MEMPHIS, TENN., APRIL 29, 1932

NUMBER 29

PREP MEN ALL SET FOR TOUGH TILT SATURDAY

Thirteen High Schools In Record Field Day

T. S. A. A. TRY OUTS

Cinder Boys Will Open Up At 9:30 Sharp

Thirteen prep school track teams from the first district will compete in the third annual Tennessee Secondary Athletic Association meet that is to be held at Fargason Field tomorrow. The first district comprises five counties. Some fine teams will be entered in the meet.

Jimmy Haygood, Southwestern coach, is in charge of the event and has completed plans for the staking of the meet. Three Memphis track teams will be entered in the meet. They are Messick; Tech High, and Central High. The favorite of the Memphis group is Messick, which has a very strong team. They boast the services of Harry Anderson, holder of the prep record of Tennessee for the 100 yard dash. He ran the 100 last year in the excellent time of 9.9 sec., which is plenty fast.

The preliminaries will start at 8:30 o'clock tomorrow morning. The finals will be held in the afternoon and there will be a 25 cent admission charge. There will be no charge for the preliminaries. Southwestern is donating a trophy to the winner of the meet and a cup to the winner of the relay.

Events scheduled for the meet include the 100, 220, 440, and 880-yard dashes; 220 low hurdles, mile run, and mile relay. Field events: shot put, pole vault, high jump, broad jump, and discus throw.

Music Club Puts On Extra Big Program

The Southwestern Music Club will honor Memphis composers Sunday, when they will meet at 3 o'clock in the Hardie Auditorium to listen to the compositions of some of the best-known Memphis musicians. In several cases the composers themselves will be heard.

The program follows:

- Louis Nicholas:
 - Closed Doors.....Nell Holloway
 - Camille.....Louis Nicholas
 - Sea Fever.....Louis Nicholas
- O'Sullivan:
 - Hail, Southwestern.....Quartette
 - Joe Mobley, Louis Nicholas, Prof. Eric G. Haden, Rodney Baine
 - Vision
 - Eastern Romance Patrick O'Sullivan
 - Rain
- Miss Louise Mercer:
 - Parfum
 - Ecstasy.....Mrs. Lyman Fulk
 - Hymn to the Sun
- Violin Solos:
 - Irish Air.....O'Sullivan
 - Serenade.....Summerfield
- Miss Olga King
- Summerfield:
 - Prelude—from the Mountain
 - Valse Edelyne Herbert Summerfield
 - In a Japanese Garden
- Meteyard:
 - Jollity.....Meteyard
 - At Night.....Nell Holloway
 - A Huegenot.....Lieut. Morris Gilland

Music Club Elects

At a meeting immediately after Chapel Tuesday, the Southwestern Music Club chose the following officers to serve during the coming year: Miss Nell Sanders was elected president by acclamation. William Bensberg was chosen vice-president in the same way, and Miss Mary Kennedy Hubbard was selected as secretary, also by acclamation.

ELECT OFFICERS FOR STUDENT GOVERNMENT

WRITERS VISIT MUSICAL GROUP

Four Composers Guests of Club Sunday

Four of Memphis' best-known composers will be guests at the Sunday afternoon meeting of the Southwestern Music Club. These are Patrick O'Sullivan, Herbert Summerfield, Miss Louise Mercer, and Lawrence Meteyard.

Patrick O'Sullivan was born in Louisville, Ky. He studied for a time in Paris under Bauer and, moving to Berlin, spent 8 years there teaching, composing, and studying composition under Berger and Scharwenka, the noted Polish musician. Later he returned to America and for two years was at the head of the piano department of the Louisville Conservatory. He moved to Memphis to assume a similar position with the Memphis Conservatory, and served in that capacity for a number of years. At present he has a private studio.

His compositions have been played by the Berlin Philharmonic, and his Mass has been performed at Berlin with great success. He is at present composing another to be given at St. Mary's during Music Week.

Herbert Summerfield was born at Memphis and has studied with Memphis teachers only, chief among whom is Patrick O'Sullivan. His "In a Japanese Garden" has recently been published by Alfred and Co., of New York.

Miss Mercer has studied with a long list of noted composers, among whom may be found Rudolph Reyter, Isador Philippe, Berumen, and Frank La Forge. She is a graduate of the Chicago Musical College. Miss Mercer is especially known for her songs, which are remarkable in their lyric beauty.

