S. A. E.'S NEW LODGE

S. A. E. START CAMPUS LODGE

Break Ground and Begin Work On House

Last Saturday the active chapter and pledges of Tennessee Zeta of S. A. E. saw the completion of plans that they had been making for some time. At 2 o'clock that afternoon the official ground-breaking ceremony was held with a large group of the chapter's alumni present. It was largely due to extensive efforts of several of these alumni that the chapter house can, at this time, be erected. The house will be constructed of the same material of which other buildings on the campus are made. It will consist of a large chapter room, reception room, billiard room, and office for chapter records. The lot, furnished by the school, measures 60 by 50 feet, and the plans call for a complete utilization of the lot.

It is hoped that the house will be completed by May 1, at which time it will be dedicated, and the chapter will move into its new quarters just as soon as it can be furnished.

NEW LITERARY ORGAN IS OUT

Carlson Is Associate Editor

Thursday marked the appearance of another periodical on the Southwestern campus. The new journal is called "The Observer, A Literary Publication." Blaine G. Treadway is the editor. Maurice Carlson is one of the associate editors.

The new magazine solicits contributions from those who are interested in things literary. The recent edition contains short stories, book reviews, essays, poems, editorials, and a review of "Of Thee I Sing."

Among the notable contributors are Dr. A. T. Johnson, Southwestern, who reviewed "Ann Vickers"; Dr. Harry W. Ettelson, Ph.D. from Yale, who wrote some excellent poetry; and Dr. Richmond C. Beatty, S. T. C., who wrote a very good short story.

The purpose of the magazine is to stimulate an interest in creative writing. It will be issued monthly on the 15th.

Six Kappa Alpha Pledges Initiated

The Alpha Epsilon Chapter of the Kappa Alpha Fraternity at Southwestern initiated six of its pledges Sunday evening at Hotel Peabody. Two of the pledges, William Walker and Logan Hughes, were ill and could not attend the ceremonies. They will be initiated at a later date.

Those admitted to the fraternity were: Hunter Scales George, Macon, Miss.; Julius Klaus, Macon, Miss.; Arthur Baskin, Bishopville, S. C.; John Hines, Memphis; George Cooke, Jr., Memphis; and Duff Gaither, Memphis.

Bill Thomas is president of the local chapter.

Chi Omega Award To Savilla Martin

It is an annual custom in the Chi Omega chapter to give a bracelet to the one whom the actives consider as the best pledge. The merit of award is based on scholarship, on extra-curricular activities, on loyalty to the sorority, attitude toward the actives and sociability among the pledges.

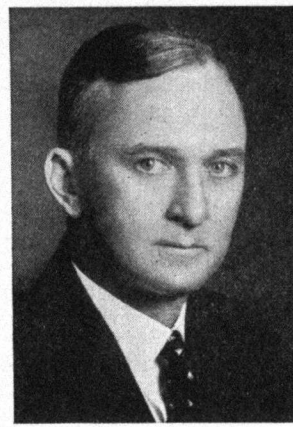

This year after several meetings of consideration—choosing one out of twenty-three isn't such an easy job!—the chapter selected Savilla Martin to wear the coveted bracelet until next year, when it will be awarded to another pledge.

Alumnae To Meet Tuesday Evening

The Memphis chapter of the Southwestern Alumnae Association will meet Tuesday evening at 7:30 o'clock in the Alpha Omicron Pi lodge for its regular monthly meeting.

Dr. W. R. Cooper will read a paper to the club. The hostesses for the meeting will be Miss Gladys Gibson, Miss Virginia Richmond, and Miss Elizabeth Beasley.

Speaker

DR. BEN R. LACY

FIRST DEBATE CARDED FEB. 28

Quibblers To Hold Try-outs On Wednesday

The first debate of the season will take place on February 28, when the Lynx speakers will match arguments with representatives from Asbury College. The point at issue will be the Pi Kappa Delta question, "Resolved: that the United States should cancel all inter-allied war debts." There will be a ten minute constructive speech and a six minute rebuttal. The Lynx will have the affirmative side of the debate.

As there is a large group of new men interested in inter-collegiate debating, tryouts for all those who have not represented the college in at least one debate will be held on February 22.

A committee from the faculty and last year's debating team will judge the contestants. Those trying out are allowed to speak on either side of the war debt question.

Among those expected to try out are: Morris Hines, Robert Walker, James Gregory, Dick Dunlap, Franklin Kimbrough, Charles Woolfolk, William Blue, Andy Eddington, Ed Hutchison, Herman Bass, Bill Duease, John Jordan, David Flowers.

A. T. O.'s Initiate Five New Members

The A. T. O.'s held a formal initiation Monday night in the Chi Omega lodge. The initiates are Richard Dunlap, Paris, Tenn.; John Farley, Memphis; Ernest Sawrie, Clarksville, Tenn.; Harold Thomas, Mobile, Ala.; and Max Usrey, Blytheville, Ark.

