

## C. U. WILL HOLD GRID BANQUET FRIDAY EVENING

Atkinson Heads Committee  
For Arrangements

### TO ELECT UGLIEST

Nominations For Honorary  
Posts Start Monday

The annual Christian Union Gridiron Banquet will get under way in Neely Hall next Friday night, announced Lauren Watson, president. It will be a gala event, after the fashion of gridiron banquets the world over, with speeches, jokes, elections and whatnot.

#### Benton Is "Roastmaster"

Heading the committee in charge of arrangements is Ed Atkinson, with Young Wallace and Francis Benton as aides. Benton is scheduled to serve as roastmaster. Among the faculty speakers will be Coach R. C. Propst and Professor J. M. Linton. The names of the providers of the remaining discourses have not been announced as yet.

Beginning Monday and continuing through Friday, nominations will be made in student assembly for the various honorary officers to be elected at the banquet. The posts to be filled are "The Ugliest Man," "The Duckiest Duck," "The Most Monstrosity," "The Freshest Freshman," and a "dark horse" office. Announcement of the nature of the last office will be made public sometime in the next week.

#### Sale Closes Wednesday

Unofficial reports state that several political parties have been formed to bring candidates to the notice of the student body. Hi Lumpkin is expected to head the Waiter's Party and be an outstanding candidate for the "Duckiest Duck" position. Reputed to be forming opposing combinations are Rick Mays and Dickie Thomas.

Tickets are twenty-five cents for dormitory students and fifty cents for town students. The sale will open Monday morning and will continue through Wednesday at 6 P.M.

## CAIN LEADER OF EPISCOPALIANS

Club Plans For Parish House  
Banquet

Herbert Cain was named president of the Episcopal Club at a meeting held last Tuesday. Other officers elected were: John Spence, vice-president; Margaret Stockard, secretary-treasurer; George Humphrey, chaplain.

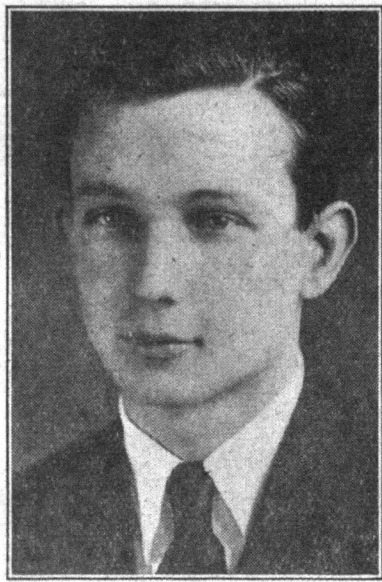

The annual banquet given each spring by the four groups composing the Memphis Episcopal Student Club will be held at the parish house of Calvary Church next Monday night, April 27, at 6:30 o'clock. The club will be fortunate in having at the banquet a great favorite among young people, Bishop James M. Maxon, who has been very interested in the college student clubs. Tickets can be obtained from the officers of the club.

## SAICHI SAKAI TELLS HOW KITES FLY IN LAND OF THE RISING SUN

**By NORMAN SHAPIRO**  
Kite-flying is certainly one sport which appeals to old and young alike. One has only to go to Overtown Park, or to any vacant lot during the height of the season to see persons ranging from tiny tots to hoary grandfathers hauling in and letting out cord, jockeying the paper-and-wood devices to more and more advantageous positions in the sky. It was to find out more about this pastime of such universal appeal that this reporter approached Saichi-Sakai, representative of Japan, the country where kite-making and flying can be called the "national game."

According to Saichi, the Japanese fly kites all the year round, but celebrate two festivals in particular by using the contrivances. These two are the New Year's Day and the fifth of May. New Year's Day is the occasion for a grand competition among

### President

Edmond Hutchinson is the first president of Tau Kappa Alpha at Southwestern. The chapter will be installed tonight.

## FORENSIC FRAT INITIATES TEN

Tau Kappa Alpha To Make  
Bow Tonight

Tau Kappa Alpha, national forensic fraternity, will formally institute a chapter at Southwestern tonight with the initiation of ten debaters, who will comprise the charter membership. Professor C. G. Siefkin and two members of the order who are residents of Memphis, will conduct the initiation at 6 o'clock in the Bell Room.

Those to be initiated are: Dunlap Cannon, Ed Hutchinson, Charles Barton, Richard Dunlap, Thomas Fuller, Curtis Johnson, Francis Benton, William Wallace Cox, Norman Shapiro, and Leslie Buchman.

In the latest 1935 edition of Baird's Manual of American College Fraternities, T. K. A. is classified as an Honor Society along with Phi Beta Kappa, Sigma Xi, Omicron Delta Kappa, Phi Kappa Phi and others. Both Delta Sigma Rho and Pi Kappa Delta, the two other well known Forensic Fraternities, are classified in the larger group of lesser rank, the Departmental Organizations. No more tangible evidence of Tau Kappa Alpha's climb to preeminence among the forensic societies could be submitted than this.

