## DR. BEN LACY SPEAKER FOR PRAYER WEEK

Services To Be Held Twice Daily. Start On Feb. 21

On Tuesday morning, February 21, Dr. Ben Lacy, of Union Theological Seminary, Richmond, Virginia, will begin a series of prayer services at Southwestern. These services are sponsored by the Southwestern Christian Union each year, and have always met with the hearty support of the entire student body. The services will last for two weeks.

Dr. Lacy will speak each morning at the Chapel Hour, and again each evening at 7 o'clock. The services will be helpful to all students and each is urged to make plans ahead of time to attend each service.

Bob Pfrangle has announced that the Christian Union will hold a called meeting next Monday evening in the Private Dining Hall at 6 o'clock in order to complete the plans for the services and to devise means of making them a greater benefit to the student body. A committee will be appointed to work in connection with Dr. Lacy in regard to personal conferences should any student or students desire to speak with him about any matter pertaining to their own lives and life work.

Dr. Lacy is a most enjoyable speaker, and Union Seminary is quite proud of him. We are very fortunate in being able to have such a splendid man of such noble Christian character to speak to us.

## SCIENCE CLUB MEETS ON WED.

Robert Orr To Speak On "Paleontology"

The Science club will meet Wednesday at 8 p.m. in Dr. Huber's classroom in the Science Hall. Robert Orr will speak on "Paleontology."

The club held a meeting last Wednesday and Dr. Huber spoke on the geological and experimentation. Jimmy Hughes and Johnny Hughes, pre-medical students, were visitors at the meeting. After the paper was read a general discussion was held.

## Dr. Cooper To Lead Party On Big Tour

Dr. W. R. Cooper has been selected by the United Fruit Company to conduct a party of Memphians who will sail on a Caribbean cruise from New Orleans on June 20 for Havana and Central America.

The monotony of exams was relieved one night during exam week when W. M. Gause, special representative of the fruit company, and M. E. Moore, representative of the Southwestern Transportation Company, showed a travelogue film to the students in Hardie Auditorium. The pictures showed scenes of Cuba, Central America, and the Panama Canal.

## Elect Captains of Girl Class Teams

Election for captains of the class basketball teams was held Wednesday and the following were elected: Edna Barker, Freshettes; Helen Gordon, Sophomores; and Barbara Porter, Senior. The Junior captain will be elected today. The class teams will meet each other twice while each sorority team will meet their opponent once.

## TWO OLD STUDENTS RETURN FOR TERM

Students of Southwestern will be pleased to learn of the return of Goodbar Morgan and Anna Louise Cobb, former students who were enrolled here the first semester of last year.

Goodbar lives in Memphis, while Miss Cobb's home is in Whitehaven, Tenn. She is a sister of Oliver and Bill Cobb, both of whom are well known to all.

## WORKING FOR PHI BETA KAPPA

Faculty Committee Works On Petition

Progress is being made in the local petition for a charter in Phi Beta Kappa, national honorary scholastic fraternity, according to the committee which is working on this. Professors Swan, Rhodes, and Johnson are collecting data required by the organization.

If the petition is satisfactory, an inspector will be sent to Southwestern to look the situation over. If his report is satisfactory, the executive committee of Phi Beta Kappa will decide whether or not Southwestern is to be granted a chapter.

**STANDARDS HIGH**  
Although Alpha Theta Phi is the student organization petitioning Phi Beta Kappa, a chapter, if installed, must be granted to the faculty representatives of the honor society. The faculty will then admit the student members who are able to qualify. The required grades vary, but the standard is always high.

Dr. Swan announced that although there is a certain scholastic requirement that must be met, the mere fact that a student makes such grades does not necessarily admit him to membership. The candidate must be elected to the group as well as make a certain standard grade.

## Plan Presentation Of One-Act Plays

The Southwestern Players will present three one-act plays in Hardie auditorium March 15, under the special supervision of Southwestern's Beta chapter of Theta Alpha Phi, nationally known dramatic fraternity. The plays will be directed by Margaret Tallichet, Malline Lyon, and Ann Galbreath.