Preceding the ceremony the actives and initiates held a banquet in the private dining room of Neely Hall. After the initiation the chapter went to Fortune's for sandwiches.

Beta Sigma To Initiate Monday

Beta Sigma Fraternity will hold their formal initiation Monday night at 7:30 o'clock in the A. O. Pi lodge. Those who will receive the final degree of initiation at that time will be: Edmond Hutchinson, Curtis Johnson, Neal Tapp, Roy Shepherd, Herbert Williams, and Bob Williams.

TWO SERVICES DAILY; DR. LACY TO BE SPEAKER

Christian Union To End Series With Third Vesper

The annual week of prayer services sponsored by the Southwestern Christian Union will start Tuesday morning. Two services will be held each day. The first service will be held during the chapel hour, and the night service will be held at 6:30 o'clock.

The speaker for the services will be Dr. Ben R. Lacy, president of the Union Theological Seminary, Richmond, Va. The week of prayer will be concluded with a vesper service that is to be held on the Day of Prayer for Colleges, Feb. 26.

VESPER SERVICE

Plans for the Vesper Service to be held at 5 o'clock, are being rapidly completed. The Christian Union Vesper Committee, composed of Nell Davis, chairman; Louis Nicholas, and Russell Perry, and the sophomore class committee are collaborating to make this the largest and most effective service of the year.

The sophomore class is sponsoring the vesper and the class president has appointed the following committee: McLemore Elder, Tom Jones, Alvan Tate, and Lucien Connell.

The occasion will celebrate the Day of Prayer for Schools and Colleges, and the decorations will carry out this idea. A Christian Flag, which has just been bought by the Christian Union, and an American Flag will furnish the chief ornaments.

Dr. Lacy, Union Theological Seminary, Richmond, Virginia, will conduct the service, with Professor William Orr, presiding.

MINISTERS TO HOLD SERVICE

Will Go To Tunica At Special Request

The Ministerial Club will travel down to Tunica, Miss., sometime next month to conduct the morning service at the Presbyterian Church there. The invitation has been given and received by the club through its Look-out Committee. The chairman, Russell Cross, announced that the program of the Ministerial Club will be enlarged during the coming months, and this is the first step.

Another of the series of radio programs will be presented, probably February 24. Several requests have been received that the club repeat "A Mess of Pottage." Dr. Gypsy Smith, evangelist, who is holding services at the Idlewild Presbyterian Church, preached on this subject last week, and several of his hearers have requested that this program be repeated.

Send Delegates To Kappa Sig Conclave

Harte Thomas, Russell Perry, and Herbert Pierce are attending the annual district conclave of the Kappa Sigma fraternity which is being held this week-end at the University of Kentucky, Lexington, Ky.

Delegates from Sewanee, Vanderbilt, Tennessee, Kentucky, and Southwestern are attending. The conclave opens tonight and lasts through Sunday. Perry and Thomas are the delegates and Pierce is the alternate.

Kappa Sigs Pledge

The Kappa Sigma fraternity announces the pledging of David Flowers, Memphis. Flowers is a freshman, having enrolled at the college at the start of the second semester.

Merely a Bit Of Nonsense

THE PUPPY IS A CONSTANT REMINDER OF THE GIVER.

"Oh, Mr. Buckingham, you have egg spilled all over the front of your coat."

Beverly (with his customary *savoir faire*): "That's all right; I look well in anything I eat."

For Sale—A good cow that gives 2 gallons of milk at a milking and several excellent straight jackets.

FLOORWALKER (AT 1 A. M. TO BURGLAR IN HIS HOME): "SILVERWARE? YES, SIR, STEP THIS WAY, PLEASE."

"Bull dog for sale, will eat anything, first \$20 bill gets him. Very fond of children."

MACBETH'S SENTINEL (UPON SPYING BIRNAM WOOD MOVING DUNSINANEWARD): "CHEESE IT, THE COPSE."

Mabel—"Aren't you crazy for summer?"

Gert—"Yes. I can hardly wait for the time to come when I can be as warm from my knees down as I am from my knees up."

"FAST GIRL'S BASKETBALL TOURNAMENT OPENS HERE WEDNESDAY."

"Hey, waiter, if this ain't too much of a hick place, bring me chicken a la king."

"What kind, sir, Henry the Eighth or Louis the Fourteenth?"

"Tom," said the beautiful co-ed, as she snuggled up to his side in the shady nook, "what do you think of Einstein's theory of relativity?"

Co-ed—"Isn't that the moon over there?"

Frosh—"I don't know. I'm a stranger around here, too."

THE PARTY WAXED MERRY—POOR MARY.

England's repudiation of the gold standard was certainly a tough break for the co-eds. Oh well, they can still become platinum blondes.

Professor Schlitz wanted all his students to answer "here," instead of "present," when the roll was called, however Mr. Space insisted on answering "present," when he heard his name, much to the displeasure of the dear old prof.

One day, when the prof was in an unusually bad humor, he called the roll, and, as was to be expected, Mr. Space answered "present." This irked the old boy considerably, so he came back with, "Present, Hell, you're here just like the rest of us. This ain't no Sunday School."

