The following resolution was adopted, and a copy of this resolution was ordered to be sent to our Attorney, Mr. Currel Vance:

"Because of a misunderstanding of the action of the Board taken at the meeting January 22d, 1920, and which reads as follows:

'The Board of Directors of the Southwestern Presbyterian University, accept the proposition of the City of Memphis, made through its Chamber of Commerce, to raise \$500,000 on condition that we bring to that city an additional \$1,000,000, and we will establish a first-class educational institution there, as soon as we can, after the conditions are met.'

The Board of Directors hereby adopts the following resolution:

1. That the Board of Directors declares that in the above resolution adopted January 22d, 1920, the sole purpose of that resolution was merely to assure Memphis that the Board accepted their proposition made through her Chamber of Commerce, that Memphis would raise \$500,000 on condition that we bring an additional \$1,000,000. It was not the intention of the Board to modify in the least our former action or the action of the Constituent Synods as

to site and the present assets of the University, on the contrary, the Board was, and is still in harmony with its own former resolution and that adopted by their Synods as is evidenced by the first resolution adopted January 22d, 1920, which reads as follows:

'We reiterate our approval of the proposed removal, and the action which all the co-operating Synods have approved'.

2. To avoid all misunderstanding, the Board hereby re-affirms its complete harmony with the action of the Constituent Synods, and with its own former action."
