defeating the strong Tech High School team 12 to 0. The game was very close and hard fought, and the baby Lynx knew that they had been in a battle when the final whistle blew.

### HARWOOD SCORES

"Hutsie" Harwood made both touchdowns. Harvey Jones made a beautiful catch of a pass to pave the way for the first tally. Whitaker intercepted a pass in the fourth period and the Lynx yearlings scored again, after four plays.

### EPPS PUNTS

The punting of Aubrey Epps was a continual thorn in the sides of the Bobcats. "Dean" McKendrick played a bangup game at guard for the Southwestern neophytes. Tapp, Hammond, Whitaker, Harwood, and Jones were other frosh luminaries.

### Lineup:

Tech	Position	Bobcats

# SPORTS SCRIBBLE

Those Lynx really looked unstoppable against Union last Friday night. The offense, led by High and Newton, never was halted. Every time they took the ball, it meant a touchdown. They served notice that they are a scoring team.

The defense was not quite equal to the offense, though both first and second teams managed to stop Newt Marshall and Shorty Moore when they had to. The linemen have been drilled extensively this week and the Majors are going to find them hard to gain on tomorrow.

Moore and Marshall are classy backs, and they slashed through the Lynx line for substantial gains around midfield. With proper interference, they would give anybody trouble.

Herbert Newton looked mighty good on that 80 yard run of his. It was deeds like this that made him All-S. I. A. A. halfback his sophomore year, coupled with his potent kicking. The Amite Antelope seems destined to have his best year this season, as he has fully recovered from his ankle injury. Herb fooled the Union safety man cleverly after plowing through the center of the line.

Although shorter, the return of a punt for a touchdown by "Chicken" High was equally brilliant. The Bessemer "rubber man" had excellent interference, and he uncorked some of the speed that has won him renown on the cinder path.

Art Womble must have had glue on his hands. Anyway, he certainly stuck on to that beautiful pass that Butch Love threw him. It was about a thirty yard heave, and Art scampered ten more for a touchdown.

## LYNX TRIPLE THREAT

HERBERT NEWTON

One of the mainstays of the Lynx attack tomorrow will be Herbert Newton, triple-threat halfback. The coaches are counting heavily on the Amite Antelope for yardage in the Millsaps game as well as his excellent punting which has been in evidence for three years. Newton was All-S. I. A. A. halfback two years ago when he was a sophomore.

## FROSH MEET TUPELO CADETS AT FARGASON

Bobcats Play At 3 P. M. Today

### AFTER SECOND WIN

Strong Mississippi Team Coming

The freshman football team will meet the aggregation from Tupelo Military Institute this afternoon at Fargason Field at 3 p.m. The Cadets defeated the Bobcats last year by a narrow margin, and in a game that was climaxed by a free-for-all at the conclusion of the game.

### TUPELO STRONG

The Tupelo team is a strong outfit, dispatches from the Delta say. They have a rather heavy line and a fast backfield that should prove a thorn in the side of the baby Lynx.

The Bobcats who opened the season last Saturday with a well earned victory over Tech High, defending prep school champions of Memphis, are out to avenge the defeat at the hands of the Cadets last year.

### TWO SETS OF BACKS

The coaches have put the first year men through some hard paces during the week, and they are in prime condition for the fray. The yearlings have two sets of fast and shifty backs that can be relied upon when yardage is needed.

The frosh line appears to be even better than early season indications pointed them out to be. Last week, they served as a bulwark in the way of Tech's scoring and even greater things are expected this week from the Bobcats.

### FRIENDLY RIVALRY

The T. M. I.-Southwestern games have always been a feature of the first year team's program, and this year should prove no exception. Both teams are evenly matched and a good game should be unreeled on Fargason Field preparatory to the varsity's game tomorrow. A number of Cadets are planning to come to Memphis for the game, and they always form a cheering section that rivals the Lynx cheering division.

## Dixie Conference In Third Week Of Play

### Numerous Association Foes Meet

The Chattanooga Moccasins served notice that they will again be formidable candidates for the Dixie Conference championship. They swamped Spring Hill by a score of 45 to 0. They have a breather this week-end in Murfreesboro at Chattanooga.