Co-ed—"Jack, are you sure it is me you are in love with and not my clothes?"

Jack—"Test me, darling."

Judge: "Ten dollars or ten days." H. Nall: "I'll take the money."

"Tut-tut!" said the preacher-golfer as he missed his iron shot. "Mister," said the caddie, "you'll never learn to play golf with them words."

"Put up your hands!" commanded the larger of two bandits who had stopped the coach. "We're goin' to rob the gents and kiss all the ladies." "No," remonstrated the smaller one, gallantly. "We'll rob the gents all right, but we'll leave the ladies alone." "Young man," snapped a female passenger of uncertain age, "mind your own business! Your friend's managing this holdup!"

Her—"When a man who bores me terribly asks me where I live I always say in the country."

Him—"How clever! And where do you really live?"

Her—"In the country."

Mabatma Gbandi is a good fellow. But we certainly do think that he's bad publicity for the goat milk and loin cloth manufacturers.

SHE WAS ONLY A MINER'S DAUGHTER—BUT OH WHAT NATURAL RESOURCES.

"Say, mister, what's Josie's last name?" "Josie who?"

Just a Bit of Dorm Life

CALVIN HALL

Dickie Dunlap has finally supplanted a couple of upperclassmen for the telephone calls championship. Your correspondent figured that he won by two calls last week. The boys of Calvin are worried about L. A. Dufree. He has cut down on his bridge game and seems content to sit and "think." We wonder about whom.

Many of the Calvin inmates were conspicuous by their absence Tuesday night. They all returned raving about a famous singer. Inquiry revealed that it was not "Rudy," but a certain glorious blonde torch singer who must have stolen the Vallee thunder.

Rhythmical strains were wafted out of the A. T. O. room the other night. Calvinites thought another radio quartet had been developed to rival the Mills brothers. Investigation revealed that it was only Bearden, Mathewson, Moss, and Cloar practicing a little harmonizing.

EVERGREEN HALL

This has been a very festive week—Valentine's day brought several delightful packages and, although there's a depression, and always the pessimists saying there's no more love. It seemed that several of the girls must have left some dear ones at home judging from the size and sweetness of some of the hearts received this week.

Maybe, however, all of these hearts did not come from parts away from the Southwestern campus as several of the campus "eds" are still beating a worn path to the door of Evergreen.

Last week's snow caused quite a bit of disturbance and everyone seemed to enjoy it. On Friday night there was such a supply of snow ice-cream that several sore throats resulted and—did anyone see those two co-eds who got quite frisky and played in the snow for hours?

LYNX CLOSE CAGE SEASON

Authorities Call Off Rest Of Schedule

Southwestern athletic authorities have called off the remaining basketball games that the Lynx had scheduled for the current cage season. The games were cancelled in order to curtail expenses in the athletic department.

The cancellation means that games scheduled with Sewanee and trips through Louisiana and Mississippi have been called off. The Lynx are also passing up the Dixie and S. I. A. A. tournaments.

POOR RECORD

The Southwestern team did not enjoy any success on the court this season. They won but two games and lost seven. Five of these defeats were handed the Lynx in the last five games of the season.

Six members of the squad ended their cage service for the college. They are Capt. Knight, Newton, High, Love, Perrette, and Drake.

The Lynx scored 265 points during the season. Individual scores are as follows:

Knight	55
Perrette	48
Newton	47
Love	42
High	41
McLarty	28
Johnson	4

K. D.'S CONFER SECOND DEGREE

The Kappa Delta gave the second degree of initiation to three of its pledges last week. The final degree will be conferred sometime within the next week. Those receiving the second degree were Louise Coppedge, Martha Shaeffer, and Vivian Lee.

SPANISH CLUB HOLDS MEETING

Dr. Storn Gives Illustrated Lecture

The Spanish Club held a meeting Wednesday night in Palmer Hall. Refreshments were graciously furnished by two members of the club, Miss Mildred Brandes and Mr. Wilburn Jenkins.

Dr. Storn gave a lecture on "Ancient Mexican Art and Recent Excavations of Old Maya Civilization in the Yucatan Peninsular."

According to Dr. Storn, "Recently some wonderful excavations have been made, and the work is being further carried on at the present time, particularly by Europe and the United States."

"The dates go as far back as 6,500 B. C. The civilization that is being unearthed is a highly religious one. Nearly all the works of art were done in the interest of their religion. Their's is a civilization that is contemporary with Greek civilization. Both the Carnegie Institute in Washington and the Smithsonian Institute are vitally interested in these Maya excavations."

DIXIE MEET IN PROGRESS

Second Annual Tourney At 'Nooga

The Dixie Conference basketball tournament is now in full swing in Chattanooga, Tenn., with the Moccasins of Chattanooga U. as hosts. Chattanooga is the defending champion and is conceded a good chance to repeat.

Southwestern is the only conference member not represented.

Are You Listening?