## PLAY POSTPONED UNTIL MARCH 2

The six-act play, "The Government Inspector," has again been postponed. The production will be presented March 2, 3, and 4 at the Stable Playhouse.

## ELECT JONES TO CABINET

Named To Replace Charles Hamilton

Jameson Jones was elected as freshman representative to the Southwestern Christian Union cabinet Monday to replace Charles Hamilton who has withdrawn from Southwestern and has matriculated at Whitworth College for the spring session.

It seems to be a Jones tradition to belong to the Christian Union. Paul Jones was a member of the union for four years. Tom has been a member for two years, and now "Hinky" starts out in his freshman year to keep up the old custom.

## Chi Omegas Will Have Stunt Night

Tonight the Chi Omegas will have their annual Stunt Night. Supper will be served at 6 p.m., after which the pledges will entertain and be entertained most royally.

At that time the actives have the privilege of calling on the pledges to do anything they wish. All of the upperclass girls and alums will be on hand to enjoy the fun. They are looking forward to a grand time being had by all. "Oh yeah?" say the pledges.

## Lost—One Mirror!

The Kappa Sigs have gone on the warpath in search of their mirror. It seems that the big mirror which hung over the table in the reception hall of the lodge has mysteriously disappeared.

None of the members of the frat or the pledges are able to bring forth any solution as to its whereabouts. The boys can't decide whether someone took it as a practical joke or whether they just needed a mirror for their home.

A rigorous search has failed to find even a suspect.

## A. O. PI PLEDGES HONOR ACTIVES

Give Dance At Home Of Therese Canale

The A. O. Pi pledges are entertaining the actives with a dance at the home of Miss Therese Canale tonight from 8 to 11 o'clock. A Valentine motif will be used in the decorations.

Askew, Jessie Richmond with Marion Cobb, Dorothea Sledge with Charles Sherman, Winona Bates with Leroy Montgomery, Margaret Tallichet with Bob Walker, Clara McGehee with Dutch Bornman, Peggy Walker with Alex Wellford and Teddy Mack, Margaret Mercer with Murray Hall.

## Zeke Knight Has Tonsils Removed

Zeke "Sheriff" Knight, center and captain of the basketball team, had his tonsils removed Monday at Methodist Hospital. The defective tonsils had caused a painful swelling to appear in Knight's ankle.

He is doing nicely and is in hopes of being fully recovered before the Dixie Conference cage tournament which will be held in Chattanooga Feb. 17.

## Tri-Deltas Pledge

The Delta Delta Delta sorority announces the pledging of Margaret Varner of Memphis. Miss Varner is a transfer from Wesleyan College, Macon, Ga. She is a freshette.

## UNION INVADES LYNX GYM FOR GAME TONIGHT

Meet S.I.A.A. Opponent At 8 P. M.; Knight Still Out

The Union Bulldogs invade Southwestern tonight for a basketball game at 8 o'clock. Confident after their 29 to 18 victory over Southwestern in Jackson, the Red and White garbed lads from Union are determined to beard the Lynx in their own lair.

Still minus the services of their star center and captain, Sheriff Knight, Southwestern will have a real battle to keep from bowing to Union. The Lynx need a victory over Union in order to insure their invitation to the S. I. A. A. tournament later this month.

Probable lineup for the game will be as follows:

Union	Pos.	Lynx
Maples	F	Love
Caver	F	High
Stripling	C	Newton
Mullins	G	Perrette
Pudor	G	McLarty

## CHI DELTA PHI MEETS MONDAY

Well-Known Novel To Be Discussed

Chi Delta Phi, honorary girls literary society, will meet at the home of Miss Mary Kennedy Hubbard on Eastmoreland, Monday afternoon at 3:30 o'clock.

Miss Annabell Cox will have charge of the program of the meeting which will consist of a discussion of "The Fountain" by Charles Morgan. All the members of the society have read the book and will give their criticism of the much discussed novel.

## Z. T. A. Initiates Two New Members

The Zeta Tau Alpha gained the honor of being the first to initiate some of its pledges. The Zetas initiated Lucille Woods and Margaret Drake on Monday night.

