Upon motion of President Diehl, it was decided to recess for luncheon at Hugh M. Neely Hall at 12:25 p.m. Certain friends of the college were expected to take luncheon and to meet with the Board in the afternoon.

Upon motion the Chairman appointed the following committees:

The Secretary's report was included in the report of the Executive Committee meetings.

Consideration of the Treasurer's report was deferred to the afternoon session.

The Executive Secretary presented a written report, with remarks on the progress of the Mississippi campaign. This report was ordered received. In this connection, Dr. Fred R. Graves was also heard on the subject of the Mississippi situation.

The report of the Clerk of the Faculty was referred to the House Committee, and the Chairman of the Executive Committee made an informal report.

At this time Mr. LeMaster was recognized, and he stated to the Board that the Executive Committee had had made to them a proposition for the purchase of a certain piece of real estate as an investment for endowment funds. This was referred to the Finance Committee for recommendation.

The Board took recess for luncheon. At 1:25 p.m. the Board re-assembled, and by invitation Messrs. T.K. Riddick, W.C. Johnson and George Morris were present.

The outlook for the future of Southwestern was discussed by members of the Board of Directors and by the guests who were present.

The Committee on Nominations, Dr. Ogden, Chairman, reported, recommending the re-election of the present officers of the Board and members of the Executive Committee as follows:

"Your Committee on Nominations recommends the re-election of all the officers of the Board as follows:

Chairman	-	E.B. LeMaster
First Vice-Chairman	-	A.B. Curry
Second "	" -	James I. Vance
Secretary	-	Moore Moore
Treasurer	-	T.H. Tutwiler

We further recommend the re-election of the present Executive Committee:

E.B. LeMaster , Chairman
A.B. Curry
Chas. E. Diehl
Moore Moore
S. Watkins Overton
Thomas H. Tutwiler
James I. Vance "

This report was carried unanimously.

The Committee on Honorary Degrees, Dr. Fred R. Graves, Chairman, recommended the conferring of the following degrees:

DOCTOR OF LAWS:

Hon. Harry U. Sims, Birmingham, Alabama.
" Chas. N. Burch, Memphis, Tennessee.

DOCTOR OF LITERATURE:

Mrs. Elizabeth Meriwether Gilmer (Dorothy Dix), New Orleans, La.
Miss Sue M. Powers, Memphis, Tennessee.

DOCTOR OF DIVINITY:

Rev. R.L. Campbell, Macon, Mississippi.
" P.H. Carmichael, Montevallo, Alabama.
" C.V. Crabb, Clarksdale, Mississippi.
" U.S. Gordon, Gainesville, Florida.
" Frank E. Simmons, Brooklyn, New York.

Upon motion this was unanimously approved.

The House Committee, Dr. W. McF. Alexander, Chairman, made the following recommendations, which were considered and voted upon separately and the report as a whole was then adopted:

"We have read the President's report, and note the following facts brought to the attention of the Board:

1. The question of raising the entrance requirements because many students are poorly prepared.
We recommend that all such requirements be left to the President and the faculty.
2. The President asks that we reaffirm the ideals of the college as a liberal arts college.
We emphatically reaffirm those ideals which were adopted in 1922.
3. We respectfully ask all pastors in the Synods to give the names of outstanding students to Southwestern or its representatives.
4. We recommend that the Board endorse the idea of organizing an Employment Bureau, and refer the same to the Executive Committee for action at a minimum expense.
5. We commend highly the work of Professor M.L. MacQueen in his effort with the alumni, and commend the Alumni Magazine as one of the best ways of reaching the alumni.
6. We reaffirm the Greek ideal of athletics; that ideal is for the development of all the students rather than the Roman ideal of athletics which reduces athletics to a contest of the few.
7. We urge the cataloguing of the library as soon as possible, and urge the upholding of the present high ideals of the library.
8. We highly commend, and are pleased with the splendid loyalty and work of the faculty as revealed in the statistical report of the Clerk of the Faculty.
W. McF. Alexander, Chairman
Dunbar H. Ogden
E.B. LeMaster "

The Treasurer submitted his report, showing receipts and disbursements since his tenure of office. Upon motion this was ordered incorporated

to
in the minutes of this meeting. This report is appended/and made a part of these minutes.

The Finance Committee, Mr. B.A. Patch, Chairman, presented its report, the items of which were considered and voted upon separately, and the report as a whole was then adopted, which is as follows:

"Referring to the forenoon discussion of the mortgage debt on the college property, amounting to \$625,000, we recommend that the Executive Committee be instructed to take such steps as may be necessary to provide for the retirement of this debt as soon as possible.

We do not favor placing a permanent heating plant in the temporary field house.

We feel that we are unable to make any provision for Mr. Bradley Walker, the attorney for Peabody College, Nashville, for his services before the Legislature.

We regret that, under our present financial strain, we must ask our faculty to endure their hardships for another year.

We are glad to report that, during the past year, the endowment fund has been increased by \$22,867.49, and plant funds increased in the sum of \$74,587.96, of which \$29,500 was applied to the retirement of bonds in October 1929.

With reference to the suggested purchase of real estate, and the application of endowment funds to same, this matter was referred to the Executive Committee, together with the Investment Committee and Messrs. A.C. Glassell and Robert E. Craig from the Board, with power to act.

The Treasurer's report shows that we will end the year with \$10,000 to \$20,000 on hand. The books were found in perfect shape, and we especially commend the administration of the Treasurer and Bursar.

The preparation of the budget for 1930-31 was referred to the Executive Committee.

The matter of the Alumni Secretary was referred to the Executive Committee".

The President suggested to the Board that, in case the plans for the retirement of the debt were consummated, he would like to have a bond burning at the commencement exercises in June, 1930. The following ladies were suggested to compose a committee for this occasion: Mrs. Wm. R. Craig, Chairman, Mrs. Robert E. Craig and Mrs. J.T. Lupton. Upon motion, this was approved, with all details to be worked out later.

The minutes were read and adopted, after which the meeting adjourned with prayer by Dr. Alexander.

M. C. Moore Secretary.