More excitement this week—Rudy Vallee has come and "went," and the girls are still sighing over his grand music. Quite a few from Southwestern were represented last Tuesday. I saw the following either dancing or listening—Shirley Ham, Lone Wall, Tom Wellford, Walker Lewis, Howard White, Henry Nall, Aylmarie Pearson, Clough Eaton, John Hines, Clark Porteous, Marjorie Davis and Bill Taylor.

I would like very much to know just what Bunny Brown was thinking when he said he was "walled" in, and all the time he was only walking around a lamp post last Saturday night? . . . Why do they call Claude McCormick the "Big Boss"? . . . Who is the young lady "Deacon" Thomas thinks is so sweet, and she doesn't go to school now? 'Fess up, Deacon.

I wonder if Carroll Cloar can explain just what happened to those blue corduroy pants last Friday night . . . I hear Johnny Holcomb thinks that Rebecca Laughlin is really something, well! well! . . . Charlie Woolfolk and Andy Edington are vying for Ella Kate Malone's affections. Oh, to be a blonde! . . . Saw Helen Gordon with that good-looking boy from Arkansas the other day—ain't love grand?

I am very much interested in finding out who Sid Hebert is taking to the A. T. O. party; Sid is getting to be a regular "Ladies' man." . . . Herbert Pierce, Russell Perry, and Harte Thomas are leaving today for the Kappa Sigma District Conclave in Lexington.

Willie Laura Hungerford has the best looking Sigma Chi pin, the lucky girl! . . . I hear Vernon Pettit can't say sweet things to Virginia McCaslin in chapel now that the seats have been changed. Too bad, Torchy!

Why won't Jesse Richmond call up the dormitory 'cept when Marion asks her to? Fo' heaven's sake! . . . I hear the K. D.'s are getting very exclusive—and go to lunch in taxicabs. Goodness, me!

Why did Harvey Drake fall over that chain on the campus late last Monday night? . . . Why is Bernice Cavett called "Come Hither"? . . . I hear Razz is having a hard time with the ladies, poor boy!

I wonder why Herbert Newton sang "Way Down Yonder in New Orleans" last week? . . . Who was with Jane Erskine when she hurt her arm? . . . I would like to know who Toxie takes to the Varsity Club dances—can it be Nell?

Two S'Western Co-Eds Attend Pre-Mardi Gras Festivities

Corinne and Lillian Gautier Tell of Thrilling Times In New Orleans. Gay Occurrences Mark Entertainment

Those Southwesternites who are planning to attend Mardi Gras in New Orleans week after next will be interested to hear of Lillian and Corinne Gautier's last week-end sojourn in the Crescent City while attending the Pre-Mardi Gras festivities.

The two popular Tri-Delts left Friday night to spend three days with their cousin, Alice Parker, a debutante of this season, who was chosen to represent the Queen of India in the Athenian Ball, held Saturday night in the City Auditorium. Lillian and Corinne were "just lookers-on."

As Lillian described her trip, in a hurried interview to the Rambling Reporter as both were going into the Lynx Lair for lunch, "It was perfectly swell. I went to two or three night clubs, the most interesting of which was, of course, the 'Montmartre.' I just had to see what a speakeasy was like inside, too.

"The French Quarter I had seen

before but went again and to mass in a lovely old cathedral that is falling to pieces by degrees. The best meal I had in New Orleans was dinner at the Patio Royal, which is very picturesque with its French atmosphere and quaint courtyard. They serve the keenest food there."

After a gay time, in which both met "several good-looking boys," they arrived in Memphis early Tuesday morning and settled back down to the college grind.

'S' Club Meets; Discusses Plans

The "S" Club held a meeting Wednesday afternoon in the field house. According to Sid Hebert, the discussion was on a dance that the club is planning to give at the Casino on April 1, after the carnival which is held annually at Southwestern.

T. N. E. INDUCT TUESDAY NIGHT

The Alpha Mu chapter of the Theta Nu Epsilon Fraternity at Southwestern conferred upon six of its pledges the first degree Thursday night in the A. O. Pi sorority house on the campus.

The second and final degree will be conferred upon the boys Tuesday evening. Those receiving the degree were: Richard Alexander, Memphis; Leslie McKee, Memphis; Richard Drake, Memphis; J. M. Hart, Memphis; Wiley Jones, Madison, Ark.; and Maurice Carlson, Memphis.

Jim Wadlington is president of the Southwestern chapter of Theta Nu Epsilon.