The sorority also takes pleasure in announcing the repledging of Anna Louise Cobb, Whitehaven. Miss Cobb attended the college last year and was a pledge to the sorority.

## Attorney Speaks To New Law Club

Jimmy Blount, prominent young attorney, was the speaker at the initial meeting of the Law Club last Wednesday. The club is open for membership to all students interested in Pre-law work. Dr. Cooper, who holds a law degree from Alabama, is the faculty advisor.

## Council Adopts New Constitution

A constitution has just been adopted by the Student Council. This is the first time the council has operated under such a document since its organization. Dutch Bornman acted as chairman of the committee to draw up to the constitution, with Franklin Kimbrough and Goodlett Brown assisting in the work.

## Porter Stars In 'Y' Water Meet

Jerry Porter, Southwestern freshman, was one of the members of the Y. M. C. A. swimming team that defeated the Nashville "Y" team last Saturday night at the "Y" pool. Porter won first place in the 100 and 200 yard free style swims, and was also a member of the winning 240 yard relay team.

## Nitists To Meet Thursday 8 P. M.

The regular meeting of the Nitist Club will be held Feb. 16 in the Bell room of Neely Hall at which time Maurice Carlson will read a paper on "Technocracy." Ronald Hayhoe, president of the club, will have charge of the meeting.

### Merely a Bit Of Nonsense

TO A CO-ED  
 Because you stole my heart away  
 And broke it quite in two,  
 Because you said you really cared  
 And now you say you're through.  
 Because you're such an angel—but—  
 But just such a sap too!  
 That's why I'm flunking out, my dear,  
 It's just because of you!

It wasn't the cough  
 That carried him off,  
 It was the coffin  
 They carried him off in.

Anyone can play bridge, but it takes a cannibal to throw up a hand.

Co-Ed: "Say, getcha hand offa my knee!"

Baskin: "I was just going to say what a knee joint you have here."

During a stiff quiz in calculus, Professor Hartley asked why so many of the students were looking out of the window. The snappy reply was, "We want to see somebody passing."

Bride—How do you like my cakes?  
 Husband—Well—er—to be honest, it is just like those cakes of which my father used to say they were not like his mother used to make.

"Does your wife ever talk to herself?"  
 "Not to realize it; she thinks I'm listening."

A traveling man went into a country hotel. There was a very dim lamp burning in the office. He remarked to one of the farmers seated in the office that the light was not very good. The farmer replied, "By heck, you know that I think two lamps like that would make total darkness."

She—"How do you feel tonight, dear?"

He—"With my hands."  
 She—"Now, honestly, how do you feel?"

He—"Oh, I'm feeling fine."  
 She—"Now, stop that."

Business Executive (to new French valet)—"I've come to Paris to establish an office in order to get away from those infernal 'Yes men' in the States. Clever, eh?"  
 New Valet—"Oui, Monsieur."

Webster says that taut means tight. I guess I've been taut quite a bit in this school, after all.

She—"I sang in my bath this morning."  
 He—"I wish I could have been there, too. I'd rather duet than anything."

LOVE IS A FEELING. GENERALLY AROUND!

A farmer sold a load of produce at the market and he decided to surprise his wife, so he bought a suit of clothes, a hat, a pair of shoes and put them under the seat. On his way home he stopped at the river, took off all his old clothes and threw them in. Then he looked under the seat for his new outfit. Everything was gone.

He thought for a moment, then he climbed into his wagon, cracked his whip and said, "Gidup, I'm goin' to s'prise her anyhow, by heck!"

"Is he a literary man?"  
 "Yes—he has the best cellar in town."

Golfer (to members ahead)—"Pardon, but would you mind if I played through? I've just heard that my wife has been taken seriously ill."

There was a young woman named Florence,  
 For kissing she held an abhorrence.  
 One night she got kissed,  
 And saw what she'd missed,  
 And her tears trickled down in great torrents.

Eve (from the bushes)—"Adam, dear, close your eyes so I can come home."

Adam—"What's the matter, my own?"  
 Eve—"I've been A. W. O. L."

