The National Park Service has reviewed the "Historic Certification Application – Part 2" for the above-named property and has determined:

- that the rehabilitation described herein is consistent with the historic character of the property or the district in which it is located and that the project meets the Secretary of the Interior's "Standards for Rehabilitation." This letter is a preliminary determination only, since a formal certification of rehabilitation can be issued only to the owner of a "certified historic structure" after rehabilitation work is completed.
- that the rehabilitation or proposed rehabilitation will meet the Secretary of the Interior's "Standards for Rehabilitation" if the attached conditions are met.
- that the rehabilitation described herein is not consistent with the historic character of the property or the district in which it is located and that the project does not meet the Secretary of the Interior's "Standards for Rehabilitation." A copy of this form will be provided to the Internal Revenue Service.