A. O. PI'S PLAN TO INITIATE 9

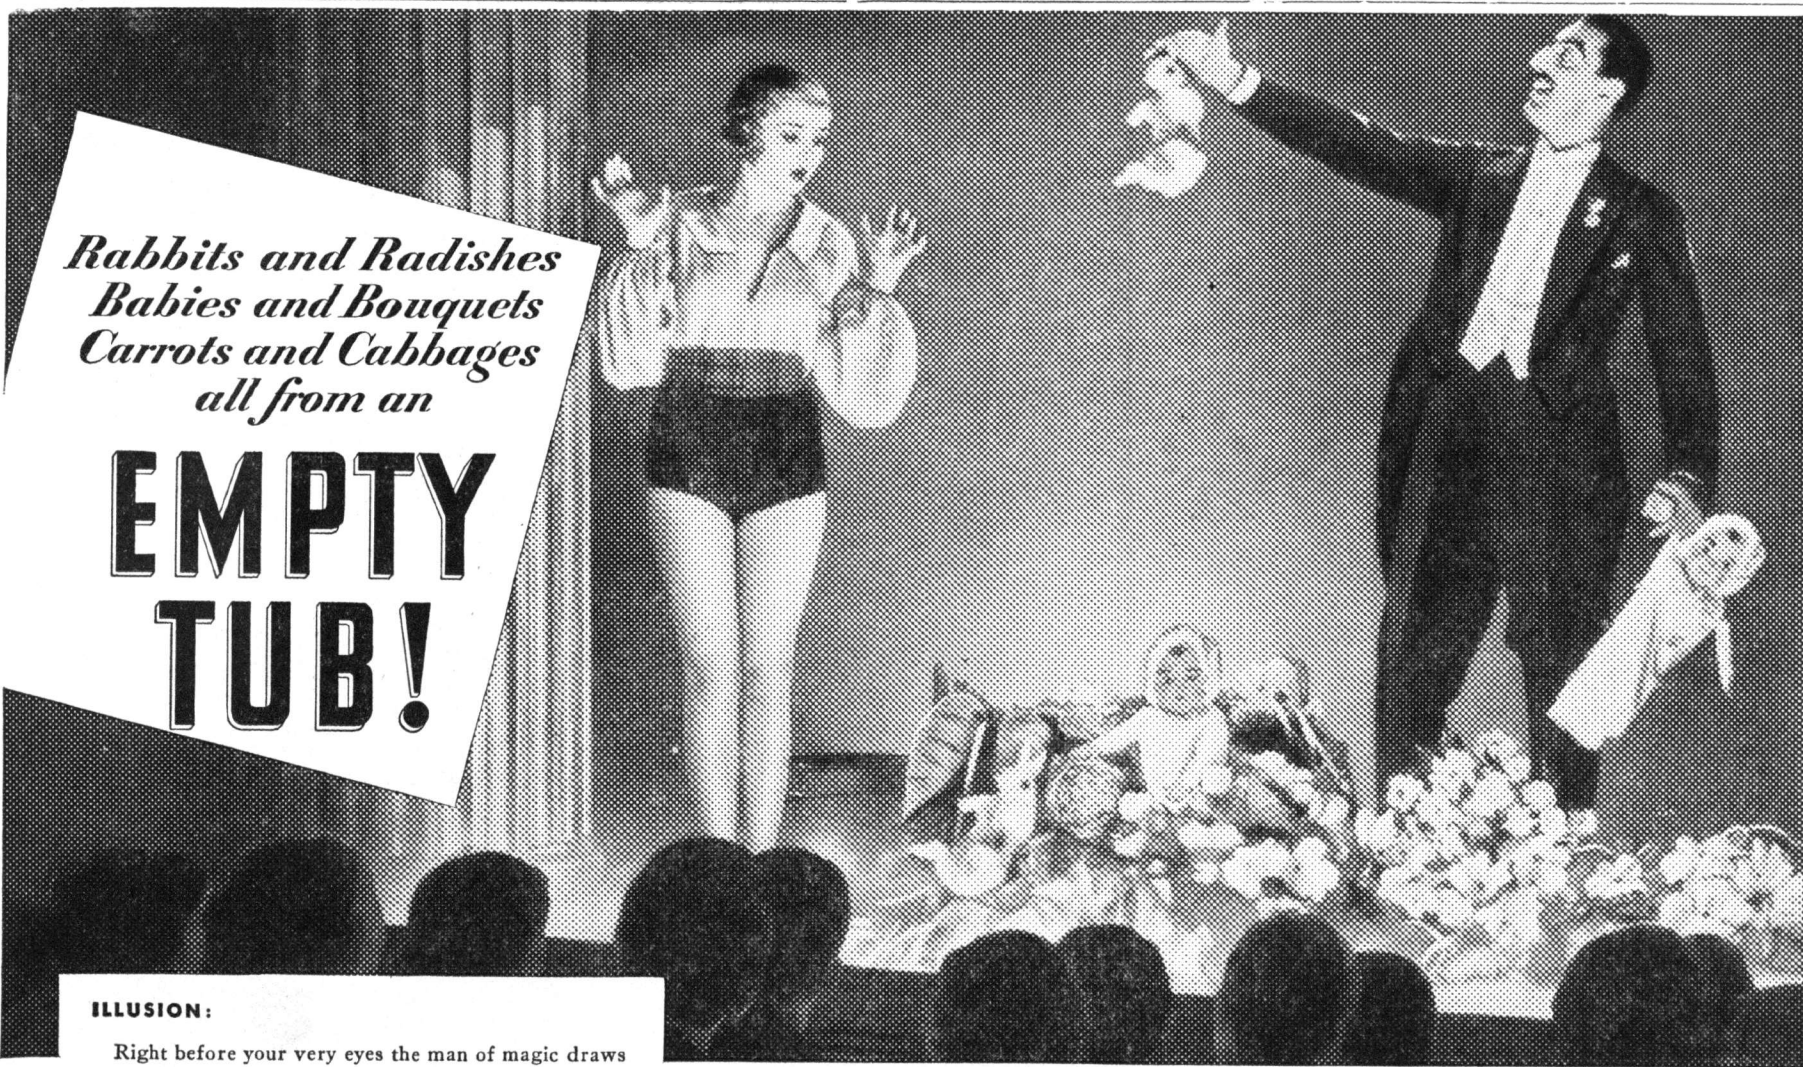

Banquet Monday Night to Present Ring Award

Thursday night was stunt night for the A. O. Pi pledges. They treated the actives to a buffet supper and then entertained them with a series of stunts and whatever else the actives wanted them to do.

Monday night, in the sorority lodge, the actives will entertain the pledges at a dinner planned in the form of a small banquet. Between courses several short talks will be made to the pledges by different members of the active and alumnae chapters. The centerpiece will be of Jacqueminot roses and red tapers in silver holders will be placed at intervals along the table.

The A. O. Pi ring, which is presented each year to the best pledge, will be presented Monday night to the most deserving pledge by Margaret Tallichet, who received it last year.

Following the dinner, initiation will be held. Pledges to be initiated are Sarah Isabel Griffin, Sara Naill, Mary Anna Stockard, Therese Canale, Jane Erskine, Betsy O'Brien, Eleanor Trezevant, Margaret Clay Faulhaber, Audrey Townsend.

ILLUSION:

Right before your very eyes the man of magic draws rabbits, vegetables, flowers, fruits—even babies—all from an empty tub! What an astonishing fellow he is!

EXPLANATION:

The assorted rabbits, babies, carrots, cabbages, ribbons and other magical "props" are not created by magic. The tub has a false bottom that is conveniently displaced, and numberless wonderful things spring to life in the magician's nimble fingers. They do literally "spring" because they are made to compress into the bottom of the tub, taking their natural shape as the magician lifts them out.

IT'S FUN TO BE FOOLED

...IT'S MORE FUN TO KNOW

Tricks are legitimate on the stage but not in business. Here's one that has been used in cigarette advertising...the illusion that blending is *everything* in a cigarette.

EXPLANATION: Blending is important...but it makes a lot of difference *what* is blended.

Inferior tobaccos can be blended to cover up their humble origin. But your taste soon detects the trick.

The proper use of blending is to bring

out the full "round" flavor of mild, high-grade tobaccos. It's the *costliness of the tobaccos*, as well as the blending, that counts.

