England, McLemore, Williford, Gary, Plesofsky And Ruffin Placed On First List

Eleven students of Southwestern made the honor roll for the first report period of the second semester. One student made A in all six subjects, five made five A's, and five made grades of four A's and a B. Of these two are seniors, three juniors, one sophomore, and five members of the freshman class.

Those making all A's are on the first honor roll. Erin Gary, senior, made A's in Mathematics 23, English 102, French 22, Sociology 2, Mathematics 60, and Bible 52. Margaret England, senior, besides reigning as Queen of the April Fool Carnival, made A in Bible 113, A in Greek 56, A in History 23, A in English 53, and A in Bible 52. Thomas McLemore, junior, made A's in Economics 22, Political Science 23, German 2, Political Science 122, and Bible 52. Amelia Plesofsky, freshman, made straight A's in History 2, French 22, Bible 2, English 22, and Greek 2. Jac S. Ruffin, freshman, made A in History 2, Bible 2, English 22, Latin 2, and Greek 2. Episcopal Club Election

Shepherd Tate Is Chosen President At Meeting Wednesday

Shepherd Tate was elected president of the Southwestern Episcopal Club at a meeting held Wednesday night. George Scott was chosen vice-president; Courtney Rettger, secretary-treasurer, and Dan Carruthers, chaplain.

The meeting was presided over by Janet Tucker, the retiring president. Prof. A. P. Kelso delivered the address. Sunday, the club will have Corporate Communion and breakfast at St. Luke's Episcopal Church.

The Episcopal Club is made up of all Episcopalians in the student body and it meets regularly to hear talks on religious topics.

BAKER ATTENDS CONFERENCE

Prof. C. L. Baker, head of the Biology department, will attend the Tennessee Wildlife Federation conference in Jackson, Tennessee, April 12-13. The modification of state game and fish laws will be considered at this meeting. Prof. Baker is a member of the executive committee.

On April 14-16, he will address the meeting of the Southern Association of Biologists in Athens, Ga., on the topic, "Reelfoot Lake Biological Station: Its Program, Progress, and Possibilities for the Future."

The machine rage is reaching into new fields. The department of fine arts, long a stronghold for skilled manual labor, is succumbing. At a Louisiana Tech Engineer's dance, a 7-foot robot will demonstrate trucking and the Suzie-Q.

MANY STUDENTS PLAN TRIPS TO ENLIVEN EASTER VACATION

Easter holidays are near at hand, and Southwestern students have planned a variety of entertaining events. We were not able to find a single dormitory student who is not going home for the holidays to visit mammy and pappy, except George Humphreys. George says he's going to be original and stay here and study. (Our guess is he is going to study the moonlight—with Mary Mac.)

Mary Kathryn McGuire has a treat in store for her. She is making a jaunt to the University of Florida, where she will be a guest at a Sigma Chi party and will also visit friends. You wouldn't be a "Sweetheart of Sigma Chi," would you, Mary Kathryn? The University of Virginia at Charlottesville will get an eye full of three

of Southwestern's most charming co-eds. Elizabeth Paine, Sarah Powell, and Frances Manire will motor up with parents of a Virginia freshman. (Tell Harold hello for us, Elizabeth.) During the Easter week, these lucky lassies will dance to the music of Kay Kyser and Sammie Kaye at the college proms.

Plans are also under way for a gala house party at the summer cottage of Buddy Turley, near Florence, Alabama. Turley will have as his guest Martha Meux. Others who are going are Hubert Turley with (guess who?) Anita Falls, Shepherd Tate with Mary Hunt, Jimmy Graeber with Cricket Metcalf, and Bobby Elder, Phil Henry, Jud McKellar, Bud McCraney, and Buddy Miller with good-looking escorts. The group will leave Wednesday after school and return the following Saturday. They will be chaperoned by Mr. and Mrs. Wesley Patton.

From our faculty we find that Prof. Alexander Boeker will make a trip to New York. His mission is a secret, but we suspect a pretty fraulein.

Fred Gage is reported to have had a tilt with Emily, so he is going home to his mother at Pensacola, Florida.

