***Mock Trial Open House
Monday, September 24, 2007***

If you are interested in Mock Trial debate, forensics and pre-law, the nationally ranked Rhodes College Mock Trial team invites you to attend a practice trial session. Prospective students will also have the opportunity to meet with faculty, dine with current students, tour the campus and learn more about admissions, scholarships and financial aid options.

***Service learning Weekend
Fall, 2007***

Each year, more than 80 percent of Rhodes students participate in at least one service project. Community service and service learning activities are available to students both inside and outside of the classroom. Students who attend the service learning weekend can attend a class, take a tour of campus, participate in a service project, learn about the community service opportunities on campus, hear about the Bonner Scholarship (a fellowship available to students who have been active in community service and leadership) and meet professors and current students.

Monday, October 8, 2007

Check-in begins at 8:00 am
Program begins at 8:30 am and ends at 11:45 am
(Campus tours will be offered at 12:00 and 1:00 pm)

Saturday, November 17, 2007

Check-in begins at 12:00 pm
Program begins at 1:00 pm and ends at 4:45 pm
(Campus tours will be offered at 11:00 am and 4:00 pm)

An informative program is planned for you and your parents that includes the chance to talk with students and faculty members and learn more about our academic program, student organizations, admissions and financial aid. Students attending the Monday, October 9 Open House will also be able to attend a class. Both Open House programs are wonderful opportunities to gain firsthand knowledge of the curriculum and environment at Rhodes.

If you wish to attend one of our Open Houses, you may register online at rhodes.edu/admissionsprograms. All reservations should be made one week in advance. If you have any questions about the program, please call the Admissions Office at 800-844-5969. We look forward to having you experience the beauty and excitement of Rhodes.

***Math, Sciences and
Engineering
October or November, 2007***

The Math, Sciences and Engineering program will allow interested students to talk with departmental faculty and student majors. There will be a tour of related facilities and time for students and parents to get their questions answered about on-campus, off-campus and post-graduate opportunities in the fields of mathematics, science and engineering.

***Fine Arts Weekend
February 15 and 16, 2008***

Fine Arts Fellowship auditions will take place on Saturday and are recommended for students who are interested in pursuing a major or minor in music or theatre. Students can attend a class, take a tour of campus, learn about the music and theatre opportunities on and off campus and meet professors and current students.