It is a fact, well known by leaf tobacco experts, that Camels are made from finer, MORE EXPENSIVE tobaccos than any other popular brand.

Hundreds of thousands of dollars have been spent by others in the attempt to discover just how Camels are blended. The blend *is* important.

But all the while Camel spends *millions more* for choice tobaccos...to insure your enjoyment.

Light up a Camel. Relax, while the delicate blue smoke floats about you. Enjoy to the full the pleasure that comes from *costlier* tobaccos.

Keep Camels always handy...in the airtight, *welded* Humidor Pack.

CHI O.'S WIN OVER A. O. PI'S

Defeat Opponents 15-13 In Thrilling Game

The Chi Omegas officially opened the girls' basketball season Monday afternoon with a thrilling 15 to 13 victory over the Alpha Omicron Pi sextette. At the end of the regulation game, the score was tied 13-13.

The captains agreed to let the winner be decided by the one who scored the first goal in the overtime period. Bernice Cavett sank a crib shot a few minutes later giving the Chi O's the margin of victory.

Orr Speaks To Group. Plan Next Meeting

The newly organized Science Club met Wednesday night to hear a paper read by Robert Orr on the subject of "Palentology." This, according to Lester Goldsmith, is the study of fossil remains.

The organization is planning to invite seven students to membership.

The Scotch Are With Us

Going to a luncheon engagement in a taxi is nothing new, but when eight people pile into one taxi—then that's news!

Last Monday, eight of the fair co-eds ordered a cab so that they might arrive at the luncheon on time. The cab arrived and all eight jammed themselves into the taxi.

The cab fare was 45 cents, which figures out to be less than six cents per person. Talk about the Scotch!

Those making the trip were Dixie Mae Jennings, Julia Marie Schwinn, Louise Coppedge, Martha Shaeffer, Catherine Davis, Margaret MacNicol, J. K. Johnson, and Helen Hill.

FRAT GAMES ON TUESDAY

Semi-Finals Set For 7 O'Clock

The A. T. O.'s swamped the Pi K. A.'s to enter the semi-final round. The Kappa Sigs defeated the Beta Sigs in a game that was unusual because of tight defensive play. The score was 10 to 6.