The fraternity will probably elect members from the dramatic club before school closes.

### SIGMA NU OFFICER VISITS CHAPTER

G. E. Tomlinson, Inspector for the twentieth division of Sigma Nu fraternity, visited Epsilon Sigma chapter at Southwestern Sunday and Monday, April 19th and 20th. Mr. Tomlinson visited various members of the Southwestern faculty and business organizations, grounds and buildings.

### DR. KELSO SPEAKS TO NITIST CLUB

At the regular meeting of the Nitist Club Wednesday night Dr. Kelso read a very interesting paper entitled "After F. D. R.—What?" There was discussion of the introduction of Foreign Topics as a regular subject for discussion by the group.

## Elections Commission Calls Students To Ballot Boxes First Week Of May

Present System of Elections Retained After Reviewing  
Two Suggested Changes

The Elections Commission decided at a meeting last Wednesday to hold elections for the student body offices during the first week of May. After prolonged discussion, it was decided that elections this year will proceed as they did last year, as our present system of elections is functioning better than any other that could be set up.

Following the student government elections on the 4th, 5th, and 6th are the class elections, time for which has not yet been designated by the Elections Commission.

Two proposals for change in the method of election were entertained, but after a rather lengthy study by the members of the Commission, it was agreed that our present structure is just about as good as can be attained. Briefly, the proposals were as follows:

(1) That the student body be asked to empower the Elections Commission to act as a nominating body. Candidates would be submitted to the Commission with that body passing upon their eligibility. This proposal was, after a prolonged consideration, voted down because it was believed that this would place too much power in

the hands of the Commission. The argument is that such a scheme would be too radically opposed to the democratic idea.

(2) That the student body be asked to change its qualifications for election to any office. According to this, each nominee would be judged on a point basis. Certain activities would count so many points, and there would be a minimum level above which a candidate must stand before he could run for office. This suggestion was also discarded because of the fact that there are many intangible qualities, such as leadership and honesty, which cannot be measured in terms of points.

## FELLOWSHIP TO RICHARD DRAKE

Senior Wins Physics Award  
At Virginia

Richard Drake, Southwestern senior, has been awarded a Service Fellowship in the Department of Physics of the Graduate School of the University of Virginia, which he will enter next fall to obtain one or more graduate degrees in physics. Drake is an applicant for a B.S. with distinction in Chemistry at Southwestern, June, 1936, and is the son of Dr. and Mrs. J. R. Drake, 1911 Lyndale.

It is a curious coincidence that the last three of Dr. Rhodes' laboratory assistants have all entered graduate work in science in the University of Virginia, and have been outstanding in their scholastic achievements. Dr. J. W. Flowers, Southwestern, 1931, received his Doctor of Philosophy Degree from Virginia in 1935; his research work at Virginia was regarded as outstanding in the field of electricity. C. Scudder Smith, Southwestern, 1934, entered Virginia in 1935, after working with the TVA for one year; his progress in his research work is reported as being much more rapid than is usual with the average graduate student.

## SIGMA NU DANCE WEDNESDAY NITE

Initiation And Banquet At  
Peabody

The Sigma Nu fraternity will hold an initiation banquet, dance and installation of officers at the Peabody Hotel Wednesday. The following men are to be initiated: Sam Mays, Donald Reichelderfer, David Patterson, and two Beta Sigma alumni, Ronald Hayhoe and E. Thompson Holloway.

The following officers are to be installed: Commander, James Breyspraak; Lieutenant Commander, Paul Freeman; Recorder, Steve Frazier; Treasurer, John Ricker; Chaplain, Carroll Smith; Sentinel, George Reames; Marshal, McKay Boswell; Pan-Hellenic Representatives, Louis Chenault and James Breyspraak; Rush Captains, Paul Freeman and Louis Chenault; Intramural Representative, Carroll Smith.

### Happy Birthday

Anne Williford	April 24
Frank Morgan	April 25
Charles Barton	April 25
Josephine Ingram	April 26
Elizabeth Raiford	April 26
Jack Terry	April 26
Marjorie Walker	April 26
Wade Lott	April 27
Joe McCoy	April 27
Jane Leavell	April 28
Alex Barzizza	April 28
Thomas McLemore	April 29
Elbert Childress	May 1
Margaret Tucker	May 1

## Mississippi Valley High School Press Meets Here May 1-2

### Prize Offered

A \$5 prize will be given to the fraternity or sorority selling the largest number of tickets for the Southwestern Players next production, to be held May 8 and 9, announced John Spence, chairman of sales, yesterday.

## PEARL BALL IS SATURDAY NIGHT

University Center Scene Of  
Delta Dance

Delta Psi Chapter of Delta Delta Delta will entertain tomorrow night with its annual Pearl Ball at the University Center from 8:30 until 12. There will be three no-breaks and a Tri-Delta leadout, with Charlie Nichols playing.

