

Fraternal Scene Found Discouraging

Adviser At Michigan University Charges Decadence In Spiritual Quality

"The general picture of fraternal America is discouraging", said Mr. R. F. Litzenberg, assistant professor of English and fraternity adviser at Michigan University...

He charged that the fraternity system, "does not practice what it preaches, and it more frequently parodies its ideals than adheres to them."

Mr. Litzenberg does not find the fraternity picture hopeless, but suggests that fraternities become aware of their short-comings and recognize the worth of their critics' arguments.

I'm the Heel who comes to chapel late, trailing my heavy coat over the heads of the dumb early-birds in front of me and stepping on the new suede shoes of the blond who sets next to me.

Here comes the part I enjoy. Believe I'll make an announcement. Maybe I'd rather yell "Holiday!" or make a lot of noise so I can yell "Louder, please!"

I suppose I'll have to push these guys down; they're in my way. But then, you can expect such conduct from me in chapel, because I'm THE HEEL!

## 25 Varsity Men Receive Football Letters For 1937

Entire Squad Not Included As Last Year

## 21 FROSH AWARDS Numerals To Be Given To Yearling Grid Team

Twenty-five letters to the Southwestern varsity football team and twenty-one awards to the Southwestern freshman eleven have been announced by the Faculty Committee on Athletics. Last year the entire varsity squad was given the privilege of wearing the regulation block S, but there were no freshman numerals awarded.

Varsity men who have won their letters are: Herman Bergfeld, J. P. Cavender, Porter Chappell, Fred Croom, Maynard Dabbs, Oney Ellis, Edward French, Mark Hammond, Arnold Hebert, George Jennings, Winston Lamb, Frank Morgan, Harry Morris, Hartwell Morton, Clois Neal, Orley Nettles, Clay Nickells, Richard Parker, Charles Perry, Robert Porter, James Sasser, Levon Self, Gaylon Smith, and Rex Wilson. Henry Mobley, manager, also was awarded a letter. Frank Campbell, assistant manager, will be given a sweater but no letter.

Freshmen who have earned numerals are: Paul Connors, Tony Canzoneri, O'Neal Craig, Eddie Craven, Fred Gage, Lewis Haiden, Harold Jones, Bernard Lockridge, Eugene Massey, Icky Orenstein, Fred Partin, Baxter Pouncey, Barrett Sellers, Fred Shenep, Horace Stubblefield, Dodd Thompson, Neal Williams, Tom Withers, Adrian Vernon, and Carl Shoal. J. W. Wood, manager, will also receive a numeral.

### RAPID PHOTOGRAPHY

Washington, D. C.—(ACP)—A freshman student at Howard University has developed a process of photographing at a speed more than twice as fast as hitherto possible.

Speeds ranging from 1/1,000 to 1/1,500,000 of a second are attained by the new method. Although the general principles of the process have been known for many decades, refinements developed by the student, F. Behn Riggs, Jr., make much higher speeds obtainable.

Riggs has taken pictures with his machine of a golf ball compressed by a golf club, and a bullet stopped in flight as it shattered a bulb. Despite the terrific speeds of the objects, the pictures show very little distortion.

In its practical applications, the apparatus will open new fields of investigation in ballistics formerly unknown. By detecting defects in high speed machinery, by "freezing" practically any action, the new apparatus will show both how and why a machine breaks. Its applications in the automobile industry alone, promise wide renown for Riggs.

### WAGE DISPUTE

Madison, Wis.—(ACP)—Agitation over "starvation wages" paid to students working in restaurants for their board has broken out at the University of Wisconsin.

In a copyrighted story, the Daily Cardinal charged that in some cases students were forced to work for 16 to 19 cents an hour, paid in "leftover" meals.

The director of the university student employment, Mrs. Alice V. Meloche, has stated that she knows "that it is true in some cases that restaurants overworked student employes and fed them inadequately".

The League for Liberal Action polled 250 workers in a survey to ascertain working conditions for and wages paid to university students.