Lawrence Meteyard was born in England, and is a graduate of the Royal Academy of Music. Among his classmates there were Frank Bridge, Arnold Bax, and John Ireland. His teachers in the Academy included Harold Samuel.

Mr. Meteyard has been in this country six years. He has at one time headed his own conservatory near Birmingham. At present he holds the position of organist at St. Mary's.

Spanish Club Meets

Grace Carkeet will be hostess to the Spanish Club at its regular meeting next Wednesday afternoon. An informal program will be enjoyed, and plans for the series of plays to be given early in May are to be discussed.

CAMPAIGN MEN GET UP STEAM

Donate \$22,000 In First Day of Drive

Southwestern's campaign for funds with which to meet current expenses and keep the college open began in actuality Tuesday when members of the committee went out to get pledges from Memphis people and over \$22,000 in pledges resulted from the first day's work.

At a meeting of all members of the citizen's committee at which nearly 400 gathered on Monday night at the Gayoso Hotel, Mayor Watkins Overton, Mr. T. K. Fowler, and Dr. Diehl stressed the importance of Southwestern to Memphis and the surrounding territory and showed how the financial crisis facing the college would result in the closing of the institution unless sufficient funds were raised by the committee in this drive. The goal set to provide a narrow margin of safety for the college is \$125,000. At the conclusion of the meeting the prospect cards were passed out to the members of the committee in order that active work might begin the following morning, Tuesday.

Several meetings were held last week in Neely Hall for the purpose of outlining the campaign and instructing the solicitors. On Friday a women's committee held a meeting during the afternoon and at night after a banquet in Neely Hall for the organization of their part in the campaign.

Careful preparation on the part of the leaders of the drive has prepared the groundwork for the campaign and the result now lies in the hands of the prospective donors and the solicitors who will attempt to reach every person interested enough in the career of Southwestern to contribute to its well being.

Many Memphis business men and women are giving the greater part of their time to the work of the campaign in the hope of assuring a successful future for Southwestern.

Play Ball!

Miss Louise Stratman, women's athletic director, has announced that a baseball series will be held in the near future among inter-sorority and inter-class teams. Games will be held twice a week, and teams will be eliminated from the series with each defeat.

Last year the Zeta Tau Alphas were baseball victors. Miss Stratman requests that those sororities and classes interested in forming a team see her immediately.

Students Like Tutors

A revival in scholastic pursuits has appeared on the campus, according to an article by Miss Annie Beth Gary entitled "Students Vote On Tutorial Plan," in the Alumni Journal which came off the press this week. The article is a summary made from the questionnaire given to all tutorial reading course students at the end of the first semester.

In the survey of the results several advantages and disadvantages are given as seen by the students. Among the chief advantages of the reading courses are, they allow for a more complete investigation of any subject than would be possible in a class room, stimulation to read more widely, broader outlook on the subject, and a better understanding between student and professor.

The disadvantage most commonly noted was that the courses take too

much time. Lack of contest with other students is disadvantageous, according to some students.

"The courses have had a decidedly beneficial effect and "on the whole, a number say, there is a more wholesome spirit in the college work this year," Miss Gary writes.

Seniors and juniors read approximately 3000 pages during the past semester, while sophomores read some 1300 pages. The third and fourth year people are more favorable to the plan than the sophomores. That is accounted for by the fact that the reading course is an extra subject for the sophs.

"There appears to be a revival of learning on the campus, and both faculty and students are enthusiastic about the results that are being secured from the new plan of study," according to Miss Gary.

Nize Snake!

"Lawd! Should er seen him. He was three feet long and plenty mean!" That's the way Jesse Clark, colored handy man about the campus, described the blue racer snake which he killed last week on the rock pile as it was about to waylay two unidentified sorority girls who were returning from their lodges. The snake, a "Blue Whistler," as Jesse called it, was knocked unconscious by two well placed rocks heaved by the accurate hand of the darkey.

Coach Miller put the dazed snake in a tin can and presented it to Wylie with his compliments. When the revived serpent slithered out of the can Wylie ran so fast that he dipped sand in his pockets when he rounded the corner. The snake is now in Dr. Lackey's lab.

PROF. FINISHES SPEECH SERIES

Dr. Bassett Gives Talks At 19th Century Club

Dr. Henry J. Bassett concluded his series of three lectures on "Better English," given at the Nineteenth Century Club, Tuesday afternoon at 3 o'clock. His final lecture dealt with the Latin element in our language.