Millsaps, fresh from a 27 to 0 triumph over Hattiesburg Teachers, will try to take Southwestern's strong team. Southwestern ran roughshod over Union 41 to 0, and Coach Haygood's aggregation will be out to garner their first Dixie Conference victory at the expense of the Majors.

### MERCER STRONG

Mercer showed promise in beating Howard, last week's Conference leader, by the score of 21 to 0. They are tied with Chattanooga for the leadership with a victory apiece.

Mississippi College licked Louisiana College by the tune of 32 to 0. They will have their hands full stopping Miss. State at Jackson this Saturday.

### HOWARD VS. OLE MISS

Howard engages Ole Miss this week. They are 500 per cent in the Dixie Conference after bowing to Mercer and beating Spring Hill. Mercer entertains Presbyterian and expects a tough tussle. Spring Hill sticks their head in the lion's mouth by invading L. S. U.

## Pledge Officers Are Elected By Chi O

The Chi Omega pledge election demonstrated good choice in the selection of the following competent officers: First Sponsor, Miss Edna Barker; Second Sponsor, Miss Anne Brown Taylor; Third Sponsor, Miss Savilla Martin.

## PEP BAND TO PLAY SATURDAY

### To Get Uniforms For Sewanee Game

Southwestern's newest acquisition is a 35 piece band which will be under the direction and leadership of Bill Taylor. The band will make its first public appearance when it plays at the Millsaps game Saturday afternoon. At the Sewanee game a week later, it will come forth in full regalia of nifty uniforms with caps and white trousers.

The band members are as follows: Richard Alexander of Memphis, trumpet; Herman Baker, trombone, Memphis; Charles Beecher, clarinet, McComb, Miss.; Johnny Baker and Clough Eaton, both trombone players, Memphis; William Eldred, trombone, Lawrenceburg, Ky.; Glenn Gates and Alex Gilliam, clarinet players from Clarksdale, Miss.; Lewis Graeber, saxophonist, Marks, Miss.; Harvey Heidelberg, trumpet, Clarksdale, Miss.; Jamieson Jones, clarinet, Corinth, Miss.; Cole Henry, saxophone, Altus, Okla.; M. A. Lightman, clarinet, Memphis; Clinton McKay, Guy Myers and Leslie McKee, all saxophonists from Memphis; John Parran, clarinet, Bolivar, Tenn.; Harold Simmons, saxophone, Clarksdale, Miss.; Jack Brown, Jim Wadlington, and Harvey Creech, three Memphis trumpeters; and William Walker, clarinet, also from Memphis. Director Bill Taylor will play the drum in the band.

## Chicken? where did the Frosh Hide It?

Ottawa, Kans.—The annual class scrap between the freshmen and sophomores at Ottawa University is nothing out of the ordinary, but its preliminaries are quite unique.

It seems the entire school is the guest of the freshman class at a fried chicken dinner after the fight, regardless of who wins. Before the fight the frosh get the chicken and fry it, then put it in hiding.

If the sophomores can find it and get it away from the frosh, the frosh have to stand by and look hungry while the rest of the school fills up on fried fowl.

If the sophomores don't steal the chicks, the freshmen get in on the "feed."

### Re-Exams Monday

The long delayed re-examinations will be given next Monday and Tuesday. The exams will be given in the mornings and afternoons of these days. A schedule is posted on the bulletin board in front of chapel.

## Most Distant

The honor to the Southwestern student living the greatest distance from the college goes to Sid Hebert, the hefty Californian. Sid claims Long Beach, Calif., as his home. John Chung comes from Korea, but Hebert holds the record for the most distant American student.

The squatty Californian is closely trailed by Margaret Tallichet and Rheinhold Matheson for the distance honor. "Tally" comes from Dallas, Tex., and "Rhiny" is from a homestead at Neenah, Wisconsin. A number of other students are in the running for the honor, but their mileage can't quite keep up the pace.

Statisticians tried to figure out the mileage that these students travel each year going to and from their homes, but had to give up when the pencil point broke.

## Marjorie Davis Is K.D. Pledge Leader

Marjorie Davis was elected president of the Kappa Delta pledges last Friday at the first meeting of the group. Other officers selected were Louise Coppedge, vice-president; Martha Shaeffer, secretary, and Helen Hill, treasurer.

