President Diehl read a letter which he recently received from the Chairman, Mr. S.W. Farnsworth, who is now serving abroad with the armed forces of our country.

Upon motion of Dr. Boggs, the Secretary was directed to write to the members of the Board and the Executive Committee who are in the armed services, assuring them that the Board feels their absence very keenly, and that the members pledge their undivided support of them in their efforts to preserve the American way of life.

The Chairman called for the consideration of the four amendments to the By-Laws which were carried over from the meeting of the Board of Directors on September 8, 1942. The first amendment, reading "that four members of the Executive Committee shall constitute a quorum for the transaction of any business which may properly come before the Committee", was changed to read "In view of the fact that several members of the Executive Committee are serving in the armed forces, four members of the Executive Committee shall constitute a quorum for the transaction of any business which may properly come before the Committee."

2. Delete last clause of paragraph 4 on page 39 of the printed History, Charter and By-Laws (1940 edition), making the paragraph read as follows:

The Board may for adequate cause, other than economic reasons, terminate the appointment of any officer of instruction.

3. Change title of Bursar to that of Bursar and Business Manager.
4. Make Supervisor of Property responsible to the Business Manager, rather than directly to the President.

After due consideration by the Board, the four suggested amendments to the By-Laws were unanimously passed.

The matter of settling with Mr. Henry C. Hibbs, the architect, for drawing up the plans for the proposed dormitory was discussed at some length. Upon motion by Mr. Taylor, the following action was taken:

That President Diehl and Mr. Hume be authorized to arrange with Mr. Hibbs to complete the plans and specifications for the dormitory, and that they make the best possible arrangement to satisfy Mr. Hibbs for the work he has done on the plans for a speech building, with the understanding that he is not to complete the plans for the speech building, and that he be paid for the dormitory plans, as well as for the work he has already done on the speech building, out of the money from the Voorhies' estate.

President Diehl made a verbal report on the work of the college, and of the efforts which have been put forth to secure a government contract for Southwestern.

The Reverend Roy L. Davis, Secretary of Public Relations, was invited into the meeting, and made a short report on his work.

Dr. F.B. Gear, Vice-President, was also invited into the meeting, and made a report to the Board.

Upon motion by Dr. Boggs, the above report was unanimously adopted.

Dr. Land offered the following resolution:

That we earnestly importune the members from the various Synods and Synodical Committees to make strenuous efforts to raise the \$10,000 annual support fund from each of the four Synods, stressing the great need of Southwestern at this particular time for this support.

This resolution was duly seconded and unanimously adopted.

The meeting adjourned at 12:30, with prayer by Dr. Lang.