Much interest has been manifested in the weekly lectures given by the professor of Latin at Southwestern and he has received wide publicity.

The first lecture given by Dr. Bassett was titled "Mere Words." In it he set forth the beginning and development of language and thought.

TRACES LANGUAGE

The Second lecture, "Our Linguistic Heritage," revealed the beauty and value of our linguistic heritage. He traced the development of our language back to the Aryan which is no longer spoken. He showed the various changes and influences which have come to make up the wealth of our modern English.

Dr. Bassett returned to his favorite language, Latin, in his final lecture and gave a clear picture of its influence on English. He portrayed the development of the Latin words through French and finally into English.

Bible Class Elects Pfrangle President

At their last meeting, Sunday, April 24, the Southwestern Bible Class elected the following officers: Bob Pfrangle was elected president by acclamation. Louis Nicholas was selected as vice-president, and William Bensberg was chosen to serve a second term as secretary. Louis Nicholas was unsuccessful in his efforts to have a song leader voted on and, since he has no competition, he will probably carry on in that place. No new program committee was selected, but the present committee will probably be reappointed.

The new officers will assume their duties at once. Their term of office will last until this same time next year.

Stylus Club Initiates

The Stylus Club of Sigma Upsilon will initiate the men recently chosen for membership on next Wednesday night. Nine students were selected on the merit of articles written at the invitation of the club.

NOMINATE AND HOLD ELECTION ALL NEXT WEEK

Nominations On Tuesday Voting Wednesday

CHANGE VOTE RULE

Losing Presidential Men May Run For V.-Pres.

Elections for the new officers of the student body for next year will be held next week in compliance with the rules of the Student Council which stipulate that these elections shall be run off the first week in May. The class elections have not been definitely set as yet but they are expected to be staged the week after next when all of the other elections have been cleared up.

At a meeting of the Student Council Tuesday afternoon in the private dining room it was decided to alter the rules of the election to allow defeated candidates for the office of President of the Student Body to run for Vice-President. Hitherto the nominations for President have been held on one day and the vote taken the next. At the time the vote was taken the nominations for Vice-President, Secretary-Treasurer, and President of the Publications Board were made. In this way the defeated candidates for President were ruled out of any chance to attain the Vice-Presidency since the presidential ballot results were not announced until after the Vice-Presidential nominations had been made.

Nominations for President only will be in order Tuesday morning. The first vote will be taken on the Presidential candidates Wednesday morning. Any run-off will be staged Thursday morning. After the President has been definitely picked nominations for Vice-President, Secretary-Treasurer, and President of the Publications Board will be in order. Further announcement of the elections will be made in chapel.

Conclude Selection Of Actors For Play

The cast for "Lady Windemere's Fan" has been selected and is as follows:

- Lady Windemere.....Elizabeth Smith
- Mrs. Erylne.....Julia Marie Schwinn
- Lord Darlington.....Bill Berson
- Lord Windemere.....Albert Erskine
- Duchess of Berwick.....Alice Rogers
- Lady Agatha.....Chloe Burch
- Lord Augustus.....Robert Sanders
- Dumby.....Earl Howry

There are a few minor roles which remain to be filled. Rehearsals for the play have begun and are being held almost daily. With the direction of Miss Fredericka Magnus and such a talented cast, "Lady Windemere's Fan" promises to be one of the finest plays ever produced by Southwestern students.

Tickets are ready for distribution and the ticket committee will have them on the campus Friday.

Mary Allie Taylor is in charge of the girls who will usher at the performance. They will include the present Panhellenic representatives and any others who may be chosen. The boys who will usher are headed by Kenneth Eddings. All of the ushers will be in evening dress, thus lending formality to the occasion which is to be one of the big social events of the year.

KAMPUS KRAX

"Why do men insist upon whispering little words of love in the ears of girls?"

"Cause the girls can't understand big ones."

"WHAT'S A BALANCED MEAL?"

Dr. Hon—Give me an example of using the mails to defraud?

HE WHO TOOTETH HIS OWN HORN HAS EVERYONE DODGING.

Sunday School Teacher—And what do you do when tempted, Jimmy?

I sing a song of saxophone A pocket full of rye, A lotta dizzy dancers

Be a snob—Marry the boss' wife instead of his daughter.