The occasion will be in special compliment to the newly elected officers.

All men on the campus are cordially invited to attend.

Active members who will attend and their escorts are: Helen Acroyd, president, with Alfred Page; Kate Giuliani, vice president, with Douglas Bateman; Dorothy Jackson, secretary, with Mac Givens; Betty Jones, corresponding secretary, with Tommy Fuller; Cornelia Crinkley, treasurer, with Tate Dawkins; Bernadine Taylor, rush captain, with Warren Prewitz; Ethel Taylor with Tom Cranwell; Mollie McCord with Bill Blue; Mary McCollum with Phil McCarthy; Adele Bigelow with Joe L. Hill, Jr., Virginia Alexander with John Sims; Lucy Jane Connell with Scott Chapman; Josephine Kinzy with Wendell Whittemore; Mary Catherine McGuire with Linden Wright; Frances Weaver with Leonard Wadlington; Mildred Peindexter with Jeff Hart; Charlotte Drake with Porter Chappell; Dorris Bowden with Rolland Hazelwood; Marjorie DeVall with John Schofield; Dorothy Walker with Hi Lumpkin; Martha Moore with Carroll Smith; Nell Thompson with George Reames; Shirley Scarborough with Ed Palmer.

### Pledges to Attend

Pledges and their escorts are: Martha Tigrett with P. S. Weaver; Beverly Alston with Leslie McCormick; Nell Jackson with William Worthington; Shirley Wynne with Henry Walker; Nell O'Hara with William Nelson; Nancy Haygood with Rick Mays; Joyce Hart with Selby Bobzein; Neely Sauffley with escort.

Representatives from other societies include:

Elizabeth Pearce, Chi Omega, with Marion Butler; Bernice Cavett, Chi Omega, with Joe Bell; Shirley Ham, Zeta Tau Alpha, with Charlie Hamilton; Sara Fox Martin, Zeta Tau Alpha, with Richard Alexander; Martha Shaeffer and Betty Ann Lee, Kappa Delta, with escorts; Marianna Stockard and Audrey Townsend, Alpha Omicron Pi, with escorts.

Chaperones will be: Dr. and Mrs. Clinton L. Baker; Dr. and Mrs. John Henry Davis; Mr. and Mrs. E. W. Taylor; Mr. and Mrs. W. L. Acroyd.

### BIBLE CLASS WILL HEAR DR. HARTLEY

Prof. R. W. Hartley will speak to the men's Bible Class at 6:30 o'clock Sunday night in the Calvin Hall social room. All men students are cordially invited.

## "GOLDEN GATE OR BUST" MOTOR BALKS AT DREAM TRIP IDEA

Carl Stark thinks he is going to California this summer. Carl and three other fellows bought a second hand car last week for 85 bucks. And, since they are not leaving till school is out, each of the boys is using the car a week.

This week is Carl's week. So, bright and early Monday morning (8:28) Carl came chugging into Southwestern's parking grounds driving Isabelle. He parked, went to chapel, and then to classes.

Then came 3:30. He jumped gayly

### Sou'wester Staff Members To Head Groups

### A VARIED PROGRAM

Contests, Banquets, Speeches  
For Delegates

The third annual convention of Mississippi Valley High School Press Association will be held here next Friday and Saturday. Thomas Fuller is in charge of the convention. Prof. Gordon Siefkin is advisor.

Logan Mooney is acting president, appointed by Andy Myers, resigned, who is now in attendance at Southwestern.

This year, instead of having journalists from the city papers give talks, the delegates will be divided into discussion groups, headed by members of the Sou'wester staff. The groups will consist of those who print and publish their own paper, those who have the paper printed by outsiders, and those who run a page in the regular town paper.

### Contests To Be Held

There will be two contests. One will be based on two issues of the high school paper, and the other will be based on a news story written about the convention by some delegate.

Two banquets and two luncheons will be held in Neely Hall. Newspaper men from the Press-Semitar and the Commercial Appeal will be the speakers.

A visit to the Commercial Appeal and several social parties for the delegates are being planned.

At the final banquet Saturday afternoon, election of the new officers will be held, reports of the discussion groups will be given, and prizes will be awarded to the winners of the best papers and the best news story of the convention.

## STUDENTS ASKED TO WRITE PAPERS

Honorary Fraternity Seeks  
New Members

Seventeen students have been invited to submit papers for consideration in the choice of new members for the Stylus Club of Sigma Upsilon, national honorary literary fraternity, to replace the senior members who are graduating this year.

Those invited to submit papers are Ed Atkinson, Paul Freeman, Thomas Fuller, David Gibson, Jim Merrin, Oliver Yonts, Frank Goodlett, Craig Crenshaw, James Henderson, Herbert McMinn, Eldridge Armistead, Gerald Burrow, Lewis Donelson, James Gladney, Wave McFadden, Robert Moffatt, Hotchkiss Young.