Of course, we must not close until we remind you that Ralph Brown will hitch-hike back to Talladega. This amiable nitwit is going via Mississippi, "where," he says, "there ain't nothing but carts, so if they won't stop, I can shore hop on."

Well, we've gotta go hunt eggs now, so we'll close by wishing all of you a happy holiday.

Council Draws Up New Rush Rules

Women's Panhellenic Council Elects Betty Wells President For Next Year

The Women's Panhellenic Council met Tuesday afternoon to formulate rushing rules for the coming year. It was decided to continue the closed rushing system during the summer months which has been in effect for a number of years. The quota system which was tried for the first time at Southwestern last year will again be maintained. This system allows one sorority to pledge only one-fourth of the incoming eligible girls. Little sisters and little daughters are not included in the quota and may be pledged above the number set by the quota. Only girls eligible to pledge will be included in the number from which the quota will be drawn.

A joint meeting will be held next week with the members of the new council who were selected Tuesday to arrange the details of the systems. The new council will be honored April 18 at a banquet at the Peabody by the present council.

Members of the new council who will serve next year are: Betty Wells, Chi Omega, president; Jane Bray, Kappa Delta, vice-president; Betsy Fowler, Alpha Omicron Pi, secretary; Lillie Roberts Walker, Zeta Tau Alpha, treasurer; Marjorie DeVall and Mary Catherine McGuire, Delta Delta Delta; Margaret Kyle, Alpha Omicron Pi; Dorothy Steuwer, Zeta Tau Alpha. Chi Omega and Kappa Delta have not yet selected their second representatives.

Scholarship Offered To Southwestern Senior By Business School

A scholarship for a complete business course at Miller-Hawkins Business School will be awarded to a member of the Southwestern senior class, Dr. Ralph C. Hon, chairman of the Faculty Scholarship Committee, announced yesterday.

The award was inaugurated last year and Virginia Hoshall was selected. Miss Hoshall later was added to the staff of a Tupelo, Miss., hospital and was unable to accept. The scholarship was then awarded to Nancy Warden, who is at present studying at Miller-Hawkins.

Selection will be done by the Scholarship Committee and announcement will be made by May 1. Dr. Hon requests that all interested students will please submit all notes to that effect to him.

Members of the Scholarship Committee are Profs. M. L. MacQueen, R. S. Pond, W. R. Atkinson, and Dr. R. C. Hon.

The Southwestern student body, faculty, and staff of the Sou'wester express their sympathy to William Belcher on the death of his father.

Chi O Banquet Tuesday

Newly Installed Officers Honored at Spring Eleusinia

Kappa Beta chapter of Chi Omega held its Spring Eleusinian banquet Tuesday night.

The banquet followed the installation of new officers, which was conducted by the outgoing president, Jane Leavell, at a meeting of the active chapter in the Chi Omega lodge. New officers were honored at the Eleusinia.

The program opened with the dedicatory candlelight service conducted by Irene Battle and Elizabeth Jones, followed by two songs, "Kappa Beta Cabin" and "Chi Omega, Just For You," sung in unison. At the conclusion of the banquet, Jane Leavell introduced the speakers.

Mrs. Harry Webb presented awards or outstanding leadership in four class groups. Jane Leavell received the senior award, Betty Wells the junior award, and Margaret Jones the sophomore award. Harriette Hollis had previously received the ledge award. Betty Wells, new president, gave her installation address and outlined plans for the year. The speaker was Mrs. Sam Head, a member of the original chapter of Chi Omega at the University of Arkansas. She gave personality sketches of the five founders of the sorority, whom she knew intimately. At the end of the program the "Panhellenic Toast" and the sorority song, "I Love You Truly," were sung.

Other new officers of the group who were honored are: Anne Ragsdale, vice president; Jane Lederer, secretary; Mary Louise Hughes, treasurer; Margaret Jones, pledge chairman; Elise Smithwick, herald, and Harriette Hollis, correspondent.

