THE FRANK M. GILLILAND SYMPOSIUM

PRESENTS

BILL MCKIBBEN

“How Big Should People Be?”

Environmental writer Bill McKibben is author of *The End of Nature*, one of the first books to call attention to the problems of global warming. It has been re-issued this year with a new introduction that responds to Katrina and recent natural developments.

TUESDAY, SEPTEMBER 19, 2006

7:00 P.M.

MCCALLUM BALLROOM

BRYAN CAMPUS LIFE CENTER

ADMISSION IS FREE

The Frank M. Gilliland Symposium Series was established in 1984 by Tandy Gilliland and by Jim and Lucia Gilliland in memory of Tandy's husband and Jim's brother, a prominent Memphis lawyer and active community citizen who was committed to the understanding of social and ethical issues confronting America. It brings to Rhodes well-known speakers in the fields of English, history, and international relations.