### INTRAMURAL TEAMS BEGIN SOFT BALL

Intramural softball began this week, with games scheduled for the first five days of the week. The schedule of the remaining games is included elsewhere in this issue.

The SAE's proved the hard luck team of the first week of the season, dropping two hard-fought tilts to the Kappa Sigs and the Sigma Nu's. The non-frats set back the KA's, while the ATO's triumphed over the PIKA squad in other games.

into his (and three other fellows') car, put the key in, turned the ignition on, and stepped on the starter. It would not start.

He bought a gallon of gas. That didn't help. He had somebody push him as far as Parkway—that didn't help either.

So he called up the place where he bought the "piece of junk" and told them to come get it. Now he doesn't know if he is going to California or not.

A Valued Practice

Announcement is made in this issue of the annual Gridiron Banquet, sponsored by the Christian Union, to be held next Friday in Neely Hall.

For years the banquet has been held and has become recognized as one of the most worthwhile functions held during the course of the college year.

Tickets go on sale Monday and will be available until Wednesday at 6 o'clock, when they will be taken off for good.

The program promises to be even better than in years past in that Hi Lumpkin, Richard Dunlap and Rick Mays are slated to head various "political parties" and will figure in the festivities.

Support this valued affair by purchasing your ticket at an early date.

A Good Work

Too many bouquets cannot be thrown to the Men's Bible Class. It has helped materially to promote one of Southwestern's ideals

—that of liberal religious education.

Without a doubt this organization, under the leadership of Ed Atkinson, has become one of the most worthy groups on the campus.

However, there is one trouble—the same trouble that affects so many of Southwestern's student enterprises. The town students seem not to know of the existence of the class.

Certainly the benefits accruing from attending the meetings far outweigh any small measure of inconvenience which may exist. The town students would do well to consider thoughtfully the advantages offered by the Bible Class and make special efforts to attend the gatherings.

Think of the Players

Attendance at the several tennis matches held this season on Lynx courts has been above the average, and the coaches as well as the players have appreciated your interest.

You spectators who persistently move around and continue to call across the courts while matches are in progress do more damage to your team than any twenty people acting as interested on-lookers.

A moving background is exceedingly bad on a temperamental tennis player and frequently will cause him to lose a point.

All students, and as many of the townspeople as wish, are welcome at all of the intercollegiate matches, but you are asked by both the coaches and players to refrain from moving about or making unnecessary noises while the matches are in progress.

Radio Support

In spite of the fine exhibition put on by the Lynx radio crew in their initial broadcast of the year, a pitiful small number of students turned out for the affair last Friday night.