Reverence In Chapel

When we were discussing the behavior in chapel in a recent editorial, it seems that we omitted one of the worst offenses. This is the practice of reclining in the seats during the songs. When everyone else is standing for the songs, some poor souls weighed down with age or disease find it impossible to rise. Most of these offenders merely sit in sleepy silence while the singing progresses. Others, slightly more commendable for their conscientiousness but much worse as to their irreverence, sit and study.

Reverence in chapel is essential if the students are to obtain any real spiritual value from the service. It is the policy of the college to urge quiet and reverence in chapel. They feel that nothing more is necessary.

But year after year the trouble continues. Many students find it hard to realize that the chapel service is a regular religious service. Consequently they fall into bad habits which grow constantly worse. Frequent efforts have been initiated to improve the behavior. At the first of this year the students were urged to remain quiet before chapel so that the atmosphere of a church could be maintained. The pianist was instructed to play before the regular service commenced. Somehow these efforts were of no avail.

However, there is only one way to secure reverence in chapel—that is by the force of student opinion. If every thinking student would take the unpleasant task of correcting these misdirected individuals, who find the strain of rising for the song too much, we could soon eliminate the practice.

LOOT . . . From the Exchange Desk

University of Alabama students are chuckling at the following "famous sayings of a parent," who wrote her daughter, after receiving a notice that her child had been missing all her classes regularly: "Dearest Daughter: What are you doing, giving up classes for Lent?"

A yearly survey of new collegiate organizations has just been completed. Among the undergraduate institutions chartered in the last month are:

- 1. Anti-Corsage League — place of founding is undetermined, but it has chapters on countless campuses.
2. Shirley Temple Club—founded at Yale University by admirers of the child star.
3. Woman Hater's League—began at Haverford College to give students time for study during exams.
4. Future Slackers of America, founded by Lehigh University undergraduates who believe there can be no war if nobody attends.

For Sigma Chis at the University of Florida "hello" is too old fashioned for answering the telephone. To impress the caller with their individuality, they greet him with: "This is the sacred sanctuary, great and glorious abode of the eminent and exalted order of heroic he-men, the haven and habitation of happiness and enlightenment, known to the masses as 'Magnificent

Sigma Chi.' With whom do you wish to converse?"

Skinny Ennis is the latest drummer-outer to forsake the traps for a baton. Skinny will debut with his own band at a swank California club on April 14. He helped roommate Hal Kemp organize his band at the University of North Carolina, stayed with it for 12 years, eventually achieving fame for his intimate style of vocal delivery. Gene Krupa, former Benny Goodman cymbal-beater, is also rehearsing his own band.

Fraternity house rules: 1. No liquor allowed in rooms. 2. Do not throw bottles out of windows.

The Sou'wester is also the name of Drury College's yearbook.

"One of the essential troubles with education today is simply the fact that the blind are leading the blind. College professors as a class are second rate," declares Dr. Crane, psychologist at Northwestern. Another "informed" commentator calls the professorial class "baby deans" and declares that the present system of education (dulls young minds and) retards the progress of those potential intellects who spend their time teaching students elementary French or such when they themselves should be doing research.

Book Review

COUNTER-ATTACK IN SPAIN, by Ramon Gander.

War, blood, death, violent emotions, and tormenting strain—these are the essential things depicted in Gander's moving account of revolutionary Spain. Though not primarily propagandist, it forces the reader to hate war and its brutality. It is also noteworthy as a first-hand testimony of what is taking place in almost devastated Spain of today—a Spain strangely saddened and incongruously lacking in its old-time glamour, its tamborine-tinkling serenitas, and its gay caballeros.

Madame Curie, by Eve Curie.

This is not a dry, lengthy biography, steeped in science and technicalities, as one might suspect. Indeed, far from it, the mysteries of the laboratory are made as concrete and fascinating as any novel. Not only is the story of the brilliant discovery of radium cleverly told, but along with it is shown the great love that welded the minds of Pierre and Marie Curie, simple, unsophisticated people, whose labor and learning have earned them a place among the immortals.

Yale Glee Club . . .