Katherine Davis, being vice-president of the active chapter, is advisor for the pledges.

## Sell Scholarships To Army Academy

Mauch Chunk, Pa.—Two men from New York City were arrested here this month and accused of selling fake scholarships to West Point, the United States Military Academy.

According to officials who made the arrest the two had posed as agents of the War Department and had secured "fees" from wealthy citizens who wished to send their sons to West Point.

One citizen, whose name was not revealed, was said to have given the men \$5,000, and another \$500.

## Unique Postoffice On Old Ironsides

The historic U. S. S. Constitution, as well known as "Old Ironsides," now in harbor at Washington, D. C., has a postoffice hidden away in it, where those who wish may mail letters which will be stamped "U. S. S. Constitution — Washington, D. C., and an unofficial cachet picturing the frigate sailing closehauled with sails set. More than 500,000 letters have been mailed in this post office since the first stamp was cancelled in it Sept. 10, 1931.

### Navy Seeks Culture

A change in the curriculum of the United States Naval Academy has been made to allow the inclusion of more cultural subjects. It was found that the curriculum was too technical.

## Lewis Graeber And Sarah Naill Chosen Most Popular And Potent Yearlings

Raspberry, Whitaker, McKendrick, and Misses McCaslin, Griffin, Watson Also Garner Votes

"Who is the most potent Frosh?" "Who is the most popular Freshette?" These two questions when put to the Freshmen on the campus met with as many different answers as there were colors in Joseph's coat.

Betsy O'Brien, the first to be consulted really couldn't make up her mind about the "potent frosh." "They're so many charming ones that I just don't know which to say. But about the freshette, I think Virginia McCaslin has such a charming personality. I admire people with a lot of poise."

### LOQUACIOUS BARKER

Edna Barker proved to be much more loquacious on the subject. "I guess Raspberry is about the best liked frosh—but remember, it's not only me, everybody thinks so. As for the freshette, Sally Griffin's awfully cute, I think."

Sally Griffin herself casts her frosh vote for Lewis Graeber. "It's the fascinating way he talks," says S. G. Her freshette ballot goes to Sarah Naill.

### WHITAKER NAMED

Walker Lewis and Bobby Metcalf collaborated on their statements. They both agree that Dick Whitaker fills the role of the most potent frosh. As for the popularity Miss, to quote

exactly, "Sarah Naill is 'plenty goote.'"

### PAGE THE DEAN

Eva Gene Bruce had an individual answer as usual. "I think the frosh that stutters is cute." My guess is McKendrick. "I believe Sarah Naill is the most attractive girl on the campus," added Miss Bruce.

### DUAL OPINION

Wiley Jones and Dick Dunlap form another combine. They both consider Virginia Watson the most popular young lady on the campus. Their frosh choice is Lewis Graeber. "I guess I ought to know," said Dunlap. "Graeber's my roommate."

Charles Woolfolk also said, "Graeber is the most powerful with the women. There's too much competition among the freshettes to make any definite statement, but if I could mention a sophomore, I'd pick 'Weedie' Coppedge."

### COSMOPOLITAN

Anne Brown Taylor skipped over the freshette question and solved the frosh problem diplomatically by saying, "They're all just too cute."

## NOTED ALUMN CHI DELTA TO VISIT K. D. MEET OCT. 19

Pearl Buck, the Famous Writer, To Be Feted

Elaborate plans are being made by the alumnae members of Kappa Delta sorority for a tea to be given in honor of Mrs. Pearl S. Buck, noted writer and lecturer, who will visit in Memphis sometime this fall.

Mrs. Buck will be the guest of Mrs. W. H. Flautt on McLean Boulevard with whom she roomed at Randolph-Macon, where they were both members of Kappa Delta. Mrs. Flautt was Mrs. Buck's "little sister" at the college.

### PRIZE WINNER

"The Good Earth" is Pearl Buck's outstanding novel. Its worth is indicated by the fact that she was awarded the Pulitzer prize this year. "Sons," a sequel to the prize novel, is now running in the Cosmopolitan magazine. Mrs. Buck has not set a definite date for her visit but it will probably be before Christmas.