Mr. Harris—Now, Kathryn, I don't mind you sitting up all hours of the night talking to that Read boy,

"What's a bull fight?" "Say, haven't you seen two fellows from different fraternities talking things over."

"Ow close do you think the lightning was 'arry" "Dunno, kid, but this fag wasn't lit a second ago."

He was only a weightlifter's son, but he had his weigh with the women.

Julia—I wonder why a woman repeats everything that you tell her? Ruth—My dear girl, a woman has but two views of a secret.

Dr. Huber—I want you guys to get an "Introduction To General Chemistry" before the next class.

"Do you know how to tell a prof from a student?" "Ask him what "it" is and if he says it's a pronoun, he's a professor."

"I adore you, kid." "Are you talking to me or your gloves?"

Sing me a song of ire, Sing me a song of wrath, Dieu! Que le sord de phone Est bell grand vous est en bath.

"Did you make the debating team?" "N—n—n—o. Th—he—e—y said I wasn't t—tall enough."

Nit—Do you work in the shirt factory? Wit—Yes. Nit—Why aren't you working to-day? Wit—They're making nightshirts this week.

"Hello! I want to talk to Sis." "Sis who?" "Says me! That's who!"

On the eve of their execution an Irishman, a Jew, and a Scotchman were asked if they would like any special dish for their last meal.

"But," exclaimed the warden, "strawberries are not in season." "Vel," retorted the Jew, "I can vait."

First—The jury has been out a long time.

Second—Yes, and I think they will never reach a decision. You see, a life insurance collector is suing a book agent, and I think that they are trying to figure out a scheme to stick both of them."

DAUGHTER — MOTHER, DO YOU WANT ME TO PUT THE PARROT ON THE BACK PORCH? MOTHER — POSITIVELY NO! YOUR FATHER IS REPAIRING THE CAR IN THE BACK YARD.

THE ART OF CONVERSATION

Asked what his institution did for the thousands of young people who passed their four years there, a professor at one of the largest Eastern universities in the country replied after some deliberation, "We turn out, as far as I can see, a low-grade standardized product, like Ford cars, with just about as much thinking capacity."

Interspersed with vapid slang-terms and the latest current expressions, the talk of most collegians is sadly lacking in all that would be expected of a University man, an intelligent, well-educated, cultured individual.

And if the subject matter of the conversation of students is to be taken as a criterion, it would indicate that the idea of a university as a place where students obtain a grounding in the best thought of the day, learn how to use their faculties, and as a place where they receive mental training has never reached realization.

Yet at the other extreme are those who indulge in talk that is smart and burnished and sounds like a meeting of a literary club. Discussion of modish books, plays, and ideas is brought up with astounding solemnity which robs the conversation of all naturalness and ease.

To steer a mid-way course between the foolish and funeral types of conversation is what students who are University students in every sense of the word should drive at. Good conversation is certainly one of the most delightful forms of leisure. It is somewhere between solemnity and absurdity.

THE ADVANTAGES OF DELAYED PLEDGING

What freshman can honestly select the fraternity he wishes to be identified with in one brief rushing season of only two weeks at the very beginning of his college career?

During the one week allotted for rushing under the present system, the rushees are carried off their feet by concentrated, high-powered rushing. They get a distorted view of college life and get off to a bad start generally.

The young freshman who is rushed "off his feet" by several fraternities soon acquires an exalted view of his own importance to the campus at large, and to the fraternity in particular.

What fraternity can select the material best suited to the group in the two-weeks' rushing period? What fraternity can be sure that it will not pledge someone who may later be sorry he went to a fraternity or someone it may later regret having pledged?

When rushees and fraternity men are thrown together for a period of several months rather than a period of two weeks, both will be enabled to form a lasting impression of each other and greater harmony in the groups will be assured.

Will Award Awards

An event of the athletic year will take place at the Senior-Undergraduate entertainment when the woman student making the most number of points during the various athletic competitions which have taken place during the winter will be presented with a gold basketball.

"So you broke your engagement with Margie—why?" "Well, she broke me first!"

"Do you think the young people would go for 'Romeo and Juliet' nowadays?" "Hardly, my dear—the Juliets would object to sitting in the balcony."

"You can always tell a lady by the way she dresses." "Well, a real lady would pull down the shades."