Apparently the Yale Glee Club took the gals by storm and left many of the local swains green-eyed . . . among them Tom whose dear Sara went dashing about all week-end with an old flame.—Those Yankees certainly are packed with that very enchanting something in a most melodious way . . . if you don't believe us, ask Powell!!! One charming co-ed who quite definitely melted the cold (?) heart of a tall handsome blond is none other than our own F. Smithwick. . . . We claim the prize remark to be that of a home-town boy who said with a sigh of relief as the train pulled out, "Thank goodness! now we can have our women again!"

April Fool Carnival . . .

In spite of Mobley's doggin' the Carnival seemed a huge success to us—due partially to our dates, of course. . . . So sorry you fainted, Venus! Was it because Abe bestowed his apple on the Irish beauty of Miss Shea after the play was over??? . . . George with another high-school gal . . . what's the matter, Flash, have you made the rounds out here already? . . . we don't blame you, though, Mary Mac is mighty cute. . . . Also notable were Beverly looking luscious in pink chiffon with Earl (Pat, to you). . . . Emmie Vida there as usual with Dr. Baine. . . . By the way, McKay, where DID you get those ruffled diapers??

A new combine we like real well is Paine and Pilkington—the park is beautiful every day at 1:30, but what do you do when it rains? . . . Spring seems to be here this year in pastel shades—Fred taking it all in a "Blue" mood and Rip looking pretty "Rosie" all over the campus.

Tri-Delt Dance . . .

Tudor Davis and his orchestra playing and sounding swell, too. Buddy Bratton appeared to be having a big time even though Gernalyn had a date with another Buddy. . . . That was a fine dance and everyone seemed right spry even after the carnival the night before.

Sizing Up The Seniors

(Applications for bodyguards are now being received at the Sou'wester office on account of the threatening letters which have been pouring in from irate seniors. Uncle Josh wants these muchly-disturbed people to know that everything herein is meant in the kindest way. After all, as the great Victor Hugo said (N. B., don't check on this): "The greatest joy on earth is to be loved in spite of ourselves and in spite of our faults." Dear Seniors, we love you all.)

SAM PREST

It will do no good to tell you what Sam Prest looks like. He's carefully guarded by certain persons (fem., sing.) who have no desire that anyone should ferret out his very fine qualities. But, girls, doesn't he wear tweeds nicely? And the SAE pin is a definite asset to those who have an appreciation for such baubles. We've heard Sam characterized as "a queer duck," said in the most affectionate tone. Uncle Josh wouldn't know. He's only been within speaking distance some twice in a lifetime.

DOROTHY ROBERTS

Dorothy Roberts seems to be the happiest person on the campus. Of course, if you want to be pessimistic about it you could say that her antics and her constant smile merely mask a broken heart, but anyhow they're very convincing. We like to think they reflect what she is. Tall, blond, Dorothy has a great deal of style, wears attractive clothes attractively. She is a Chi Omega, can always be found entrecase at the bottom of right hand steps.

JIMMY SASSER

Uncle Josh started to talk about James Sasser, but remembering just in time that most of his friends call him simply Jiiiiimmmmmeee (said in a coy wail) we decided to stick to the familiar. We don't need to say, but will, that the majority of those said friends are the co-eds. And the wail is on account of Jiiiiimmmmmeee is always swiping, over protest, we assure you, some sweet young thing's bracelet or ring or handkerchief. Oh, he has taking ways, that Sasser boy. When he wasn't laid up with some injury, usually a lame ankle or a scratched hand, Jimmy played mighty fine football. We shall miss "sassity Sasser" on the old gridiron next fall.

NORMAN SHAPIRO

Norman Shapiro is a refutation of the old belief that a scientific mind cannot be also an artistic one. For two years a lab assistant and a member of Chi Beta Phi, Norman is a B.S. candidate. And in the meanwhile he has taken an active part in the dramatics of the college, serves as make-up artist in productions and acts frequently, his latest part being in "Right You Are, etc." A prodigious reader, Norman is ordinarily the first to taste the new books in the library. Consequently he is one of the best informed students on the campus. His information has several times gotten him embroiled in conflict with various organizations and people. Remember that honey of an argument about

whether the Players were putrid or not? Norman is a member of the Service Club and ODK.