The alumnae association, of which Miss Elizabeth Ferrell is president, will meet Tuesday night in the Kappa Delta lodge to discuss plans for the event. Mrs. Neil Rogers has been appointed chairman for the forthcoming tea.

## Here and There

Alex Gilliam wins the gold medal for being the greatest piano player. Did you see the S. A. E.s swell with pride as he drummed out "Violets?"

Alums are enthusiastic supporters of the football teams. Among those seen at the freshman game Saturday were Jimmy and Johnny Hughes. Theresa Lilly and Mary McCallum, Johnson Garrett, Redmond Eason, W. C. Raspberry, Perry Bynum, Meeks Hinson, and Meredith Davis.

Cornelia Henning, Kate Galbreath, Katherine Dickinson, and their dates are planning to zoom to Nob Creek (Cornelia's farm) this Sunday.

Douglas Heuer says that he hates to miss all the pretty girls at Southwestern this year and those thirty pledges.

The Lynx "eleven" announces the addition of two new tackles—Savilla Martin and Boyce Leigh Sadler. Their ability has been demonstrated several times in the cloister.

Mary McEddins was seen sitting on the sidewalk entertaining a crew of attractive youths with her lively chatter. Ob yes, Mary Mc and her roommate, Deedie McConnell, are vacating the campus this weekend for Helena.

NEWS! Ben Bogy was seen tripping across the campus.

## TRI-DELTAS TO FETE PLEDGES AT TEA DANCE

Affair At Home of Gautiers Today

The Tri-Deltas will entertain with a tea-dance this afternoon from 4 to 8 in honor of their pledges. The affair will be held at the home of Corinne and Jim Gautier on Willett St. Bill Taylor and his Royal Collegians will furnish the music.

The members who will attend are: Corinne Gautier, president, with David Ely; Grace Carkeet, vice-president, with Harte Thomas; Nell Sanders, secretary, with escort; Charlotte Stanage, treasurer, with Rogers Parker.

Malline Lyon and Max Ussery, Olivia Reames and Lucien Connell, Sara Elizabeth Gemmil and Bob Sigler, Lillian Gautier and Nebby Gordon, Thelma Worthington and escort, Annabel Cox and Wilbur Jenkins, Mary McCollum and Louis Parrote, Elizabeth Riley and escort.

The pledges and their escorts are: Ethel Taylor and Charley Laymen, Sarbeth Farmer and Lewis Nute, June Cunningham and escort, Mary Mehrle and Herman Bass, Virginia Alexander and escort, Ruth Smith and Rheinhold Matheson, Rosine Worthington and Francis-Benton, Mary Grace Broadfort and Charley Woolfolk, Adele Bigelow and escort.

The following girls from the other sororities have been invited: Kappa Delta, Virginia Watson with Tom Underwood; A. O. Pi, Therese Canale; Chi Omega, Susie Ellen Knowlton; and Zeta Tau Alpha, Lucile Woods.

## "No Free Phone" Student Head Says

Students hoping for a free telephone will be somewhat disappointed with the announcement by Harold High that he did not think it probable that the student council could install a free telephone.

Last year a free phone was in the publications office, but the depression has made this idea taboo this season. A complicated system of making the dorm phones collect money is one of the steps in the way of getting a free phone. If the pay phones don't collect a certain amount each month, they will probably be taken out by the telephone company, High said.

If the broadcasts prove to be a success, the arrangement may continue indefinitely.

### COLLEGE CLUB GIVES DANCE

### Women Biblers To Evergreen Church

Next Sunday the Women's Bible Class will assemble in Evergreen Hall at 9:15 A. M. Transportation will be furnished and the class will go to Evergreen Church where they will be the visitors of the Young People's class.

This is another of the class' plans for the year; once each month some church will be visited and new acquaintances and friendships will be made by both the dormitory and Memphis girls.

### Zeta Pledges Elect Sarah Martin Head

The first meeting of the Zeta Tau Alpha pledge chapter was held Thursday. The meeting was very informal, mostly discussion, and closed after the officers for this year were elected. Sarah Fox Martin was elected president and Shirley Ham, secretary and treasurer.

SOCIOLOGY PROF.—THE CLASS WILL NAME SOME OF THE LOWER ANIMALS, STARTING WITH CLOUGH EATON.