How can the barbecue still enjoy favor when spit is such a horrible word?

## Just a Bit of Dorm Life

### CALVIN HALL

Deeply engrossed in the trials of the new semester, the boys in Calvin Hall have been rather quiet during the past week. Also, some of the fellows have been on the quiet awaiting the fraternity "fireworks" which came to some last Saturday night.

Marion Cobb looked as though he had just come out of a faint Monday morning; the Kappa Sigma boys must have "put him through" right. Dickie Dunlap seemed to be consoled since the A. T. O.'s allowed him to come home by 2 a. m. Sunday morning. He says he had a nice jaunt in to town from whereabouts unknown to him.

There have been several changes of rooms since the beginning of the new semester. Raford Herbert is now rooming with Louis Duffee since George Hymers left. Bill Cox, Herbert's former roommate, is rooming with Herman Bass since Bill Eldred left. "Rainey" Mathieson has come to Calvin from Stewart.

No one has yet discovered who Max Ussery escorted to the "Vanities" last week. He showed everyone his two tickets but refused to tell who would be his partner at the entertainment. Also, Russell Cross purchased four tickets for the Little Theatre's "Craig's Wife" and then decided not to use them. He was last heard trying to sell them to someone at half price.

### BOBCATS LOSE TO BULLPUPS

Union Freshmen Win By Score of 41-35

Southwestern's Bobcats met their second defeat of the season Friday night when they were defeated by the Union Bullpups at Jackson, Tenn. The score was 41 to 35.

After holding the Bullpups even for the first half, the defense of the Bobcats cracked during the last half, and the Union team won a hard-fought victory. Smith of Union was high scorer with 22 points. Mays and Rasberry with 11 points each, led the freshman scorers.

The Bobcats recently defeated the Union team 53 to 35 in a game played in the Lynx gym.

Lineup:  
 Union 41 Pos. Bobcats 35  
 Lewis 6 F Mays 11  
 Smith 22 F Owens 2  
 Prundrant 11 C Wallace 7  
 Kiles 1 G Rasberry 11  
 Ammons 1 G Barefield 4  
 Substitutes—Union: Prescott.

### 36 Year-Old Vet Is Smartest Frosh

Chicago—The smartest freshman at the University of Chicago is a 36 year old World War Veteran who is the father of two children.

He is Linton Keith, who before he joined the Marines in 1917, was valedictorian of his high school class at Princeton, Ill.

Now, gossip of gossipers, James Overholser, that seclude, or is it re-clude? went stepping Sunday evening. We have been given to understand they played "duets." Now, now! James!

### STEWART HALL

Stewart Hall goes Athletic!  
 Most of the inmates of the famed institution are out for spring football. Among the spring footballers we find Ned Wright, erstwhile "cookie pusher," who is sacrificing a business career for the manly sport. While Uncle Jimmy Haygood, Jr., is out, there is an excellent chance that he may lose his crown as king of the tea hounds.

Sheriff Knight is greatly missed and Stewart Hall is looking forward to his early return. Freshman Benton barely made the scholastic standard of Stewart with all A's.

During exam week many of the boys went home and the following failed to return: Gephart, Hammond, Taylor, Parron, Henry. Matheson transferred his place of residence to Calvin. Au revoir, boys.

Dan Ross, the one man graduating class, has left our midst. Good luck, Dan. Art Womble is back in circulation again, after being confined with a bad foot. Moon, White and Ned Wright have moved together and study hall is held every Sunday night.

### KNIGHT KEEPS SCORING LEAD

Perrette Moves Into Second Place

Despite the fact that he played in only two games while his teammates engaged in six tilts, Sheriff Knight, Lynx cage captain, still maintained his lead as high individual scorer.

Cotton Perrette moved into second place in the scoring parade, forging ahead of Newton, who was next to Knight last week.

Knight	55
Perrette	42
Newton	39
High	38
Love	32
McLarty	26
Johnson	4

### Start Working On Next Journal Issue

Henry Oliver, editor of the Journal, has announced that the next issue of the publication will appear sometime in May. He is anxious to secure contributions, and urges students to hand in their articles as soon as possible.