The old grad says that if sheep skins could talk, they'd probably say, "Baa, Baa."

EVERGREEN HALL

Thelma Worthington, freshette of Blytheville, Arkansas, is convalescing nicely, thank you, from an appendicitis operation, performed two weeks ago.

T. Hudson was the week-end guest of Frances Crawford at Somerville, Tenn.

If you haven't noticed the Evergreen flower-garden, just take a look at the urns on the second floor balconies. Nell Davis is responsible for the nasturtiums and pansies, and she threatens dire vengeance on any disturbing persons.

Johnny Burnett has suddenly acquired a liking for this dormitory and Love doesn't seem to mind it either.

Eugenia is the envy of the dormitory and a large part of the campus. If you haven't seen her catching the warm April breezes in her roadster, well, you just haven't been looking around.

Love Flunks

The dean of Nebraska University states that love is one of the main reasons for freshmen flunking out of college. No particular reason was given for blaming it on the frosh.

CO-EDS' TENNIS SWINGS ALONG

Girl Racquetters Wield a Mean Set of Racquets

The girls' tennis tournament is coming off in a big way with forty-two dashing co-eds wielding wicked racquets. Some of the fair contestants have not yet graced the courts with their presence, and so by virtue of defaults are at the bottom of the championship ladder. Others have already played four or five matches.

Four of the racketeers are undefeated to date. They are Catherine Bigelow, Margaret Tallichet, Alice Rogers and Jim Gautier. But they have several games to go before their triumph is assured.

CLOSES SOON

The tournament began April 9 and is scheduled to close May 9, although the time may be extended. One set constitutes a match and each girl must play a certain number of matches within the given time.

Missionary Set To Talk To Volunteers

The Reverend J. V. N. Talmage, a graduate of Tulane and of the former S. P. U. of Clarksville, and at present a missionary to China and Korea, will be the guest of Southwestern Saturday and will speak to the Student Volunteer Group at that time. Rev. Talmage has been working in the East since 1910.

Rev. Talmage comes to Southwestern highly recommended by Dr. Diehl, with whom he was in close contact at Clarksville. The Student Volunteer meeting will be open to give students and others a chance to hear him.

Sophs Sweep Cobwebs Out Of Brains In Preparation For Intelligence Test

Brainy Boys and Wise Women Sharpen Wits For Nation Wide Test To Be Held Tuesday

The great brains of the sophomores throughout all the States will clash at 9 o'clock, May 3, when Southwestern's sophs vie in wits with those of hundreds of other colleges. This program of tests is being put on by the General Educational Board, of which Southwestern is a member, and will cost half a million dollars.

A test containing hundreds of questions from all fields of human learning will be given over a two-day period. All students will take the tests at the same hours under as nearly similar conditions as can be arranged. The papers will be sent directly to the headquarters of the American Council on Education for grading. The standing of the various colleges will then be announced, and each student will be notified of his individual grade.

The tests are being constructed for information regarding both the general knowledge of college students and their knowledge in particular directions, such as science, culture, fact, and theory. Complete tests require 12 hours, but Southwestern sophomores will take a 6 hour test. The committee is at present busy analyzing 4,000 questions, from which it expects to select 1,000.

This plan will be continued for 10 years so that freshmen may look forward with pleasant anticipation to a similar test to be given next year.

The illustrative test sent the sophomores as a sample includes such questions as these:

"Walking at an average gait, a man can traverse a mile in about (1) 10 minutes, (2) 18 minutes, (3) 26 minutes, (4) 32 minutes."

"Pasteur disproved (1) spontaneous generation, (2) the theory of biogenesis, (3) the germ theory of rabies, (4) the chemical basis of life."

True-false question: During the World War, the United States changed from a debtor to a creditor nation.

For punctuation: This was where old Doctor Winterbottom, the Presbyterian minister, had passed his entire life.

Sounds interesting, doesn't it? Sophomores in general are riled at having their peaceful serenity disturbed by the dread I. Q., but the intelligencia of the class are going to lap it up with avidity.

"It'll be well worth while," commented Bob Pfrangle, pronounced P f r a n g l e.

"I think it will really be fun," said Henry Oliver.

Parson Fishbach, mainstay of the sophomore hopes, who led the list of the freshman I. Q. scorers last year, thinks "There's not much to it. It's nothing more than a test."