Tobacco to smoke right

has to be a different kind of tobacco from that used in cigarettes...and it has to be made by an entirely different process...

OUT in Kentucky, where they have pretty women, fast horses, and blue grass, there grows a tobacco called White Burley. It doesn't grow anywhere else in the world.

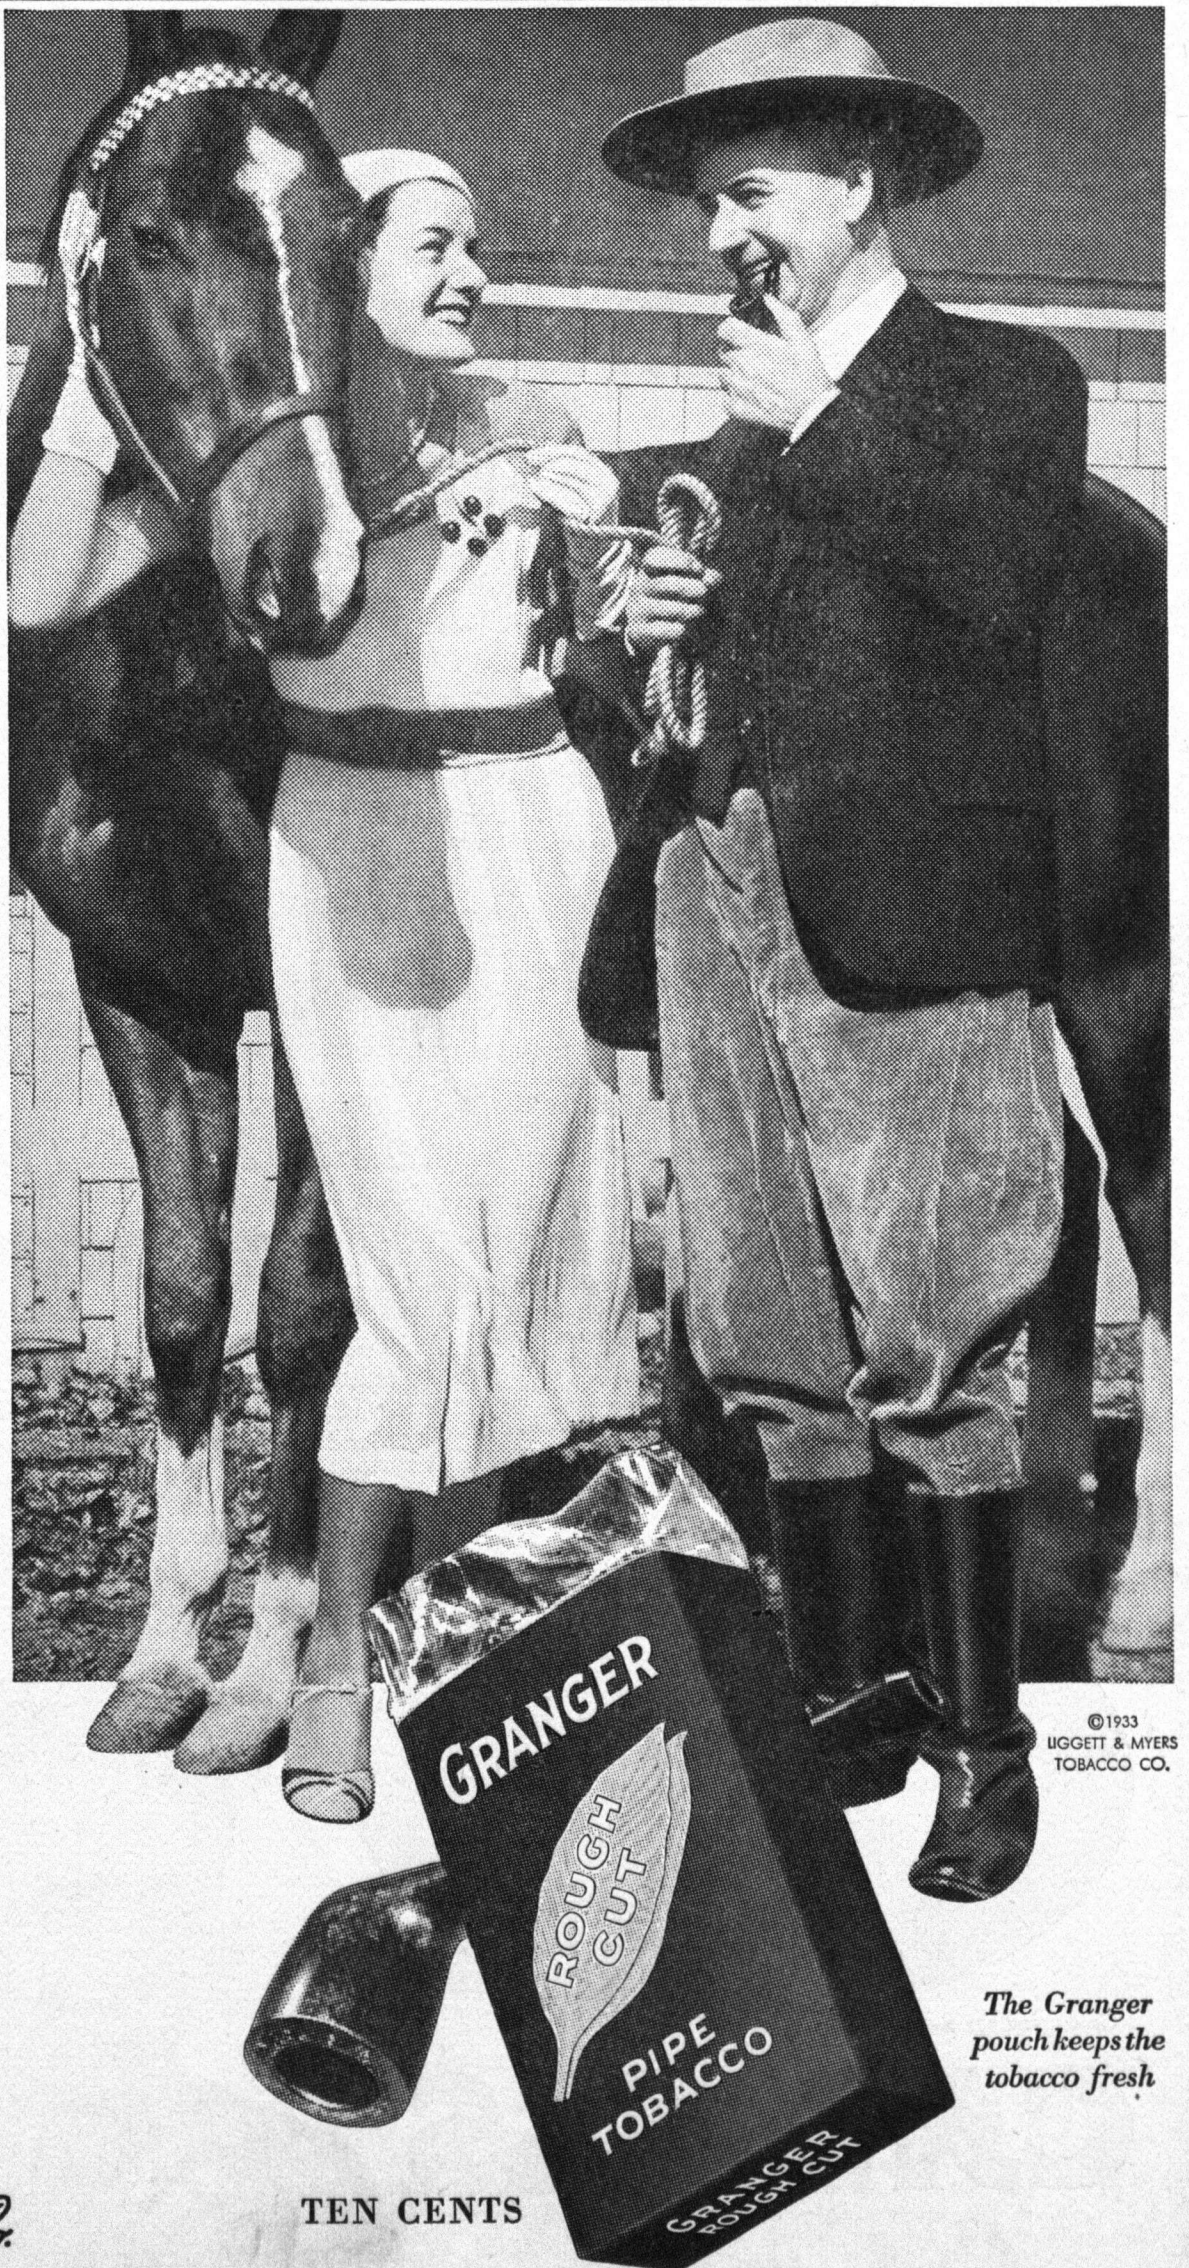

There is a type of this White Burley that is best suited for pipe smoking. It is neither too thick nor too thin. It is not light and chaffy; at the same time, it is not rank or strong. "U. S. Type 31" is the government classification for White Burley.

Since no other pipe tobacco has yet been found which seems to equal White Burley, this is what we use in making Granger Rough Cut.

Next, we use the Wellman Method, a famous 1870 method of making pipe tobacco, to give Granger its fine flavor and fragrance. Then, too, Granger is "Rough Cut"—just like they used to "whittle" their tobacco off a plug with a jack-knife. It smokes cool, lasts longer and never gums a pipe.

And finally, we want to sell Granger for 10 cents. Good tobacco—right process—cut right. So we put Granger in a sensible soft foil pouch instead of an expensive package, knowing that a man can't smoke the package.

Granger has not been on sale very long, but it has grown to be a popular smoke. Folks seem to like it.

The Granger pouch keeps the tobacco fresh