EMMIE VIDA SLAUGHTER

Emmie Vida Slaughter stepped out of the toy shop box labelled "French Doll." That's why she has lovely black curly hair, velvety brown eyes, and a delicately moulded, foreign-looking face with high cheek bones. That's also why she has a dainty figure and a funny, stiff walk. Emvidah (that's the way Evergreen pronounces it) is very smart and gets all worked up over discussions in class; she has no patience whatsoever with persons who ask dumb or unnecessary questions. (If you see her slide down onto the end of her spine, shake her head sadly, and twist her mouth into a grim smile you can bet you've just made a fool of yourself.) Uncle Josh for four years has been the confidant of itinerant professors who invariably consider Emmie Vida the girl on the campus, which seems to be also the opinion of one of our younger and most polished chemistry professors whose name begins with a B and is an alumnus of Southwestern.

Special Note to the Disappointed Seniors

Uncle Josh has overlooked Gerald Burrow, John Rickers, and Palmer Simpson in his list today. But just to please those worthies he will run a special group of those omitted. Such great figures require special research before presenting any verbal pictures of their greatness. 'Tis not the hope of Uncle Josh to please all his readers; but he will strive to cover the whole class in some manner.

All seniors who would like to reply to the kindly words of Uncle Josh are invited to do so by submitting their opinions to the editor.

WATCH FOR WOO DERBY In the next issue the Sou'wester is going to repeat the famous woo derby. You remember the November woo derby of 1936 sponsored by the paper. The entries, the odds, and the interesting facts on each entry will be found in the next issue.

College Sets Up Placement Bureau

To Aid Southwestern Graduates In Securing Positions After Graduation

Southwestern graduates will be assisted in finding positions after graduation by a placement bureau which has been formed here at the college. The bureau is connected with the Registrar's office and there is to be no charge for the service.

Members of the graduating class have furnished three small photographs of themselves, with their registration blanks. These, together with confidential recommendations, are on file with the bureau. In this way, more complete information about the graduate is made available to representatives from business concerns who are constantly asking for interviews with Southwestern graduates. Also, information regarding civil service, scholarships, educational directories and references on vocations and job-hunting, will be made available to the students.

Although the bureau was set up for graduates beginning with the present senior class, graduates who are interested in this service are asked to write to the Bureau of Appointments of Southwestern, giving complete information about what they have been doing since graduation, and if occupied, in what line of work they are at present engaged.

Members of the college committee on appointments are President Charles E. Diehl, Prof. W. R. Atkinson, Prof. W. R. Cooper, Prof. J. R. Meadow, Prof. R. S. Pond, Prof. M. H. Townsend, and Miss Annie Beth Gary, registrar.

A. T. O.'s Honor Founder

Annual Banquet Held at Peabody; William Moss Speaks

Tennessee Alpha Tau chapter of Alpha Tau Omega fraternity held its annual Founders Day banquet March 16 in the Georgian Room of the Hotel Peabody. William P. Moss of Jackson, Tennessee, was the speaker. He is a member of the high council of the fraternity and a former speaker of the state Senate.

Mrs. Robinson Re-named President; Mrs. Tripp Vice-President

Mrs. Dixon Robinson (Mary Allie Taylor, '33) was elected president of the Alpha Omicron Pi sorority alumnae of Memphis for the third consecutive year.

Other officers elected were: Mrs. Alvin Tripp (Winona Bates, '33), vice-president; Mrs. A. B. VISITORS AT ALUMNI OFFICE

Recent visitors at the Alumni Office have been: Dr. Gerald Capers, '30, who is teaching at Yale and was in Memphis for the spring holidays; Reverend Homer McLain, '01, of Oxford, Mississippi, who is correspondent of his class; Mr. Horace Puryear Hawkins, '87-'89, who is president of the Gainesville Oil Company at Gainesville, Georgia; Dr. Robert Orr, '33, who is intern at the Presbyterian Hospital in Chicago, specializing in obstetrics and gynecology; and Reverend John Chester Frist of Starkville, Mississippi, and Miss Eleanor Richmond, '27, teacher in Humes High School, Memphis.