Chi Delts Elect

Chi Delta met last Thursday in the chapel to elect officers. Julia Marie Schwinn was elected president; Mary Kennedy Hubbard, Vice-President, and Annabel Cox, secretary. The outgoing officers were Margaret Kimbrough, president, Annabel Cox, Vice-president, and Frances Durham, secretary.

I'm The Gink

I'm the Gink who monopolizes the ping pong table when there is a crowd waiting a turn at the game. Me and my pal usually manage to get the table the minute after the bell rings. We start right in playing before anyone gets down in the store. By the time the crowd gathers the score is about 5-3 in favor of me but we don't let the gang know it. No sir. When they ask us how it stands I pipe up with, "We're just warming up. Hey, pal, let's ping for serve."

Boy, does that get them? I can hear the gang mutter but that doesn't phase me a bit. I'm so used to these dumb eggs trying to horn in on my games that I don't notice them any more. Well, they should go study a while if they can't do anything but gripe, I wouldn't like to have anyone muttering at me when I'm playing because I'm the Gink.

Janitor Is Grateful For Church Singing

In appreciation of the work which the Southwestern Choir has done at the Central Baptist Church, G. D. Herron, colored janitor on the campus, issued the following statement:

"I thank you for the opportunity of expressing the deep appreciation of all present for the delightful musical program of the morning. In behalf of our people I wish to thank Mr. Nicholas and each member of the Southwestern Choir not only for their delightful music but for the fine spirit of interest and helpfulness shown in their willingness to come and give us their time and talent for our spiritual uplift. The coming of these splendid young people with lofty motives will be long remembered by our people as marking one of the red letter days in the history of this church.

"Again I thank you most warmly and sincerely,

"G. D. HERRON."

A. T. O.'s Dine

Members of the A. T. O. fraternity were entertained last night with a dinner and smoker given by Sailer Anderson immediately preceding the Panhellenic. The fraternity colors, gold and blue, were used in the tapers and centerpiece which adorned the table. Attractive place cards and mints also carried out the color motif.

All the members of the fraternity were present and representatives from other fraternities included: Sivley Moore, Pi. K. A.; Franklin Kimbrough, Kappa Sigma; Richard Bunting and Paul Calame, S. A. E.; Bill Thomas, K. A.; Robert King, T. N. E.; Bill Cobb, Beta Sig. and Irwin Abbay, D. K. E.

No poem or painting was ever created by a syndicate.—Ignace Paderewski.

K. D. Gives Party

The active chapter of Kappa Delta sorority will entertain with a benefit bridge party tomorrow at the Gayoso Hotel at 2:30 o'clock. There will be table and attendance prizes and refreshments will be served. Dixie Mae Jennings is in charge of arrangements.

Material for Debate

At McGill University this question was recently debated: "Resolved, that it is better to be drunk than to be in love."

Love Again

"Avoid falling in love as long as possible" was the message of the Dean to the freshmen at Syracuse.

Track Stars Off For Tuscaloosa

BOBCATS MEET BULLPUP TEAM

First Frosh Track Meet Week From Today

Coach John Miller's Bobcats trackmen will experience their first competition a week from today when they engage the Bullpups of Union University on Fargason Field. The meet was originally scheduled for next Saturday, but had to be set up a day because of the Lynx-Ole Miss meet on Saturday afternoon.

Although the frosh have had no meets, they have been working hard for the meets to be held during the rest of the season. Coach Miller is dickering with several high school and junior college teams in order to line up a tourney list for his charges.

STAR LIST

"Red" Forman, Mack Givens, and Herman Baker will take care of the sprints for the first-year men. Harold Thomas and Phil O'Donnell will enter the distance runs. John Barnes has been doing some good jumping and pole vaulting all of this season. Givens and "Red" McLarty are scheduled to throw the weights for the Bobcats.

Famous Remarks

More people have died from drinking tuberculosis milk than from drinking whisky, but I do not therefore wish to prohibit cows.—A. McQuis-ten, member of Parliament.

It is our rule that he that works not, neither shall he eat. In capitalistic countries they now have amended it—he that worketh shall not eat either.—Premier Molotoff of Russia.

The greatest victory is that which is achieved over one's inclinations.—Alcala Zamora.

Our greatest difficulty is to convince a newcomer, fresh from college, that he must change his thought action from learning to doing.—Harvey S. Firestone.

The misfortunes of one nation never make for the happiness of others.—Former Belgium Premier Theunis.