## Managers Select Soccer All-Star

Louis Faquin Is High Scoring Man At Conclusion Of Tourney

At the completion of the soccer competition an all-star team, based upon performance in the tournament, was selected by the six team managers. It was a representative array and boasted men from six different teams, the Alpha Tau Omega's being the only group to place two players on the list. Louis Faquin and Henry Mobley were unanimous selections. Making five points for Sigma Nu, Faquin was the league's high point man, and Mobley was the main force in the Kappa Sigma attack. The selection of a goalie proved difficult, but Harold Falls received the nod with two votes at this position.

Louis Faquin—Sigma Nu.  
Henry Mobley—Kappa Sigma.  
Norman Shapiro—Non-Frat.  
Waddy West—Sigma Alpha Epsilon.  
Billy Maddox—Kappa Alpha.  
Wallace Mayton—Alpha Tau Omega.  
Harold Falls—Alpha Tau Omega.

### S. A. E. Leads In Volleyball

Sigma Alpha Epsilon tops the intramural volleyball tournament with an unblemished slate in three engagements. Alpha Tau Omega, Sigma Nu, and Non-Frat have one victory along with one defeat to show. Kappa Alpha has won 2 and lost 1. The Kappa Sigmas have received two setbacks in three starts while Pi Kappa Alpha has been unsuccessful in their two tilts.

### A THOUGHT DETECTOR

Iowa City, Ia.—(ACP)—A thought detector, which makes use of electrical waves from the brain, to record and classify the different states of mind, has been set up at the University of Iowa.

The detector indicates that the highest mental quality, "abstract thought," considered the sole prerogative of man, operates in an electrical field definitely unlike the field of other activities of the brain.

This highest human function works in an electrical calm as apparently unruffled as the states of sleep or of "mental blankness."

The thought detector was set up by Lee Edward Travis, professor of psychology. It records electrical brain waves, using the same apparatus with which biologists and medical men have been investigating the brain.

rab, Frank Jemison, John Edwards, and Harold Jones.

Prospects for both a winning varsity and a winning frosh squad are bright and Coaches Propst and Hug express themselves as looking forward to a successful season on the hardwood court.

Hank Walker will manage the varsity squad and J. W. Wood will assume the managerial duties for the freshman team. The varsity schedule is still incomplete, with only two games with the Sewanee Tigers definitely set.

## Pittsburg Reforms Athletic Program

Pittsburgh, Pa.—(ACP)—The University of Pittsburgh is "putting its house in order." It has announced that it will cease giving special grants to football players.

James Hagan, director of athletics, said that future Pitt athletics "should be conducted in accord with the best traditions of intercollegiate . . . practice," and that the university has set up an agency to "secure employment for students with athletic ability on the same basis such help is given to other students . . ."

After 1940, when present commitments expire, Pitt will reduce the schedule of its Panthers to eight games. These schedules will include none but major teams because, according to Hagan, "a football game is no longer a football game when teams as powerful as ours can run roughshod over teams of schools which under normal conditions do not attract an abundance of football material."

"If it (cessation of special grants) means weakening our teams, then they will have to be weaker and there will be no criticism of our coaches as a result of defeats that may come our way," Hagan said.

It has been understood that Pitt in-

## Dixie League Ends With Lynx Second

Birmingham-Southern Humbles Howard To Create Tie For Second Place

Scoring a 21-20 victory over their city rivals, the Howard Bulldogs, on Thanksgiving Day, Birmingham-Southern's Golden Panthers elevated themselves into the championship of the Dixie Conference and raised Southwestern's Lynx into a second-place tie with Howard.

Final standings:

Southwestern .....	4	1	0	.800
Howard .....	4	1	0	.800

tends to bring its schedule into eastern territory almost exclusively.

Included in the rules of the new policy is one that no coach will be permitted to initiate a contract with any athlete or attend any game with the idea of "scouting for athletes."