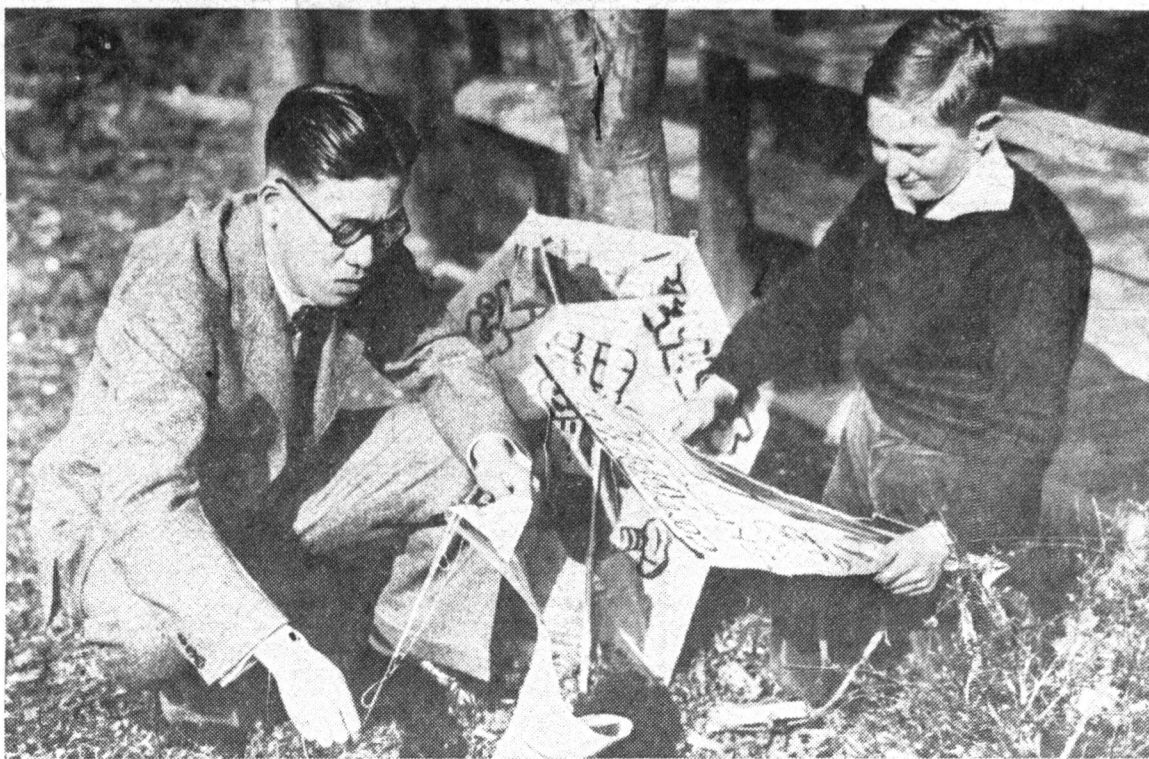

This is indeed discouraging to the students, faculty members, and townsmen who so loyally support the project.

A Southwestern broadcast, given under that name, deserves the support of all Southwesterners. Thirty minutes time is a little thing to ask, especially when the program is arranged for student enjoyment.

To you who have not been present in Hardie Auditorium when your fellow collegians are "on the air," we might say that the programs are greatly enhanced and more enjoyable when you are in eye witness to the proceedings.

For your own enjoyment, as well as the good you will do the programs, turn out for the next broadcast.

THE LOWDOWN (OR HIGH UP) ON KITE FLYING

Saichi Sakai shows Gayden Drew, Jr., how kites are made and flown in Japan. Sakai is considered an expert at kite-making in his country.

ON THE AIR

Did you ever know that actors and actresses are among the most superstitious people who inhabit this civilized world of ours? Well, it's an absolute fact, and to prove it as such allow me to point out one of the peculiarities which are characteristic among the Southwestern Players.

Let us take Selby Bobzien, for instance. Every time Bob goes on the air, he wears a blue cravat with white stripes running diagonally through it. Bobzien began his radio career last spring, and at the time he was wearing the sort of a cravat as is described above. A few weeks later, Bob appeared on a radio program at WMC with a different tie on.

Happening to glance downward, to his consternation, he discovered that he had a new tie on. Horror stricken, he dashed out of the studio, hastened home, climbed the stairs leading to his room three at a time, hastily located the above mentioned cravat promptly put it on, breathed a big sigh of relief, and sat down.

We Now Have Three Chairs and Are Fully Equipped to Take Care of Southwestern Trade.

COLLEGIATE GLEANINGS

OTHERS HAVE TROUBLES

Scarcely a hundred votes were cast in the cheerleader election last week. Less than two hundred students were eligible to vote.

Wonder what would happen if someone got bold enough to suggest that the association be dissolved and some sort of system of appointing officers be used in the stead of the elective system?

FOREWARNED IS FOREARMED

Being graduated is a complicated process. There are all kinds of red tape attached to the process: Necessary red tape. For instance, there is the matter of required hours.

lege catalog, but no one seems to realize it. Students press into the registrar's office and cry for lack of proper credits to graduate in May, but the registrar is adamant.

Facing a crowd of 3,000 that jammed the Auditorium, President Roosevelt declared that "a true education depends upon freedom in the pursuit of truth."

Senator Gerald P. Nye has been making us see during the past few months. He showed war as a war losses more clearly than by columns of figures profiteer's pastime.

# BOARD DISBARS VARSITY SQUAD IN INTRAMURALS

## Preparations for Track Meet Begin

### FINALS ON MAY 2ND

## Preliminary Events Start On Monday

All varsity track men and men who hold letters are ineligible for the annual intra-mural track meet to be held Thursday and Friday. Finals will be held May 2.

The Intra-mural Board, meeting on Wednesday, decided that three men from each group will be eligible for each event, with one man entering the relay and three separate events.

On the 27th preliminaries will be run in the 100-yd. dash, the 120-yd. low hurdles, the 880-yd. run, the shot put, and the broad jump.

On the 29th the prelims in the discus throw, 220-yd. dash, 440-yd. dash, high jump, and pole vault will be run off.

The Intra-mural Board also decided to limit the softball games to seven innings instead of nine. Fountain Johnson has been named official scorer.

# GIRLS TO BEGIN TENNIS TOURNAMENT

## Twenty-six Will Play For Silver Cup

The annual Girls' Tennis Tournament will be held next week. On Wednesday, twenty-six aspirants for the silver cup had signed up.

To prevent partiality, opponents will be selected by drawing lots. Lots will be drawn Saturday.

The cup was won last year by Mammie Rush Floyd, who is no longer in college. The only participant who has a past record of her ability is Letitia Montgomery. She won the freshman girls' tournament last fall.

Those who have signed up are: Margaret Tucker, Martha Shaeffer, Lucille Woods, Gladys Crump, Anne Ragsdale, Frances Weaver, Shirley Scarborough and Adele Bigelow.

Mary Katherine McGuire, Aimee Lea Prince, Claudia Yerger, Floy White, Ethel Taylor, Letitia Montgomery, Nell Jackson, Marjorie Jennings, Beverly Alston, Mollie McCord.

