Hon. Albert C. Gore

United States Senator

Carthage, Tennessee

Dear Sir:

At a recent meeting of the planning committee of the Shelby County Democratic Club, I was instructed to contact you concerning the possibility of an early meeting with you in this city.

There are a number of troublesome problems which we feel can be advantageously discussed with you. If you plan to be in the city soon, we would appreciate your giving us some time for this meeting.

Awaiting your reply herein.

Sincerely yours,

R.B. Sugarmon, Jr., Attorney
