Holt, was presented, and, upon motion of Dr. Alexander, was adopted by a rising vote, and ordered spread upon our Minutes. The President was directed to send to the family a copy of this resolution:

## IN MEMORIAM.

George Wythe Macrae was a member of the Board of Directors of the Southwestern Presbyterian University at Clarksville, Tennessee, from 1878 until the time of his death. Throughout all these years, he was a most faithful and interested worker.

To those who knew him best he seemed to have been fashioned for an exceptionally useful and honored life. The value of his influence and services on this Board cannot be portrayed in mere words. His attractive personality, his kind words, his unswerving integrity abide with us as a precious memory.

He was one of God's noblemen. He stood four square with all the world, and did what he believed to be right. He was a bulwark of strength for the things which make for good in religious, business and social circles. He was one of the few men whom one would like to see live on forever. But his life work is finished, and on January 3d, 1922, he passed to his eternal reward, his Heavenly Home.

## Be it Resolved:

That we, the members of the Board of Directors of the Southwestern Presbyterian University, with saddened hearts, adopt and spread this tribute upon our Minutes, and that a copy of this paper be sent to the bereaved family.

To your Finance Committee there was referred the report of the Registrar and the report of the Treasurer. These independent reports are in accord. These reports reveal the fact that the work of the University was so conducted that it was not necessary to borrow from the endowment funds quite as much as the Board had made provision for. Your Committee would make the following recommendations:

1st. That exemption for tuition made to the children of ministers and to the candidates for the ministry shall not be confined to representatives of the Presbyterian Church.

2d. That separate checks on account be sent to our attorneys in accordance with the judgment of the Executive Committee.

3d. That the Treasurer be directed to dispose of investments or securities from time as money is needed up to the amount of the requirements of the adopted budget, so as to leave a reasonable working balance on hand at all times in order that any overcheck may be avoided.

4th. That the Board deems it proper and necessary as speedily as possible to get the University on the budget of the churches of each Synod, that to this end it appoint ~~as chairman for~~ <sup>as chairman for</sup> each Synod who shall plan for and prosecute this appeal before his Synod for the definite percentage asked by the Board from his Synod.