Marjorie DeVall, Harriet Pond, Jane Bray, Anne Marie Orgill, Betty Hunt, Sara Carter, Margaret Stockard, Betsy Fowler.

## Sportspotlight

By NORMAN SHAPIRO

The spotlight really should be turned on obnoxious, foul, putrid, ill-smelling schedules in use during this year's intramural athletic program. The schedules have caused no little amount of trouble during the administration of the games, and it is high time that the matter be brought to light.

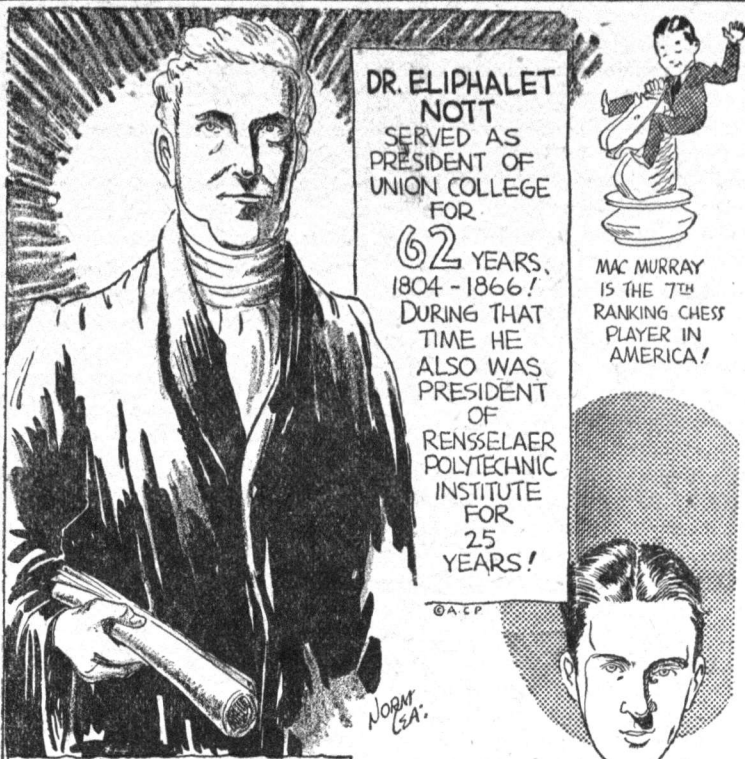

Of course it is too late to revise the softball schedule, but it may well be taken as an example of the type of work turned out by the maker of the time sheet. The original opus had the non-frats playing three games in four days and then taking a five-day rest before emerging from hiding to complete their schedule, while the ATO's warmed up with one game per week until the final week, when they engaged in four games in five days. This matter has been rectified to some extent, but still the chart is unbalanced, with these two teams playing games at an irregular rate.

The KA's are in the same boat, playing two games the first week, three the second and one the last. Now, perhaps the fraternities would like to play even more often than the schedule provides for, but that does not alter the basic issue. In any tournament at which there is a prize at stake the rates of competition should be made as equal as possible and the type of schedule under which the intramural teams have played cannot by any stretch of the imagination be considered absolutely fair.

If the person making the game line-up can't do the work efficiently and well, get someone who can. The whole trouble is not any political affair, as some of the fanatics would have you believe, but simply the lack of experience and information for the making of the necessary chart.

That's something concrete to work on, Intramural Board. The spring volleyball is yet to be played, and the schedule hasn't yet been made up. See what you can do about it.

## CAMPUS CAMERA

DR. ELIPHALET NOTCH SERVED AS PRESIDENT OF UNION COLLEGE FOR 62 YEARS, 1804-1866! DURING THAT TIME HE ALSO WAS PRESIDENT OF RENSSELAER POLYTECHNIC INSTITUTE FOR 25 YEARS!

DONALD MAC MURRAY WILL COMPLETE A FULL FOUR YEAR COURSE AT THE U. OF CHICAGO NEXT MONTH. IT TOOK HIM JUST ONE YEAR TO WHIZ THROUGH THE COURSE! HE PLANS TO HAVE HIS MASTERS DEGREE BY AUGUST!

## ROBB HALL

It is night, late night. All is peaceful and serene, with Bob Leake tucked away in a corner doing all the snoring for everybody in the dormitory. Suddenly the silence is broken, shattered beyond repair. Everyone wakes—who wouldn't, with that awful, horrible, horrific, frightful, dreadful, terrific, amonable uproar ringing in his ears? The very walls, solid as they are, tremble under the impact of sound waves. We utter abysmal groans, mixed with imprecations, and wish from the depths of our hearts that Herbert Bingham would stop practicing his debates when civilized men are trying to get some sleep. He, above all orators (?), has convinced us that, though elocution may be a slower death than electrocution, it is certainly just as deadly.