### Honor St. Nick

"Peche Louis Nicholas" is the name of the new dessert that is causing such a rage in the dining hall. You have probably guessed that it is named after none other than our choir director, St. Nick.

It all happened last Sunday when Mrs. Daily came out with a new dish. This delicate morsel was made up of fresh sliced peaches entirely covered with thick whipped cream.

Louis went back to the kitchen after the meal to find out the "title" of the dessert. Mrs. Daily had not named it, but on seeing so much interest displayed by Nick, and to immortalize his name, promptly called it "Peche Louis Nicholas." Whether or not the fact that Sunday was Nick's birthday had anything to do with it is not known, but the deliciousness of the dish is known and the students are anticipating its next appearance.

### Pi Club Elects

The Pi Club, inter-sorority group, announces the initiation of two new members. They are Kate Galbreath, Memphis, and Louise Coppedge, Cleveland, Ohio. They are the first girls to be "brought out" by the Pis. New members will be "brought out" from time to time, Anne Galbreath, president, announced.

### Fargason Field Renovated And Rigged In New Outfit For Initial Home Game

#### Radio Is Installed; Box Seats Moved; Make New Press Box To Form New Layout

The "Put Southwestern on the Football Map" campaign which has been so enthusiastically waged this fall by ardent Lynx supporters has been extended out to Fargason Field. Improvements and repairs galore are rapidly transforming the field and stands.

#### INSTALL RADIO

Perhaps the most notable of these is the recent putting up of three loud speakers in back of and along the stands on the west side of the field.

As a result, cries of "What down is it?" "Who made that tackle?" "How many yards to go?" etc., etc., are cries of the past. A loud, booming voice, seemingly coming out of nowhere and carrying to all parts of the field, will keep the fans informed of all the details that go to make up the game. This will be of especial benefit to those who understand little of the intricacy of football.

#### MOVE BOXES

The boxes have been moved from their old position in front of the stands to a position directly behind the last tier of reserved seats. This, as is readily seen, gives their occupants a much better view of the field. At the same time all the bustle and confusion, due to the lack of adequate space for the old boxes is done away with.

The entire west side bleachers were

moved forward about ten feet in order to make room for the new boxes on that side. Each box is to seat six people; in all there are sixty of them.

#### PRESS BOX

A new press box has been constructed on the 50 yard line directly above and behind the west side boxes. The sport writers really have command of the situation.

### A. O. Pi Alumnae to Meet Next Tuesday

The Alumnae Association of Alpha Omicron Pi sorority will meet Tuesday, Oct. 11, at 4 p.m. at the home of Mrs. Will Terry, 231 North Avalon. The members are planning a Thanksgiving party to be given the morning of Nov. 24th for the children at General Hospital. It is customary to give the children holiday parties every year.

The members are working on a year book which will be published as soon as completed.

### A. P. O. SOCIETY PLEDGES GROUP

#### "Exclusive" Clan Gets 18 Members

The A. P. O. "exclusive" society announces the pledging and initiating of 18 new members. The most "exclusive" group on the campus is making plans for some kind of a party or other that is to be given by the pledges for the active members within the near future.

The other two fraternities on the campus, the F. T. F. I. and the O. K., have not as yet made any progress towards the getting of new members. They will be exclusive if they don't get any neophytes.

#### INITIATE AT 12:01

After two days of pledging, during which time the pledges rushed to members, the new students were admitted mid great pomp and ceremony which was held at 12:01 a.m. Thursday. All members were present for the impressive ceremony.

#### NEW MEMBERS

The new members are Edna Barker, Priscilla Painter, Mary Eddins, Marjorie Davis, Martha Chase, Sally Griffin, Anne Brown Taylor, Charlotte Berlin Adelia McConnell, Murray Rasberry, George Hymers, Charles Woolfolk, Jerry Porter, Lewis Graeber, Banks Christian, Alex Gilliam, Tom Wood, and Sonny Robinson.

### Women Biblers To Evergreen Church

Next Sunday the Women's Bible Class will assemble in Evergreen Hall at 9:15 A. M. Transportation will be furnished and the class will go to Evergreen Church where they will be the visitors of the Young People's class.

This is another of the class' plans for the year; once each month some church will be visited and new acquaintances and friendships will be made by both the dormitory and Memphis girls.