The most beautiful memorial is a fragrant memory.—Le Baron Cooke.

In my opinion the present is one of the most interesting periods in the entire history of the world, yet possibly one of the most difficult for a young man seeking employment.—Daniel Willard.

Has it ever occurred to you that if Mr. Hoover is responsible for the depression, then he must have started the World War and put Germany in debt to the allies and the allies in debt to the United States?—Mrs. Dolly Curtis Gann.

No one can witness the planlessness of our economic life without questioning our economic and political leadership.—Rabbi Newman.

A famished stomach has no ears.—Urban Ledoux.

College Students State Points Which They Look Out For In Future Spouses

Flagstaff, Ariz.—(IP)—What are members of the younger generation looking for in future husbands and wives? Do men desire physical beauty? Does the girl want wealth and social position?

Results of questionnaires submitted to the 550 students at Arizona State Teachers College by an advanced course in heredity show none of these are important.

The common virtues of health and character led the list of 15 characteristics those answering the questionnaire were asked to rank. Men considered health most important in the future wife, with character second. Women wanted character first and health second. Both groups placed intelligence third.

Men rated personal appearance sixth and women placed it ninth. Nationality was rated as more important by the women than by the men.

Find Body

Howard Cook, Baxter Sloss, Claude McCormick, Herbert Pierce, and Johnny Hughes are still talking of the body of the dead negro woman which they found floating in Hatchie River Sunday morning. The five boys were out for a day's fun on the Mississippi in two canoes when they discovered the body floating in the half submerged willows along Hatchie. After the first excitement of the find the boys made as thorough an investigation as possible.

On their return to Memphis late Sunday afternoon they notified the police and a motorboat was dispatched to the scene. As yet the coroner has been unable to identify the remains.

VANDY DOWNS FIGHTING LYNX

Southwestern Takes Five First Places

Despite the fact that they won five first places, Southwestern tracksters succumbed to the power of Vanderbilt's track team last Saturday at Nashville. The Lynx were very much incapacitated by the loss of Herbert Newton, star of the team, who suffered the misplacement of a couple of bones in his foot while running the 100 yard dash.

Perhaps if Newton had been undamaged, the score might have been a different story. Southwesterners who won first places were Harvey Drake, Glenn Scott, Clarke Porteous, Harold High, and Carrol Cloar.

The two teams ran a mile relay for practice and in this event the best performance of the day was turned in. The Lynx team had a 65-yard handicap and finished two yards ahead of the Vandy relayers. One Vandy man ran the oval in 51 seconds and another ran it in less than 51.

Summary:
100—Woodward (V.), Johnson (V.). Time—10.4.

220—Woodward (V.), Johnston (V.). Time—22.7.

120—High hurdles: Drake (S.), King (V.). Time—17.

220—Low hurdles: King (V.), King (S.). Time—26.9.

440—Holliday (V.), Kennedy (V.). Time—52.2.

880—High (S.), Samuels (V.). Time—2:03.9.

One-mile—Porteous (S.), Samuels (V.). Time—4:37.7.

Two-mile—Pickett (V.), Proctor (V.). Time—10:20.1

Shot—Suhreinhich (V.), Newton (V.). Distance, 119 feet.

Javelin—Ross (V.), Smith (V.). Distance, 160 feet, six inches.

Pole vault—Scott (S.), Owen (V.). Height, 11 feet.

High jump—Newton (V.), Reisman (V.). Tied height, 5 feet 5 inches.

Broad jump—Cloar (S.), Miller (V.). Distance, 20 feet, 11 inches.

LYNX NET MEN BEAT MILLSAPS

Clay Court Aces Win All But One Match

Southwestern tennis team won over the Millsaps tennis team last week by the score of five matches to one. The lone Lynx loss was in the doubles. They were defeated by the Major team of Khayat and DuBard after a gruelling match. The score was 6-4 and 7-5.

The feature match of the day was that between Hines of Southwestern and Khayat of the Millsaps. Hines won out after a very thrilling pair of sets. The scores were 12-10 and 7-5. Both men played excellent tennis and time after time they drew applause from the crowd for their fine shots.

Other Lynx victories were Daimwood over Hester of the Majors, 6-3 and 6-0. Jones defeated Higdon by the scores of 6-3 and 6-1. Dan Ross defeated DuBard by the scores of 6-1 and 6-3. The second doubles match ended in a Lynx victory. Daimwood and Jones defeated Hester and Key, 6-3 and 6-2.