The meet is one of the most important of the high school season and it's not unusual to see several records broken. Last year Will Rhea Winfrey, Southwestern star freshman athlete, set a new shot put record in this meet at Whitehaven.

Tech High's team, coached by Harold "Chicken" High, assistant coach at Southwestern, will probably win the meet, as they have already defeated Central's team in a dual meet last week. Central and Tech are considered powerful along with Covington and Somerville.

Tech High's team, coached by Harold "Chicken" High, assistant coach at Southwestern, will probably win the meet, as they have already defeated Central's team in a dual meet last week. Central and Tech are considered powerful along with Covington and Somerville.

# TENNIS TEAM TO MEET SOUTHERN

## Lynx Play University Club Tomorrow

Southwestern's netmen will meet Birmingham-Southern Monday at 2 P. M. on the Lynx courts. Saturday afternoon the Lynx will play a match on the home courts with the University Club of Memphis.

Dickie Dunlap will probably play No. 1 position for the Lynx, with Dunlap Cannon second; and Woody Butler third. The fourth position will be played either by Dorsey Barefield or David Flowers with the chances slightly favoring Barefield. No. 5 position will be played by the loser of No. 4 place in the practice games.

The Birmingham-Southern match will be played in five singles and two double matches. Dickie Dunlap and Dunlap Cannon compose Southwestern's No. 1 doubles team, and will play Southern's team composed of Neville and Lide.

No. 2 doubles team is composed of Butler and either Barefield or Flowers for Southwestern and Osment and Childers for Southern.

The members of Southern's team in order of their ranking are Neville, Lide, Childers, Osment and Shirley.

## CALVIN HALL

If anyone eats Planters' peanut bars save the outside wrappers for Crenshaw. He has not disclosed his reasons, but we guess that he wants that kiddie color book that they are giving away. (This is not an advertisement.)

Puddles and cooks seem to be bothering our descendant of the famous steam engine inventor, (Watt). Wave McFadden says that he is tired of being called "Little Bull"; and that from now on, he is to be known as "Big Bull", or the one who called him the former name will be forced to take the consequences.

### Convention RESOLUTIONS

Resolved: That this the fourth annual convention of the Southern and Southeastern Division of the N. S. F. A. express its sincere thanks to Southwestern University, and the University of Mississippi for the genial hospitality and animation displayed by them as co-hosts to this convention; furthermore, particular gratitude is hereby expressed to Miss Nancy Warden, Mr. Curtis Johnson, and their most capable assistants for their untiring efforts to provide for the comfort and enjoyment of every delegate at the convention.

Be it Resolved, That this convention express its appreciation for the excellent manner in which the present officers have executed their duties.

Be it Resolved, That we go on record in favor of a more open policy in regard to the payment of athletes for their athletic services. Provided, however, that this payment shall be granted only when scholarship and character are considered as requisites along with the athletic ability. Further, that the administration with student representation and not the alumni shall handle the granting of these payments.

Resolved, That swimming be adopted as an inter-collegiate sport wherever possible.

Be it Resolved, That we favor an increased emphasis on intramural programs in the colleges and universities.

Whereas, the women's division is such a major part of this convention, we the women's division, recommend the following enactment, that there be elected a women's chairman, who shall direct the activities of the women's group and be responsible to the Executive Committee of this Convention for the women's activities, that this chairman shall be a member of the Executive Committee.

Resolved, That all possible efforts be made in every college to bring about better cooperation between fraternity and non-fraternity men, and that all honorary fraternities should play a constructive part in campus life and not remain inert honorary orders.

Resolved, That an Honor System is the most desirable and the most constructive system of student discipline, and it should be adopted by all colleges and universities whenever possible; and, furthermore, that an Honor System is best administered through a council consisting entirely of students.

Whereas, the National Student Federation of America at its National Convention in Kansas City, December 27, did pass a resolution which in substance was to support the American Youth Act and since that time we the Southern and Southeastern Divisions have had an opportunity to study that act and the resolutions of N. S. F. A., we resolve that the Southern and Southeastern regions of N. S. F. A. instruct our executive committee to withdraw their active support of this American Youth Act. Since we think it hasty, ill-considered, and unworthy of our genuine support, and at the same time, we resolve to support any federal act that is in conformity to the general program already setup by the commissioner of education that is compatible with existing economic conditions.

Be it Resolved, That we go on record as indorsing and as urging the establishment of the proposed national university, similar to West Point, for training young men and women for government and foreign service.—Disney Act.

Resolved, That all student activities fees be made compulsory, wherever possible, when opposed by vote of the student body (especially Vanderbilt University) and that all such student activities fees be collected by the University Administration, and then turned over to various student activities concerned, with provision for an efficient auditing system for all student activities fund, with provision for frequent publication of their auditing system, and with a permanent arrangement whereby periodic study and revision of the student activity fee setup is made.

