W. R. Tapp

Dear Sir

The Fletcher called on us last week & said that we had better not shipp the Chantels you ordered before one or two months yet as the Building was not ready for them and as we have got the Chantels all ready for shipment if you can make it convenient to favour us with your draft for \$2000 you would much oblige

Yours Respectfully

P.S. We will here mention that in case any
of the Mantels are broken on the passage we will
replace them