University of Miami officials conducted a special tour of Cuba for students during spring vacation. Most universities have about a two-weeks spring holiday during which interim, the professors catch up on grading quizzes, and the exhausted students cart their suddenly-boundless enthusiasm away to Palm Beach, Bermuda or Bear Creek. At the University of North Carolina, for every person who went North to ice-skate, there were twenty heading toward Florida's sun and surf. The best vacation was that of a boy who hitch-hiked alone to Mexico and back, returning with plenty of adventure stories that can't be contradicted.

A student at Vanderbilt University received a card from the Postal Delivery Company, which read: "Sir, please send without delay for the case of books addressed to you, which is lying at this station and is leaking very badly."

"Make the most of your face", the blurb continues, expecting every college Joe in sight to become an ardent "detachable collar" wearer. There are collars with various shaped points for the "bull-dog" face, the wedge head and the bulbous cranium type. But for the blessedly "average" face, there is a little number that "enhances all who wear it", which means it could be a fraternity commodity, or do you live in the dormitory?

Lynx Trackmen Meet Choctaws Here Tomorrow

Hammet Expected to Break Two Mile Record

IS TO START AT 2:30

Joel Hitt Is Main Threat Of Chattanooga Team

Southwestern's trackmen get their first taste of action this year when they encounter Mississippi College, Clinton, Miss., on Fargason Field tomorrow afternoon at 2:30 o'clock.

Two weeks of practice have been insufficient for the Lynx team, according to Coach Chicken High, and Southwestern will be lucky to pull out on top. Mississippi College comes up with a fine track squad every year and this year the Choctaws have the added services of Joel Hitt, who won six events in the S. I. A. A. meet as a freshman last spring.

The conflict with football practice has cost the Lynx cinder team heavily. Captain Will Rhea Winfrey, Gaylon Smith, Orley Nettles, Bob Porter, Fred Partin, and others—all football men—have had little chance to get into proper condition and their performances tomorrow may be slightly ragged and off form. Coach High says he is pleased with the squad under the present conditions, and especially pleased with the form Frank Hammet is showing. Hammet is expected to shatter the college's two-mile record on more than one occasion this season.

Admittance of 25 cents will be charged and the meet will end promptly at 4:45.

Probable Lynx entries:

100-yard dash—Gaylon Smith, Bob Porter, and Irving Orenstein.

220-yard dash—McKay Boswell and Bob Porter.

440-yard dash—Fred Partin and Hylton Neill.

Half-mile—Henry Turner and Bruce Crill.

Mile—Henry Turner, Hylton Neill, and Bruce Crill.

Two-mile—Frank Hammet and Ralph Brown.

Shot put—Will Rhea Winfrey and Gaylon Smith.

Discus—Fred Partin and Will Rhea Winfrey.

Pole vault—Gaylon Smith.

Javelin—Orley Nettles and "Red" Bergfeld.

High jump—Harold Falls, Harold Jones, and Sam Mays.

Broad jump—Warren Prewitt and Rex Wilson.

220-yard low hurdles—McKay Boswell.

120-yard high hurdles—Fred Partin and Erskine Falls.

CECIL NEW WINS

Cecil New, Southwestern's gift to the table tennis world, retained his city championship Monday night by turning back Douglas Johnson in straight sets, 21-19, 21-6, 21-8, at Gaston Community Center. It was an all Lynx finals for Johnson graduated from Southwestern last year.

Henry "Hank" Walker, New's most persistent Lynx rival, annexed the consolation affair by defeating Jack Bennett, 26-24, 21-15, 21-13.

Spring Practice Will End Today

Coach Ed Kubale Well Pleased With Results; Punting Is Major Problem Now

Spring football practice ends this afternoon, easing off after a hard week of concentrated work on fundamentals. There will be no scrimmage because a number of the gridmen are to participate in tomorrow's track meet with Mississippi College.