### WILL PLAY GOLF WITH OLE MISS

#### Lynx Golfers Prepare For Tennessee Trip

Southwestern's first golf match of the year will be played this week against the visiting Ole Miss team. The team will be composed of John Duncan, No. 1, Billy Bethea, No. 2, Louis Chenault, No. 3. The fourth member of the team has not been chosen as yet.

A week's trip has been planned for the team. Matches with Sewanee and Tennessee have been arranged. Plans for matches with University of Chattanooga and T. P. I. will be completed some time this week. The crew will leave Monday morning, April 25.

#### Happenings of '35—

One hundred thousand students will consider the problem of war at 11 a.m. tomorrow. Students in the United States and in many foreign countries will express themselves as opposed to war by various mass demonstrations.

The Men's Panhellenic will entertain with its third and last dance of the year on Friday, April 26th, at the Casino Ballroom.

The annual Gridiron banquet will be held Tuesday, April 30th, at 6:30 p.m. in Neely Hall.

Plans are nearing completion for the formation of an honorary journalistic fraternity at Southwestern as a reward for deserving members of the publication staff.

Richard Lamb Dunlap was elected

### Reminiscences Of The Convention

Thursday, from early morn 'till late at night, they arrive by train, bus, auto, and thumb—some ninety odd in all—nonchalant campus sheiks to studious Phi Beta Kappas—Barefield, efficient chairman of the Transportation Committee sends two assistants to meet trains which weren't—Warden using her persuasive powers to arrange dates between our Memphis belles and dubious delegates—Curtis much in demand by eminent guest speakers—DeVall and Benton showing wonders of Memphis—Southwestern, Overton Park, the Pink Palace—Carnations for Curtis.

At the Peabody that night—Taylor with a blond—Brother May with Helen Fitzhugh—at a table, Elizabeth Cobb, Betty McMahan, Martha Moore with Brown, Jones, and Smith—Mary White with Pat Dugan from Maryland, what's the matter with Virginia?—Lauren Watson with a Mississippi gal—Lola Sale, a dream dancing and the beautiful lady in blue all in one—Curtis too busy to haunt the dance floor, but wearing carnations.

To the Chi Omega and Tri-Delt houses for tea Friday—Dorsey "I need refreshments"—Rick Mays looking like a tea hound still in search of the tea—Joe S. from Florida, seeking an apple for his starving horse without.—Curtis much in evidence, wearing a carnation.

Strange happenings at the banquet—the speakers, all except Curtis and Nancy, depart—the banquet goes on captain of the Lynx tennis team this week by members of the squad.

Southwestern will be represented in the annual AAU track meet to be held this year at Fargason Field by five cindermen.

### ATTEND MEETING IN COOKVILLE

#### Drake Discusses New Glass Development

Drs. C. L. Baker, P. N. Rhodes, and J. Henry Davis, and Richard Drake were present at the meeting of the Tennessee Academy of Science which was held recently at Cookville, Tenn.

Richard Drake read a paper which he and Dr. Rhodes had compiled on "Polaroid. A New Magic Glass."

"Polaroid is a new material manufactured in the form of thin discs which alters the properties of light waves that pass thru it. The light which passes thru is said to be polarized. Two discs of Polaroid placed in a certain relation to each other cut out all incident light, or any desired part of it. Many new and interesting uses are being prepared for this substance," Drake read.

The paper gives the theory and practices to which Polaroid may be put.

Dr. Baker told of the summer re-

—the speakers return after a lengthy absence and speak—for an equal time.

Everything from a tux to a white linen turns out for the big dance—girls brought by the carload—a date, a kingdom for their date—a real Kentucky Colonel in our midst, but so was Shirley Temple—P. S. Weaver waltzing on the balcony—our own Dickie and the 200 pounder—a wedding, Rick and Joan G. by Jack Ryan, the benevolent parson—Herbert Pierce attends a scout rally instead of the dance—"Miss Southwestern" learns that F. Smith is a girl scout—Curtis wears fresh carnations.

### Radio Last Week

If you missed the radio program last week here's what happened: Betty got Bob out of his date with Miss Southwestern by asking her to allow him to take her to see Aunt Margaret. Bob and Betty both pledged, Bob Sigma Delt, his dad's fraternity, and Betty Delta Chi. Both discussed activities which they intended to enter. Both were thoroughly sold on Southwestern—and a little sold on each other.

search work he had done at Reelfoot Lake where he is director of the Biology Station.

Dr. Davis spoke on the plant communities of Florida.

### LYNX DEFEATED AT JONESBORO

#### Arkansas State Cinder Team Proves Too Strong

The high hopes of the Southwestern tracksters fell before a well-balanced team of Arkansas Staters at Jonesboro. The score was 79½ to 43½.

The broad-jumping trio of Hammond, Prewitt and Cobb, slated to sweep the event, was sadly off form. Southwestern's expected second and third in the low hurdles failed to materialize. McKay Boswell, ace of the Lynx low stickers, pulled a tendon shortly before he toed the mark.