### WM. WALKER ON ROAD TO RECOVERY

William Walker, popular K. A. pledge, is in the hospital recovering from an attack of infantile paralysis. William was stricken Friday and was removed from his home for further medical care Saturday.

### Are You Listening?

There certainly has been a great deal happening around these here parts. Every thing from the horse-play Saturday night, which was staged by the Kappa Sigs, A.T.O.'s and S.A.E.'s, to the final grades being given out.

Peggy Walker, so I hear, really embarrassed Dutch Bornman the other day when she called him "Dutchie-Wutchie" in front of Dr. Johnson. Now, Peggy Baby was that nice? . . . I wonder why Eloise Brett dances with her eyes closed. . . . I hear that Robert Neil is very fond of a certain young lady. Well, I "hope" so!

Sidney Strickland and Dorsey Barefield have turned blonde, watch out girls! . . . Saw Douglas Grymes with Katherine Dickinson strolling around campus the other day, just before Kack left for Europe. . . . I hear there is to be a wedding early this spring. The lucky young man is a Kappa Sig and the young lady is a Chi O. Neither are going to school now. . . . What's this I hear about Jim Gautier raving over a certain Mr. Hayhoe?

I saw Charlie Ledsinger the other day as mad as a hornet 'cause somebody took the coils out of his car. . . . Speaking of cars, there are a few that answer to such names as Elizabeth, Henry, Henrietta, Rebecca, and quite a few come without calling.

What's this I hear about one of the young men in Stewart Hall, who woke up the animals in the zoo the other night? And lost his voice at that. . . . I would like to know what Chicken High was doing last Sunday evening; now, Chicken. . . . Somebody told me the other day that Mac Givens and Dick Mays are having a friendly something or other over Adele Bigelow. May the best man win!

Who pushed Ella Kate in the wastebasket down in the store the other day. And was her face red!

J. O. Wallis was quite embarrassed while riding through Overton Park a few days ago. Now, I wonder what could have caused that! . . . The Chi O's are going to have "stunt night" tonight and it promises to be a howling success. . . . I hear that they are now calling Jimmy Haygood "Uncle Jimmy." Fo' heaven's sake! . . . The A. O. Pi's are giving a dance this evening.

### OLE MISS EDS SHED "TEARS"

Tear Bomb Exploded Prior To Big Ball

University, Miss.—The Annual Mardi Gras ball at the University of Mississippi is a gay affair and usually no one sheds any tears about it.

This year, however, some 30 students at the university wept copiously just before the ball while their 30 "dates" sat impatiently waiting in the women's dormitory.

Some smart undergraduate exploded a tear gas bomb in Hill Hall, men's dormitory, just as the men students were dressing for the party.

### Technocracy Looked Upon With Disfavor By S'western Students

Some Are In Favor of New Principles. Faculty Also Frowns On New Economic Project

After due interview with a large number of Southwesternites, it is the opinion of Ye Old Rambling Reporter that Technocracy is looked upon with great disfavor. Opinions of the students is divided but the faculty is unanimous in regarding Technocracy as so much bunk.

Anne Galbreath—"I don't think it can succeed, although it sounds like a good idea. It is too radical."

John Farley—"It's just so much talk."

Pud Mahan—"I think it is a fine idea. Something has to be done, and Technocracy looks like the logical solution."

Harvey Drake—"It is a problem, not an answer. It is just another name for what we have been calling 'Depression.' We need solutions, not more economic problems."

Malline Lyon and Jane Erskine—"It is a good idea. It is too deep for the average worker to understand, and consequently it has been twisted

until it means nothing. But the basic and original idea is good."

Sidney Strickland—"If it is as mixed up to the average person as it is to me, it surely won't be popular."

Charlotte Berlin—"I don't think that men ought to work between the ages of 20 and 40. Those years are the best in their lives. They could work from 40 to 50 and then get he pension, still having time enough to enjoy life."

Deedie McConnell—"There is a lot to it. I'm greatly in favor of it. People don't have equal employment chances now. So many people never have any money; if they did, they would do just as well in life as the rich man."