Coach Ed Kubale has expressed himself as being well pleased with Spring practice as a whole, since the team's morale and spirit held up very well and since the pressing tackle problem seems to have been solved by Charles Gardner's excellent work and the progress of Fred Connors and Fred Partin. However, the disappointing showing of Oney Ellis this Spring has been slightly bitter to take. Ellis is far off his last season form.

Kubale isn't satisfied with the blocking but believes it can be ironed out this Fall. The team's punting seems to be the biggest worry at present. The punting of Jimmy Sasser, "Kite" Morton, and Gus Pitt last year aided the Lynx cause considerably, and at present no one appears on the horizon who can even remotely approach last year's booters.

Netmen To Play Millsaps College In Third Match

Lynx Down Lambuth College Last Week 7 to 0

TO HAVE 7 MATCHES

White and Floyd To Play No. 1 and 2 Positions

Southwestern's racquetees meet the Millsaps College, Jackson, Mississippi, tennisers on the Southwestern courts tomorrow afternoon at 2 o'clock. Seven matches are to be played, Dr. Peyton N. Rhodes, coach, announced Wednesday.

Riding on the crest of an overwhelming triumph over the Lambuth College Eagles last Saturday, the Lynx squad goes up against the Majors with a record of one victory and one defeat. The Lynx bowed to Mississippi State, 4 to 3, in their opening match two weeks ago, but trounced Lambuth, 7 to 0, last week.

Rumors that Macon Smith, Waddy West, and W. C. Rowan had decided to withdraw from the squad were laid to rest and the team will throw its

full strength against Millsaps tomorrow.

Tom White is still in the No. 1 slot with Charles Floyd elevated to No. 2. Macon Smith is now in the No. 3 position. Continuation of eliminations throughout the season should find Smith, Floyd, and White battling it out for the first three places.

Lynx Defeat Lambuth

Southwestern gained revenge for the mediocre showing made against Mississippi State the previous week, and overwhelmed Lambuth College of Jackson, Tenn., 7 to 0, last Saturday. Not a single set was lost in breezing through the Eagles. Lambuth was definitely underpracticed and this took a bit of the sweetness out of the Lynx victory.

Five singles matches and two doubles were played. Tom White, Charles Floyd, Macon Smith, William Murrah, and George Futris all won their singles encounters, and the Lynx doubles combinations; White-Rowan and Floyd-Smith, also came away with the victories.

SIGMA ALPHA EPSILON LEADING IN SPRING SOFTBALL TOURNEY

Softball, most popular of all intramural activities, got off to a snappy start Monday afternoon with Kappa Alpha defeating Kappa Sigma, 23-11, and Sigma Alpha Epsilon winning over Alpha Tau Omega to the tune of 13 to 0.

In the first game, George Griesbeck hurled for the winners, while in the second contest, Jud McKellar gave up only two hits in blanking the A. T. O.'s. In Tuesday's contests, Norman Shapiro and Bill Reid pitched the Non-Fraternity team to a 9-6 triumph over Sigma Nu, and McKellar ran his string of scoreless innings to 14 by limiting the Kappa Sigmas to two hits and shutting them out, 6 to 0.

Interest is unusually high in the intramural race at present, as the K. A.'s and S. A. E.'s are staging a stretch duel for the cup, bringing back memories of the A. T. O.-S. N. struggle of two years ago.

Last Thursday, the sons of Minerva won the three-mile relay to go back into a tie for first place with Kappa Alpha. Billy Belcher, Dan Carruthers, Billy Boothe, Henry Boothe, Malcolm Hooker, and Bud McCraney comprised the victors' team that won by almost a full lap. The Kappa Alpha runners, anchored by Pyne Tucker nosed out the Kappa Sigs for second place with

the A. T. O.'s finishing fourth and the Non-Frats last.

Present standings in the race for the intramural cup:

Sigma Alpha Epsilon	275
Kappa Alpha	275
Sigma Nu	200
Kappa Sigma	185
Non-Fraternity	160
Alpha Tau Omega	95
Pi Kappa Alpha	25

Coach Paul Hug is planning on an intercollegiate softball game with Arkansas State College some time this spring. A home and home arrangement has been made.