The Lynx have two more intercollegiate matches for the season. They will meet the netters of Mississippi State on the Southwestern courts and will engage the Lambuth Eagles on foreign soil.

News Flashes

More Beer, Says Doc

Washington—(IP)—"Beer contains almost as much energy value as the best milk."

This was the statement made last week to the Senate Committee on modification of the Volstead Act by Dr. Warren Coleman of New York, representing the New York Academy of Medicine, the Medical Society of the County of New York and the Association for the Protection of Constitutional Rights.

Dr. Coleman asserted that beer was a good tonic, that it aided appetite and digestion and that it would induce a gentle sleep.

Halt—One—Two

Akron, O.—(IP)—Conscientious objectors will be exempted from military drill at Akron University, but training is to be continued on the present compulsory basis otherwise, the board of university directors have decided.

The campus revolt against required drill for men students of the freshman and sophomore year broke out several months ago with the formation of a League Against Compulsory Military Training.

Colleges Get Rich

Washington—(IP)—Total college and university endowments for 50 leading institutions of learning increased \$48,940,000, or 5.6 per cent in 1931, according to an analysis of college endowments made by Wood, Struthers & Co.

In the same institutions endowments increased from \$433,244,000 in 1922 to \$923,522,000 in 1931, an increase of \$490,278,000, or 113 per cent.

Set Off Record Blast

Manistique, Mich.—(IP)—When 441,000 pounds of dynamite were set off in a quarry here, a faint record of the explosion was obtained on the seismograph at Georgetown University in Washington, D. C. The distance cross country between the two points is 735 miles.

Seven miles of TNT fuse were used to set the blast off all at once for the purpose of aiding scientists to record it.

The real purpose, however, was to dislodge 1,250,000 tons of limestone, a year's supply.

Mail Order Bride

Abilene, Tex.—(IP)—Miss Carol Johnson, a beauty queen at Simmons University, is to sail for Holland this month to be married, following a romance of two years which began because her picture was in the college year-book as one of the pretty girls on the campus.

Dr. A. L. Van Assenderp of Holland, a youthful university professor, saw her picture in the year book and wrote her. The correspondence developed, and two months ago Dr. Assenderp came here to see his fiancee. That settled things.

OLE MISS IS SET TO TRIM LYNX

Local Cat Raring to Show 'Em How It's Done

One week from tomorrow, Southwestern's track team will engage the runners of the University of Mississippi on Fargason Field. The meeting will be the second of the two colleges on the track in the past three years. The Ole Miss aggregation defeated the Lynx on the locals' track three years ago.

The coming of the Ole Miss crew means the presentation of Jack Burnett, star Ole Miss sprinter, and a very likely Olympic prospect from this section. He has been invited to run in the Drake relays the week following the Southwestern meet. The Drake relays are an invitation affair, and the standout runners of the country will be there.

Lynx runners have been putting in some hard licks in preparation for the Mississippi invasion. The dash men have been particularly active this week and will also put in some hard runs this week.

The Ole Miss aggregation is quite a formidable outfit and no doubt should give the Lynx plenty to think about. The running of Burnett, who sprints the 100, 220, and 440, is enough to warrant a large crowd at the meet. He is considered one of the standout runners of this section and will be a contender for the Olympics from this territory.

LYNXCATS SELL OUT FOR BAMA

Try-Outs for A. A. U. Set For Tomorrow

Southwestern will send several members of the team of track stars to Tuscaloosa, Ala., tomorrow for the Southeastern A. A. U. trials at the University of Alabama. It is almost a surety that Harold High will be entered in the 880 yard dash and that Clarke Porteous will run in the mile event. The Lynx will also send either one or two men to participate in the trials but the identity is not exactly determined as yet.

Fifty-two entries have been registered in the meet so far from various colleges in the district. The meet is under the direction of Coach Harold Drew at the University. Teams have been entered from Auburn, Vanderbilt, Georgia Tech, Presbyterian College, Lincoln-Memorial, Birmingham Athletic Club, and University of Tennessee.

The meet will be one of the outstanding events of the Southland and several Olympic prospects are sure to show their form in the get together. Bob Young, former Georgia runner, will run in the half mile event. He is the present title holder in the A. A. U. division.