Lib Pearce—"I think it is a lot of bunk. It is not at all practical and is far too complex for the affected classes to understand and make use of."

Charlie Ledsinger—"I do not think it can be worked out satisfactorily. As much labor as before can not be used successfully with machines."

### DIXIE CAGERS PLAN TOURNEY

Annual Tourney Starts Thursday

The Dixie Conference basketball tournament will be held Feb. 16, 17, 18, at Chattanooga, Tenn., with the U. of Chattanooga playing hosts to the conference. It is not a certainty that Southwestern will be represented, but there is a good chance of the Red and Black cagers going. Their chances of making a creditable showing are largely wrapped up in the strange injury of Zeke Knight. If Knight is able to play, the Lynx have a chance to cop the championship.

Approximately a week later, the S. I. A. A. tournament will be held in Jackson, Miss., with Millsaps and Mississippi College acting as co-hosts. Southwestern must receive an invitation in order to be eligible for this tournament.

It is likely that there will be an executive meeting at Chattanooga and plans will be formulated for the Dixie track meet.

Dr. W. O. Swan, Southwestern president of the Conference, and Coach Haygood will represent the Lynx at this meeting.

### CLASS GAMES CARDED TONITE

Juniors vs. Seniors; Frosh vs. Sophs

Two games are scheduled in the inter-class league tonight. The freshmen will meet the sophomores in the opening game, and the seniors will play the juniors in the second game.

In the opening games of play Tuesday, the sophomores defeated the seniors, 20-12, while the juniors trimmed the freshmen 23-22.

Lineup:

Freshmen	Pos.	Juniors
Lloyd 6	F	A. Edington 12
Holcomb 11	F	Streete
Hammond	C	D. Edington 4
Hawkins	G	Bearden 2
Dinwiddie 5	G	Durant

Substitutes: Freshmen: Haygood, McCormick, Holt. Juniors: Wright 5.

Seniors	Pos.	Sophs
Womble	F	Huckabee 9
Fortenberry 4	F	Hill 1
Holloway	C	McCollum 8
Kimbrough	G	Barnes 2
Hebert	G	Givens

Substitutes: Seniors: Daimwood 8, Brown.

A man wandered into a tennis tournament the other day and sat down on the bench.

"Whose game?" he asked.

A shy young thing sitting next to him looked up hopefully.

"I am," she replied.

ILLUSION:

The stage is all set for target practice. The magician lifts his bow and aims an arrow at the bull's-eye. His lovely assistant then steps in front of the target and he shoots the arrow—apparently through her—and it fixes itself in the very center of the bull's-eye! And she smiles through it all while the audience gasps.

EXPLANATION:

The arrow which the marksman "shoots through" his assistant simply folds up into the crossbow! The arrow which is actually embedded in the target is shot by the girl herself from a belt concealed under her dress. She releases a little spring, the arrow unfolds, and shoots straight into the bull's-eye! It is all done in a flash! So quickly the eye cannot detect the girl's movements! To heighten the impression that the arrow has gone right through, the girl releases a ribbon from the front of her dress—the continuation, apparently, of the ribbon attached to the arrow in the target.

# It's fun to be fooled — ...it's more fun to KNOW

Like to see through tricks? Then let's look at another... the *illusion* in cigarette advertising called "Cigarettes and Your Throat."

The audience is told that by certain magic processes tobacco can be made as soothing as cough medicine.

EXPLANATION: The easiest cigarette on your throat is the cigarette that is made from the choicest ripe tobaccos. Cheap, raw tobaccos are, as you would naturally expect, *harsh* in their effects upon the throat.

If you have to consider your throat, the quality of the tobacco in your cigarette is important.

It is a fact, well known by leaf tobacco experts, that **Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand.**

Camels are as non-irritating as a cigarette can be because Camels use choice, ripe, tobaccos.

And because of the matchless blending of these costlier tobaccos Camels have a rich bouquet and aroma... a cool, delicious *flavor*.

Keep the air-tight, *welded* Humidor Pack on your Camels... to assure yourself and your companions a fresh, cool smoke.
